The Half Price Sale of Trimmings Began | Thanksgiving Sale Jable Linens This Morning

Another Shipment of Cadet Hosiery

As a school hose for children the CADET has no equal. Its life is twice that of the ordinary hose, because of the reinforced linen heel, toe and knee. This feature alone makes the CADET wear as no other 25c hose can wear. The hardest part of selling this popular make of hose is keeping up the sizes—a recent shipment makes our line complete.

Cadet hose for men, women and children are priced at 25c pair.

Other hose sell for 15c to 50c pair in cotton. Silk hose for ladies in complete assortment for 50c to \$3.00 pair.

Dress Goods of Quality

We prepared this Fall with the most varied line of Dress Goods we have ever shown. Our confidence was not misplaced.
