ORGANIZE BY TOWNSHIPS

Wilmington - Charlotte Highway May Organize After Fashion of the Western Movement.

One of the most important results of the conference in Charlotte Wednesday night between representatives of the Wilmington-to-Charlotte and the Charlotte-to-Asheville highways was the definite decision of the down-eastern folk to recommend to their organization that the same plan of organization followed by the westerners be adopted by them, says the Charlotte Observer.

necessities which may be made to do more than double service. This report, adopted in the closing moments of the meeting, will be borne back to headquarters and results are expected soon.

You Must Read This if You Want the Benefit. J. W. Greer, Greenwood, La., suffered with a severe case of lumbago. "The pains were so intense I was forced to hypodermic injections for relief. These attacks started with a pin in the small of my back which gradually became fairly paralyzing. My attention was attracted to Foley's Kidney Remedy and I am glad to say after using this wonderful medicine I no longer am bothered in any way by my old enemy lumbago." Sold by all druggists.

"Do you want cheaper postage?" "I don't know," replied the man who considers only his own interests. "I don't write many letters myself, and I don't see why I should be sorer to make it easier for the men who send me bills."—Washington Star.

AUTO NO FORERUNNER OF MONEY STRINGENCY

Investigation Shows That Very Few People Owning Machines Have Mortgaged Property to Secure Them.

There has been a great hue and cry for some time past that the automobile fad or craze was threatening the financial stability of the city, by reason of the fact that so much money is being invested in this class of purchases, thus sending it out of the city. Some even went so far as to say that the banks are embarrassed for the same reason, and that the deposits are fast falling off.

This is by no means a local wall. In fact it is, or was, heard over the country generally. It was lamented that the farmers in the central western states in the midst of apparent prosperity were mortgaging their homes and farms to buy the "bubies". When the matter was investigated—by going to the banks—it was found that a comparatively small percentage had given any mortgages at all; that on the contrary there was abundant evidence that the farmers and others who had bought automobiles had paid for them with real cash of their own.

Investigating the conditions in Asheville has revealed about the same result. At the outset it may be well to state that the circumstance of an automobile owner's having given a mortgage is not prima facie evidence that it was given for the purpose of buying the automobile. A real active business man often borrows money. There are about 100 automobile owners in Asheville and of these not more than 25 per cent by actual records have given mortgages; and of these 10 have given them for the balance on the purchase price of a house or home; two to the building and loan association and 10 more for other purposes in which there is not the slightest probability that more than three gave them for the purpose of buying an automobile. But even if the whole of the 25 had given the mortgage for the purpose of buying automobiles there would be nothing alarming about that.

Then it must be remembered that a big percentage of all the automobiles are owned by physicians who find that it is really economy to keep them instead of keeping two horses and a man. Doubtless many others who own automobiles would keep horses and carriages but for the automobile.

As to the argument that the banks are feeling the drain of the money sent away for automobiles, the man who started this investigation is of the opinion that \$1500 is about the average price of the Asheville automobile and he did not think that the banks would be greatly hurt by the withdrawing of \$150,000 from them when it was scattered over a period of four or five years.

LIQUID CURES ECZEMA WHERE SALVES FAIL

In regard to skin diseases, medical authorities are now agreed that: Don't imprison the disease germs in your skin by the use of greasy salves, and thus encourage them to multiply. A true cure of all eczematous diseases can be brought about only by using the healing agents in the form of a liquid.

WASH THE GERMS OUT. A simple wash: A compound of Oil of Wintergreen, Thymol, and other ingredients as combined in the D. D. D. Prescription. This penetrates to the disease germs and destroys them, then soothes and heals the skin as nothing else has ever done.

A 25 cent trial bottle will start the cure, and give you instant relief. Smith's drug store.

PRESIDENT'S SON JOINS THE EPISCOPAL CHURCH

Waterbury, Conn., Dec. 6.—In a class of 15 students of the Taft Preparatory school, in Watertown, just confirmed as members of the Episcopal church, perhaps the most widely known is Charles Taft, son of the president.

President Taft is himself a member of the Unitarian faith, but the son has accepted that of his mother, Mrs. Helen Taft is also an Episcopalian, having been confirmed in Washington at the same time as Ethel Roosevelt was received into that church.

Charles Taft is at the school conducted by the President's brother, Horace Dutton Taft, who is likewise a member of the Episcopal church. The fifteen students were confirmed in Christ church, Watertown. The rite was administered by the Right Rev. Benjamin Brewster, missionary Bishop from Colorado, a brother of the Right Rev. Chauncey Bunce Brewster, Bishop of the Diocese of Connecticut.

