scenic pikes in the county. The exact location of the road from Buck creek to Asheville will shortly be made and it is hoped to have the road completed within a year or less time. Leav-

ing Asheville via Overlook park th road will follow the line of the old Chicago, Oct. 7 .- There will be but Howland railroad to Bull's gap, one real starter in the New York-Chithence around the Craggies to Stepp's cago geroplane "race," scheduled to gap and Balsam gap, thence skirting Mt. Mitchell to the Toe river gap,

thence to Switzerland and on Blowing Rock. The road will be 86 and McCurd will make merely techmiles long. nical starts.

Asheville stands a fine chance of getting the next convention. The invitation was convincingly presented by Dr. C. P. Ambler and Frank Laughran and since it is a central point on the highway and since there is prohability of the Asheville-Green-ville and Asheville-Charlotte highways being completed by next October, it is certainly regarded as the logical point. Other places present-ing invitations were Knoxville, Nash-ville, Raspoke, Blowley, Doub Roanoke, Blowing Rock, Charville, Roanoke, Blowing Rock, Char-lotte, Morristown and Athens, Tenn. Mr. Oliver invited the convention to come to Knoxville again, promising to make the good roads work a fet-ture of the exposition next year. The leans and the queen mother's sister reside. It is believed the royal family will be offered temporary quarters at Gibraltar.

exposition is to run each year for ten years.

## Plans For the Future.
