Policeman Sent to Keep Peace. Policemen were sent to the senate and house today to prevent a renewal of hostilities between Dr. Dunbar Rowland, a director of the department of archives, and Captain Frank Burkett, a member of the house.

The authorities have received information that Dr. Rowland had renewed threats to have revenge for the attack made on him several days ago by Captain Burkett, and that he intended to wipe . out with blood.

President Pro Tem. He resumed the chair today. Senator Bilbo declares he has no intention of resigning.

Bilbo Sustained and Asked to Quit. Concluding their afternoon session with the adoption of a resolution sustaining State Senator Theo. Bilbo by a margin of one vote, the Mississippi senate late last night adopted another resolution demanding that Blibo tender his resignation and bitterly criticizing his actions in connection with recent senatorial contest.

The resolution declared that Bilbo, atlhough acting in the role of promi-nent friend of former Governor Vardaman failed to disclose his evidence until after the senatorial nomination, conduct, the resolution de clares, "is utterly unexplained and absolutely incredible."

The resolution then attacks the credibility and character of Senator Bilbo; condemns his charge and statemen that he acted in the role of declares Bilbo unfit to retain his mempership in the Mississippi legislature.

Immediately attention was diverted to the consideration of routine affairs and before Senator Bilbo had an opportunity to speak on a question of personal privilege which he announced was his intention, the senate adjourned. Senator Bilbo would make no statement last night as to his intention with regard to the resolution

The vote sustaining Bilbo came af-ter an extended afternoon session of the upper branch of the assembly which for the past several weeks has been investigating the charge of Bilbo that he was offered a sum of money by L. C. Dulaney, a prominent planter and supporter of the successful candidate, Leroy Percy.
