WOODBURY writes

about His Famous HAIR TONIC

Extract from an article written by the Master Dermatologist when Woodbury's combination Hair and Scalp Treatment was first successfully prepared for Home Use.

"The formula under which this Hair Tonic is made was tested and improved for over thirty-five years before a bottle was sold through the stores."

"For over thirty-five years this Tonic has been used in the enormous practice of John H. Woodbury's Dermatological Institute."

"Millions of cases were treated, and after their cure the patients continued the use of this Tonic as a delightful refreshment to the scalp

and to keep the hair soft, rich and glossy."

"This necessarily meant repeated calls at the Woodbury Institute, often at the inconvenience of patients living at a distance."

"To supply this demand, and the growing call from those who had not been treated, for a Hair Tonic which was scientifically successful (not a mere commercial product) this Tonic has now been put on the market and can hereafter be had from all reputable dealers."

Now, right in your own home, you can use the preparations formerly supplied only to office patients of the Institute. No other preparations for the Hair and Scalp are backed up by the same unlimited experience. No others give such quick and such satisfactory results.

Woodbury's Hair Tonic saves the hair when all other preparations fail. It prevents dandruff; stops falling hair, and instantly relieves itching scalp. It restores the lustre to the hair; preserves its natural color; increases its vitality and makes it beautiful and abundant.

Everyone Endorses Woodbury's

Hair Now Growing Nicely. My hair stopped falling out just as soon as I used the Woodbury's Scalp Cream in conjunction with the Scalp Cleaner. It's action was just like magic. The thick gray dandruff is all gone. My hair is growing nicely and taking on a new growth. Your Hair Tonic I use night and morning, and it is the nicest hair dressing I have ever used. Thank you for the letter of advice, I remain, Sincerely yours, Mr. JOHN F. HOWSON, 496 Quincy Street, Brooklyn.

This Specialist Uses Woodbury's After ten years of careful study, and close observation of all conditions of the hair and scalp, I find the Woodbury method of treatment most successful of all. It is based on the most correct scientific principles. In cases of scalp disease the Woodbury preparations go right to the root of the trouble, and their curative and stimulating properties are remarkable. As now using them exclusively in my office and the results obtained are most satisfactory.

Quick Results Pleas'd Him. The dandruff and itching scalp were terrible and my hair was thinning out over the temples and at the back of my head at an alarming rate. Nothing seemed to help until I used the Woodbury remedies, but good results were then noticed from the start, and in a few days the dandruff was entirely gone and new hair began to show. What pleased me most was that results were so quick. The Woodbury Hair and Scalp Remedies certainly make the hair grow.

Yours very truly, FRANKLIN G. SCHWARZ, 14 Spruce Street, Corona, L. I.

KITCHIN SMILES, BUT SAYS NAUGHT

Governor Has no Reply to Storm of Criticism of His Act in the Shemwell Case.

Gazette-News Bureau, Chamber of Commerce Rooms, Hudson Building, Raleigh, April 6.—Governor Kitchin has nothing to say regarding the storm of criticism of his action in commencing the prosecution of Baxter Shemwell, who was indicted for the murder of a man in the case of the State of North Carolina. Governor Kitchin is included in a bit of the storm. The incident is a very serious one, and he thinks he has done his duty. Some of his political friends regard his action as affecting his party, and two anonymous letters have told him that he is politically dead, but he only smiles at these.

Travis and shot Claude Kitchin, the governor's brother, is back in the penitentiary for safe keeping, and will be held there until June, when he will be tried in Warren County.

never interests.

Believes There is a Great Scandal. The further I go into this matter, the more I believe there is a great scandal being perpetrated in connection with the disposition of these four funds. I intend to probe the thing to the bottom.

When the grand jury on three days ago returned its report, in which it was stated that the details of this scandal were in the hands of the grand jury, it was a relief to the public. The grand jury has been working hard to get to the bottom of this matter, and it is hoped that they will stand up for the people.

Other intimations.

It is intimated that his other property is being sold, and that the proceeds are being used for the benefit of the poor. It is also intimated that the grand jury is still working on the case, and that they will soon have a report to make.

