WOMEN VOTERS WON DAY IN TARRYTOWN

Were Active at the Polls and Succeeded in Voting Additional Water Works Bonds.

Tarrytown, N. Y., March 22.—Tarrytown will have \$70,000 to enlarge its water supply and lay new mains for fire protection, and the Washington Engine company will have a new \$5,500 automobile combination fire apparatus thanks to the women voters yesterday.

It was a day of triumph for the fair voters. They came, they voted, and they won. And they were only enlisted in the fight six days.

At a meeting of the Women's Civic League held March 15, they asked Dr. S. Merritt, engineer for the water board to deliver an address on Tarrytown's water supply and its needs. Mr. Merritt pleaded so strongly for a better water supply that, after he finished, the women crowded around him and pledged their support for the proposition. And they kept their word.

THE MARKETS

The Leading Stocks on the New York Exchange—Cotton Market Quotations.

New York, March 23.—The trend of prices was upward in the opening of the stock market. Gains lively and confined to small fractions. Market dull.

Trading throughout the morning was perfunctory with little effort by either long or short interests to sway the market. After a slight movement stocks settled down to a level showing little change from yesterday's close.

Small selling orders executed in Hill stocks and Amalgamated Copper. They went off a fraction. General run of active stocks virtually unchanged. Comparative prices showed only trifling changes either way from yesterday's close.

WAYNESVILLE NEWS

Child Has Narrow Escape From Death—Municipal Election Exciting Interest.

Special to The Gazette-News.

Waynesville, March 23.—Tuesday morning, at the home of his mother in North Waynesville, little three years old Joe Howell had a narrow escape from fiery death. He had gotten too near the fire and his dress quickly ignited, flames rose up around his head searing his hair, and burning his face slightly, but for the presence of an older member of the family in the room who quickly extinguished the flames, the little fellow would have met death.

As the municipal election draws nearer the situation seems to become more perplexing. With Mayor J. H. Boyd coming out for re-election it makes five candidates for that office. It is said that Dr. E. P. Smathers may withdraw from the race for mayor and run for his present seat on the board of aldermen. For a while it seemed that the aldermanic seats was going begging but from the numerous names that have lately been mentioned in that connection it appears that there will be some hard fights for seats on the board.

Theo. Mitchell, a traveling salesman of St. Louis, is here visiting his brother, H. H. Mitchell, who is quite sick at his home.

WEAVERVILLE DEFEATED THE HIGH SCHOOL 2 TO 0

Both Teams Played "Big League" Ball and Interest Was Keen—Features of the Game.

In a hard fought contest yesterday afternoon the strong High school baseball team was defeated by the Weaverville team at Weaverville by a score of 2 to 0. The winning team is conceded to be one of the strongest teams in western North Carolina.

The game was fast and clean with no squabbling to mar the interest. The pitching of League for Weaverville and Forstner for Asheville was snappy and handy. The hitting of Fred and Wheeler for High school, and Peck for Weaverville, was also a feature. Both pitchers were well supported; both teams fielding in big league style.

There were very few hits or errors. "Doc" Roberts for Weaverville made an especially long hit and finally came home.

The batteries were: Asheville, Fortune and Riddick; Weaverville, Teague and Waldrop. The two teams again met at Myrtleville park at an early date and a good game is expected.
