As the Days Grow Cooler Politics Grows Warmer

Democrats Have "Big Doin's" Today at Swannanoa and Tomorrow at Skyland—Young Men's Democratic Club Being Organized—Meeting Tomorrow Night.

With the formal opening of the democratic campaign in Buncombe county at Black Mountain yesterday when an all-day meeting and picnic dinner were enjoyed and when Hon. Locke Craig made the "keynote" speech of the campaign, the democracy of the county has become enthusiastically aroused and today another big meeting was held at Swannanoa while tomorrow a picnic dinner and political speaking will occur at Skyland, in Limestone township. Tomorrow evening there will be a mass meeting in City Hall when the Young Men's Democratic club will be organized and later in the evening the club members will march in a body to the county court house where democratic orators headed by Congressman Jack Beall of Texas will fire some heavy artillery into the ranks of the "enemy." The movement for the organization of the Young Men's Democratic club started yesterday and during the day more than 500 names were signed to petitions for the organization of the club. It is expected that before election day the club will have enrolled nearly 1000 names.

FAMILY SKELETONS BEFORE THE COURT

Woman Promptly Faints When Informed That Her Husband Has Decided to Divorce Her.

STATE, PRIVATE AND SAVINGS
BANK REPORTS ARE ISSUED

The Aggregate of Their Resources at Close of Business, September 1.

Was Given at \$58,351,185.

Gazette-News Bureau, Chamber of Commerce Rooms, Hollomon Building, Raleigh, Oct. 10.

Another chapter is added in the habeas corpus case involving Mrs. C. L. Petty and her six years old daughter. Two weeks ago Chief Justice Clark of the Supreme court, directed that the child be restored to the mother by Mrs. D. M. Smith of Bladen county who claimed that the child had been given to her to rear. The mother asserted that she had only allowed the child to go Mrs. Smith for a visit. The mother two weeks ago proved a good character and won the child. Since then, however, the opposition has gathered evidence alleged to impeach the moral fitness of Mrs. Petty to have the training of her daughter; hence the rehearing. Judge Clark heard the evidence against Mrs. Petty yesterday and gave her lawyers until next Monday to gather evidence in rebuttal. Just as the case was called in the Supreme court room C. E. Musser informed his wife, from whom he is separated, that he intended to take steps right away to procure a divorce from her. This caused Mrs. Musser to topple over in a faint that stirred no end of excitement for a time. It was by Mrs. Musser, who boarded at the same place as Mrs. Petty, that the latter proved her good character in the former hearing thereby gaining the verdict of the court. It is since that trial that the Musser has separated and Mr. Musser, a well known linnotype operator here, is a chief witness against Mrs. Petty.

His many friends here are giving Edward L. Conn, a hearty welcome back to Raleigh. He comes for a two weeks' visit, being now on the staff of the Baltimore Sun as telegraph editor. He was for a long while on the staff of the local paper and editor of the capacity of local man and editor well known all over the state. His friends are delighted at the exceptionally good record for efficiency that he is making in his enlarged field of endeavor.

State's Bank Resources.

The resources of the state, private and savings banks in North Carolina have increased during the past year \$7,730,964, the aggregate at the close of business September 1 being, according to a summary of reports just issued by the corporation commission, \$58,351,185. The capital stock has increased during the year \$1,088,187. The capital stock is \$48,767,990 and the surplus fund \$1,940,761, a gain of \$305,892 and the undivided profits, \$1,886,893, a gain of \$173,191. The savings deposits have reached the creditable sum total of \$6,470,586, an increase of \$1,799,576 within the year. The deposits subject to check round up \$22,828,437, this being a gain of \$1,477,173. The total assets of the banks is \$58,351,185.

Dr. D. E. Eversitt, appointed in the place of the late Col. A. B. Stronach and Col. Wood in the stead of the late Dr. R. F. Dixon, state auditor. Dr. Eversitt is a prominent dentist here and Col. Wood, of Randolph county, is the democratic nominee for the state auditorship to fill out the two years remaining of the term of Dr. Dixon as state auditor.

Governor Kitchen has issued a commission to Dr. N. B. McClanass of Salisbury as a director of the North Carolina railroad. He is to fill out the unexpired term of the late L. E. Heilig.

There has been submitted to the corporation commission for its approval the plans for a new passenger station by the Seaboard Air Line to take the place of the old combination freight and passenger station against which citizens have been complaining to the commission. The proposed new station is a commodious one cost-

THE BEST COUGH SYRUP IS EASILY MADE AT HOME.

Costs Little and Acts Quickly. Money Refunded If It Fails.

This recipe makes a pint of cough syrup and saves you about \$2 as compared with ordinary cough remedies. It stops obstinate coughs—even whooping cough—in a hurry, and is splendid for sore lungs, asthma, hoarseness and other throat troubles.

Mix one pint of granulated sugar with ½ pint of warm water, and stir for 2 minutes. Put 2½ ounces of Pinex (fifty cents worth) in a pint bottle and add the Sugar Syrup. Take a teaspoonful every one, two or three hours. Tastes good.

This takes right hold of a cough and gives almost instant relief. It stimulates the appetite and is slightly laxative—both excellent features.

Pinex, as perhaps you know, is the most valuable concentrated compound of Norway white pine extract, rich in gaulthol and the other natural healing pine elements.

No other preparation will do the work of Pinex in this recipe, although strained honey can be used instead of the sugar syrup, if desired.

Thousands of housewives in the United States and Canada now use this Pinex and Sugar Syrup recipe. The plan has often been imitated, but the old successful formula has never been equalled. Its low cost and quick results have made it immensely popular.

A guarantee of absolute satisfaction, or money promptly refunded, goes with this recipe. Your druggist has Pinex or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.

ing something like \$10,000. The commission will pass on the plans later.