Appendicitis

How to Avoid It and Escape a Surgical Operation. Told by One Who Knows.

A Simple Method That is Always Efficacious—Trial Package Free. It has only been a few years since it was discovered that a surgical operation would cure appendicitis. In fact, it has been but a short time since the disease was discovered and named.

Whenever there is an inflamed condition of the appendix, caused by impacted faeces in the small cavity opening into the intestine, you then have appendicitis.

The other doctors used to call the inflammation of the bowels, and were puzzled to know the cause.

Even now, with all the knowledge we have of the disease, no medicine man can tell you why we should have an appendix, why we find it where it is, or what are its functions, if it has any.

The disease for which the operation is a cure is usually caused by indigestion, and in many cases follows a large and indigestible meal.

Physicians have until recently recommended an operation, but now, as it is known that it is caused by indigestion, or dyspepsia, a cure without an operation is assured.

Where the patient is treated with Stuart's Dyspepsia Tablets, the unhealthy conditions prevailing rapidly disappear, the stomach and intestines are placed back in their normal condition, every organ of the body operates as it should, and the inflammation is reduced and the operation is avoided.

Conscientious physicians, who are looking after the best interests of their patients, will always keep a supply of Stuart's Dyspepsia Tablets handy in their office, where in cases of sudden attacks of indigestion they can relieve the patient at once.

There is no record of a case of appendicitis where the stomach and bowels were in a healthy condition and properly digested the food from meal to meal.

No better advice can be given to any one who has been threatened with appendicitis, than to tell him to go to the drug store, pay 50 cents, and take home a package of Stuart's Dyspepsia Tablets.

Whenever heartburn, gas in stomach or bowels, sour eructations, acidity or fermentation are present, act at once. Take a dose of the Tablets and get relief as soon as possible.

At all druggists—50 cents.

Send to your name and address today and we will at once send you by mail a sample package free. Address: W. A. Stuart Co., 150 Stuart Bldg., Marshall, Mich.

Representative Martin Introduces Resolution Calling for Detailed Information.

A Public Benefit

Asheville People Generally Interested in the Generous Offer of Smith's Drug Store.

The people have already demonstrated that they would rather trust a man who is naturally honest than one who is honest only because he had to be.

Smith's Drug Store have a firmly established reputation for square dealing and sterling honesty. When they told the people that Rexall Remedies are the purest and most dependable medicines that it is possible for modern science to produce, and that they would tell the public that each one of these 300 or more remedies contained, and that they sold Rexall Remedies on their personal guarantee that they would give entire satisfaction or they would not cost the user a single cent, they were believed.

Ever since this announcement Smith's Drug Store has been largely patronized by people buying Rexall Remedies, all of which proves that this store has the confidence of the people and that honesty is the best policy.

There is no "cure-all" among the Rexall Remedies. There are different and separate medicines, each one devised for a certain human ailment or a class of ailments closely allied. For instance, Rexall Dyspepsia Tablets are recommended for the positive relief of stomach irritation, indigestion, flatulency and dyspepsia. They are rich in Bismuth-Subnitrate, Pepsin and Carminatives. They are prepared by special processes which perfect and enhance the great remedial value of these well-known medicinal agents. This remedy sells for 25 cents, 50 cents and \$1.00 per package. Every one suffering from stomach disorder should try Rexall Dyspepsia Tablets, inasmuch as they cost nothing if they do not satisfy.

Remember, Smith's Drug Store is the only store in Asheville where these remedies may be obtained, and every one in need of medicine is urged to investigate and take advantage of the frank and generous manner in which they are sold.

The manager of our Company was asked yesterday by a prospective purchaser of a lot in Oak Park to be sold at auction, what the reserve price was on a certain lot. When told that there was none, said he never knew of a land sale where the owners did not have a base price to work from. This gentleman was informed that the Carolina Development Co. always sold every lot put up; that each lot in Oak Park would be sold for what it would bring on Monday, April 11, 1:30 p. m. There will be no by-bidders. Everything will be on the Square even to the silver presents given away.
