TO DEALERS MEAN TO DECEIVE ?

Those Dealers Who Have the Best Incrests of Their Customers in Mind, Do Not Intentionally Offer Inferfor Goods-Metal Polishes Are a Good Illustration of This.

When you find that you have Lought on inferior articles that disapcints you and perhaps does more harm thun good, you cannot help condering if your dealer has been clean enough to deceive you for a few conts extra profit. If you have been calling at his store for some time, he paid regard you as one of his ald stomers and be ought to be wise sough to know that the heat way to and your friendship and patronage sell you only such attalled its If preame and satisfy you,

But many denters are so shorts shied that they do not seem to save or hadly they misuse a customer and illustration of this is the tranis that much people have with meta oligies. There is nothing that will the tile fire surface of a piece of netter such as allegework, harmon immines or the metal transmings round a none to quickly as the wrong kind of metal point. Vet ome deplets by the force out to be poor point, regarifless of the borte

Must are polishes for instance so much rabbane that the reducits over newsy the solver plant my or tright unish at other metale d polishes and tree from these antie and they remains test time and less work to electrand poists. A test many liquid polishes, however, epend agen aminenta to do the many and there is nothing more larming to a metal surface than one muton. Your call distance but if a padesh contains animumb to da telet,

There is a legal pulph called in BNISHULE which has been sold concess of the relates all over the engly fer a need many cents, that calling no emments; and these who have med to per searchane discovered that type or penns way is barme tall or a lurious to their observare or other metal curiates. This polish on to mad not only on sitterware but on every other kend of metal.

In the the enment thinkings in Whitington and elsewhere as well as as the Arm, and on the United States bittleship (if (INISHINE) has one are the standard polish. It is also send to must of the blackbotch to keep brance theirfiers, suggest and athors correct es well be office unital work, broate coll shinance.