The receivership of the Grand theater here is made permanent by order of Judge C. M. Cooke and Francis Cox continued for the permanent receivership. Its affairs are to be wound up without interfering with the lease of Lessee Finch so that the playhouse will continue right along and swing out according to program.

Don't Be Bald

Nearly Anyone May Secure a Splendid Growth of Hair.

We have a remedy that has a record of growing hair and curing baldness in 92 out of every 100 cases where used according to directions for a reasonable length of time. That may seem like a strong statement—it is, and we mean it to be, and no one should doubt it until they have put our claims to an actual test.

We are so certain Rexall "93" Hair Tonic will cure dandruff, prevent baldness, stimulate the scalp and hair roots, stop falling hair and grow new hair, that we personally give our positive guarantee to refund every penny paid us for it in every instance where it does not give entire satisfaction to the user.

Rexall "93" Hair Tonic is as pleasant to use as clear spring water. It is delightfully perfumed, and does not grease or gum the hair. Two sizes, 50c. and \$1.00. With our guarantee back of it, you certainly take no risk. Sold only at our store—The Rexall Store, Smith's Drug Store, Pack Square, opposite public library.

Call for Organization Meeting of Young Men's Democratic Club.

The members of the Young Men's Democratic Club will meet at the City Hall at 7 o'clock p. m. Wednesday, October 12, for the purpose of organization.

LLAMAS IN HARNESS.

Zebbras, Elephants and Camels Also Driven in Ringling Parade.

A team of llamas pulling a fairy-land tableau is one of the novel sights to be found in Ringling Brothers' parade. There is also a team of zebbras. They are supposed to be untamable animals. Ringling Brothers have proved that they are not a problem to their trainers.

There are elephants hitched to a great India float in which a potentate with his retinue sits in state. Another immense chariot of gold is drawn by 20 camels. The three-mile procession is headed by a team of 24 white horses hitched to a great band wagon. From this spectacular "hitch" to the big pipe organ on the tall end, all is novelty and richness. The sights of the world unfold themselves in a bewildering panorama. Every mile is a mile of wonders. There are 1280 people in line. They come from every corner and province of the world. A larger menagerie is disclosed in this parade in open dens and cages. Two-thirds of the elephants in America are shown.

This circus comes to Asheville on Monday, October 17. It is larger and better than when last seen here. The train on which it travels is considerably over a mile in length. It is lighted with electric lamps. The performers with electric staff occupy 28 coaches. There are a library, an all-night dining car and an observation Pullman.

There are 200 foreign performers with the show, making their first tour of America under the management of the Ringling Brothers. Chief among them are Arthur Saxon, the strongest man in the world; Albert Schumann, the Mexican wire wizard; Robledo, the Mexican wire wizard; the Taximeter horses, a Parisian novelty; the great Lorch family of acrobats, from Germany; the Alexis troupe, the greatest of all the world's acrobats; Ringling Brothers' three herds of telephoning elephants just imported from Europe, and the famous Dutton, riders.

A Reliable Medicine—Not a Narcotic. Get the genuine Foley's Honey and Tar in the yellow package. It is safe and effective. Contains no opiates. Refuse substitutes. Sold by all druggists.

MEDFORD IS ARRESTED ON CHARGE OF ARSON

Accused of Having Fired Store in West Asheville—Released on \$1,000 Bond.

W. H. Medford, one time a resident of West Asheville and now residing at Candler, was arrested Saturday charged with setting fire to his storehouse recently for the purpose of securing insurance. Medford was given a hearing yesterday and released on \$1000 bond pending another hearing set for Saturday.

It is alleged that Medford set fire to a new two and one-half story building in West Asheville. The case was worked up by Deputy Sheriff Wright of West Asheville and Assistant Fire Commissioner W. A. Scott. It will be remembered that the fire in the new building occurred about 7 o'clock Labor day and that it was discovered by two men who saw the blaze through a window. The fire was extinguished and investigation showed a carefully laid plan to destroy the property, a fuse having been run from the building to the outside and many shavings saturated with kerosene oil piled along the fuse.

An investigation was made by the

deputy sheriff and testimony was had that a man and a woman were seen in the building about five minutes before the fire was discovered; also that Medford was seen walking away from the building about that time. It is said that the property was insured for \$1200; that the policy was out only a short time before the fire and that the property was really worth about \$800. After the fire Medford moved with his family to Candler. The fire insurance commissioner was informed of the alleged facts and Mr. Scott was sent to investigate. It is said that the assistant fire insurance commissioner are also investigating another peculiar fire that occurred hereabouts recently and that in all probability another arrest or several arrests may follow.

MEMBERSHIP OF Y.M.C.A. HAS REACHED ABOUT 750

Fall and Winter Work Opened in Earnest—Bible Classes to Be Organized.

In the senior membership campaign, which was conducted by the local Y. M. C. A., recently brought to a close, the committeemen secured 192 members. A pleasing feature of the campaign was the fact that more than half of the members secured were men who have never been members of the association before, showing the effectiveness of the committee's canvass. These new men will be given a cordial reception in the association and will at once line up in the different "gym" classes and make use of the many other privileges offered them. This campaign brings the membership of the local association up to about 746 and an effort will be made during the campaign in November for the boys to increase the membership to 840.

The fall and winter work has opened up in earnest, the gymnasium classes under Physical Director Dill are being largely attended, the bowling alleys and pool tables are "taking on new life," in fact the interest in every phase of the association's work is on the increase.

A number of Bible classes will be organized in the next week or so under competent teachers so that from every standpoint the association leaders are looking forward to making this the greatest year in the history of the Y. M. C. A. in this city.
