Asheville and Nearby Territory Visited by Storm Which Did Great Damage.

Asheville and Buncombe county last light and this morning experienced erhaps the worst storm and the most pectacular lightning display, accomannied by a downpour of rain, a vioent windstorm and the damage is not et known. The rain began falling some time after midnight and soon there were vivid flashes of lightning, crashes of thunder and then, more Today many people are telling their experiences of the night; how children were frightened and women hid their heads beneath the cover. It was not a dangerous electrical display, however, from the point of safety. The lightning is what is described as 'sheet" lightning—continuous vivid dashes. The deluge rather than the lightning did the greatest damage. Corn was badly washed and broken; many gardens were flooded; lawns were washed and in instances trees were blown down. On Starnes avenue a tree was blown across an electric cable and for a time the lights were off, electric power also was eliminated and the plant of the Asheville Electric company for a time crippled. Volumes of water pored into storm sewers and ver-flowed in low places on the street In fact, at one point on Starnes avenue he water was above the curb and over-flowing the sidewalk at 8 o'clock this morning, several hours after the

storm had ceased. Information from the outside districts is meagre, but the news that comes is to the effect that the storm was done crops, especially corn. In instances prize corn was blown down or broken near the ground. In West isheville several small houses were damaged; trees were blown down and was general, and that much damage crops in instances, almost ruined. In the north section of the county considerable damage is reported to growing

Lightning Hit Rye Stack.

Lightning struck a stack of rye in he yard of J. W. Hunter, a prominent farmer of Alexander, last night But for the quick work of extinguishing the blaze Mr. Hunter would have ost a considerable amount of grain which was placed near by. The loss amounted to about 25 to 30 bushels

In Contest Between Horse Hose Wagons Local Boys Won Both the Prizes.

Special to The Gazette-News. Newbern, July 28 .- Asheville wor all the glory in the first contest between horse hose wagons at the an-nual tournament of the North Carolina firemen here this morning, taking both the first and second prizes. The \$10,000 damages from the Southern team winning the first prize made the time in 36 1-5 seconds; the second team winning second prize in 36 2-5 friends went wild when the times were Asheville No. 2 won first money, and

No. 1, second. Total amount \$175. S. G. Bernard, Second Vice President. next meeting place, the week of May 20, 1911, and the re-election of Presdent James D. McNeill for the seventeenth term, the State Firemen's association adjourned the business seson of its twenty-third annual con-

vention after midnight yesterday. President McNelll had one opponent, S. G. Bernard of Asheville, The other officers: First vice president, A. H. Boyden of Salisbury; second, S. G. Bernard of Asheville; secretary, J. L. Miller of Concord, and treasurer, R. C. Taylor of Winston Salem were re-elected. M. S. Davis of Louisburg Chambers & Weaver, Lavery. Phone 18

was elected statistician.

The information that Asheville had won both first and second at Newbern this morning was received at fire headquarters about noon and immediately an alarm—box 462—was turned in. It was simply for the purpose of letting the people know that Asheville had won. The firemen who didn't go to Newbern were wild with delight at the outcome. They gathered about fire headquarters and talked and spec-ulated. It was great news to the boys here and their friends. It was believed all along that Asheville would make a fine showing, but to win first and second prizes in one race was just a bit better than was expected. How did they do it? Why, by fine team work and with ficet-footed horses. They can't lose Asheville.

### Dunham's Music House New Show at the Hip Tonight.

There will be an entire change of rogram at "The Hip" tonight, and or the balance of the week. New for the balance of the week. New and interesting pictures by the Hop-o-scope will be shown. Jim Almond will present a musical act that is seen to meet with the same approval here that it has in other cities; White-hurst and Wylde, who were a big hit the first part of the week, have been retained and will present a new one act playlet entitled "Retribution."

The big novelty and special feature of the hill will be John West, the black brownie, and his singing wolf. This is one of the finest and best acts ever seen here and is one great, big, long laugh from start to finish.

A CROWN OF GLORY

Well as a Mark of Beauty Is Lux-

It has been truly said that the rowning glory of our race is a lux-iriant head of hair. It used to be thought that this was ne of the blessings which the gods estow capriciously, and it is only re cently that scientists have discovered that its beauty is dependent upon the absence of a minute germ which flourishes in the hair follicles, where it destroys the life of the hair. To restore this life and kill

germs which cause the mischief is the nission of Newbro's Herpicide. Herpicide surely kills the germs and is the best hair dressing on the

It contains no grease or oil, neither will it stain or dye. Sold by leading druggists. Send 10 in stamps for sample to The Herpicide Co., Detroit, Mich.

As showing what Buncombe may do in the way of wheat production it is stated that H. C. Bridges has just sold to the Asheville Milling company a consignment of wheat that brought

The members of the Christian church went to Weaverville today for a picnic in a special car furnished by the Asheville and East Tennesses Railroad company. There were over 150 people in the party.

Revenue Agent R. B. Sams today received notice of the destruction of two illicit distilleries in Wilkes county. The outfits were not quite in running order, as the final touches had not been applied before "firing up."

Work of laying track on the Southrn railway's new re-enforced concrete bridge near Murphy junction on the French Broad river has begun. A large force of hands are busy placing rossties and rails for the double track. This, when completed, will allow the trains to and from Murphy a separate track into the depot.

1. E. Jackson, who conducted a reamery at 55 North Main street, resterday afternoon filed a petition in bankruptcy in United States giving his total liabilities at \$1841.16 and assets \$1786.76. He claims \$750 in real estate and \$416 in personal property exempt. Besides \$750 in real estate, his chief assets consist of machinery, etc., valued at \$600.85

R. S. Renner and his mother, who left here yesterday afternoon in Mr. Renner's automobile for Charleston, . C., after a several months' visit in Asheville, returned to the city last evening, the machine having broken an axle between Skyland and Arden. When the axle broke the garage of the Asheville Auto, company was telephoned to and E. C. Sawyer of that concern sent a machine to the scene of the accident and this morning towed the broken car into town.

The suit of M. A. Buttrick, Turner Buttrick, et als., against the Southern Railway company, which was begun several years ago in the Superior court of Runcombe county, was by motion of the plaintiff, transferred to the United States Circuit court and yesterday the record in the case was filed. The Buttricks are asking for Railway company for alleged negligence in the construction of a trestle culvert over Hominy creek at onds. The Asheville boys and their Luthers, which is alleged to have caused water from the creek to back upon the "Buttrick brick yard," damaging machinery, bricks and the brick clay. The complaint alleges that the culvert was put in in 1905 and that With the choice of Charlotte as the the damage was caused in that year and succeeding years.