The peculiar properties of Chamberlain's Cough Remedy have been thoroughly tested during epidemics of influenza, and when it was taken in time we have not heard of a single case of pneumonia. Sold by all dealers.

Attention to Dog Cost Woman Her Life

New York, Dec. 6.—Inattention to her own safety while concerned for the well-being of her pet collie dog cost Miss Ellen F. Francis her life. The woman was trying to extract a piece of wire from the animal's foot near an open grate fire in the room when he drew ignited. She was instantly asphyxiated and death followed in a few hours.

The Six-Day Bicycle Race

New York, Dec. 6.—At 2 p. m., end of the 48th hour in the six-day bicycle race, 12 teams tied at 774 miles, eight laps. Georget and Pouchoulet quit the race through Pouchoulet's refusal to continue. The riders were steadily falling behind the record, which is 775 miles, five laps, held by Cameron and Krebs.

Grand Opera House at Marion, O., burned.

Columbus, O., Dec. 6.—The Grand opera house at Marion, O., burned today; loss \$100,000.

LITTLE DAUGHTER HAD SCALP HUMOR

Itched So that She Scratched Until Blood Came. Hair Fell Out. Scalp had Unpleasant Odor. Used Cuticura Soap and Ointment Four Weeks. Scalp Perfectly Clear.

Hair Began to Grow Again and Now Has Beautiful, Long Hair.

"When my little daughter was about five years old, she was taken with the measles. A few weeks after the measles were gone, she began to have a severe scalp humor. It itched so that she would scratch the whole day, until the blood came. We had a doctor and tried a good many other remedies, but nothing helped. Her hair all fell out and the scalp itself had an unpleasant odor. After we had tried all the other remedies, my wife told me to try the Cuticura Remedies. We bought one cake of Cuticura Soap and one box of Cuticura Ointment. We used the Cuticura Remedies according to directions and in about three or four weeks, her scalp was perfectly clear of the terrible humor. Her hair began to grow again and now she has beautiful, long hair. I can't say enough in praise of the Cuticura Remedies to other people and they also had success. Chas. Salsbrenner, Amana, Iowa, Nov. 8, 1909."

PILES! PILES! PILES!

Williams M'fg. Co., Props., Cleveland, O. For sale at Seawell's Pharmacy.

TYPOGRAPHICAL UNION

WILL CELEBRATE JAN 2

The Union, at Meeting Last Night, Decided to Celebrate 20th Anniversary With New Year's Dinner.

Asheville Typographical union, No. 263, is planning a big New Year's celebration in honor of the 20th anniversary of the organization of the union in Asheville. It is the plan of the union—rather of a committee of five under instruction of the union—to give a 5:30 o'clock dinner Monday afternoon, January 2, with all the members of the union and the employing printers of the city seated around the banquet board. The matter of the 20th anniversary dinner celebration came up for consideration at the regular monthly meeting of the local last evening and the suggestion of several members along this line met with the approval of the union as a body and President Barrett was instructed to appoint a committee of five with the president of the committee, to make arrangements for the dinner. The committee on arrangements is composed of J. F. Barrett, W. C. Frank, J. F. Smith, H. C. Hull and Walter Steele.

At the meeting of the union last evening officers for the ensuing six months were elected as follows:

President—E. F. Shook. Vice president—H. C. Hull. Secretary-treasurer—J. F. Smith. Sergeant-at-Arms—M. A. Westerland.

A Simple Safeguard for Mothers.

Mrs. D. Gilkeson, 325 Ingles Ave., Youngstown, Ohio, gained wisdom by experience. "My little girl had a severe cold and coughed almost continuously. My sister recommended Foley's Honey and Tar. The first dose I gave her relieved the inflammation in her throat and after using only one bottle her throat and lungs were entirely free from inflammation. Since then I always keep a bottle of Foley's Honey and Tar in the house. Accept no substitutes. Sold by all druggists.

MRS. ANNIE M. MOORE

Death Sunday Night of Beloved Christian Woman After an Illness of Some Months.

Mrs. Annie M. Moore, wife of Rev. J. P. Moore, D. D., missionary to Japan, died Sunday night at the Blitmore hospital after an illness of some months. Her death was not unexpected. Mrs. Moore was a noble Christian woman and aided her husband much in his labors in the foreign fields. Her health gave away and Mr. Moore gave up his work and came to Asheville to be with her, hoping the change of climate would be beneficial. The family were the recipients of many deeds of kindness while here for which they are truly grateful.

Worse than an alarm of fire at night is the metallic cough of croup, bringing dread to the household. Careful mothers keep Foley's Honey and Tar in the house and give it at the first sign of danger. It contains no opiates. Sold by all druggists.

LICENSE TO WED
