would still be the greatest soundreproducing instrument without the Amberola.

The Amberola would still be the final and greatest expression of the Edison Phonograph without Amberol Records.

Amberol Records would still be the greatest triumph in Record-

making without Slezak and the other Grand Opera stars.

But when you can get Mr. Edison's own Phonograph invented and perfected by him.

and perfected by him,
and when you get in addition to that the Amberola, the finest
form of the Edison Phonograph,
and when you can have to play upon the Amberola, or any type
of the Edison Phonograph, the Amberol Records, that play twice as
long as Edison Standard Records, that are the clearest and best playing Records,

and when you can get upon Amberol Records such singers as Slesak, the giant tenor of the Mctropolitan Opera Company, and other stars, can you think of buying any sound-reproducing instru-ment until you have thoroughly investigated the Edison, the Amberola, Amberol Records and Edison Grand Opera Records?

There are Edison dealers everywhere. Go to the nearest and hear the Edison Phonograph play both Edison Standard and Edison Amberol Records. Get complete catalogs from your dealer or from us.

The MARKETS

The Leading Stocks on New York Exchange—Cotton Marret Quotations.

New York, April 7 .- Very light pening dealings in stocks today were significant of languid speciative interest. Price changes were also narrow and mixed.

The closing of the Borough Bank of Brooklyn, following that of the Bank of Brooklyn earlier in the week, was disquieting influence on the stocks Prospects of firmer money also prompted some selling. It decreases want you to try our service, if before noon, and opened the way to

dull recoveries. Bonds irregular, nore intense with the progress of the day, searcely any business being done in ordinarily active stocks.
