

A nickel on the white horse! Play it, fellows. The best bet in smoking tobacco you ever saw for 5 seeds. Cigarette and pipe. STUD is real tobacco. Grown in the rich soil of the Piedmont Country. Has all the natural tobacco strength and flavor. A man's smoke, but light, cool and fragrant.

And get hep to this: Cigarettes made of STUD Tobacco won't stain your fingers any more than cigars. STUD is pure tobacco—no dope or filling. Put down your money now. Any smoke shop.

Every time you see a white horse buy a bag of Stud!

Gotch says of Roller that he is without doubt the second best wrestler in America and the coming champion of the world. He is the only man who ever caused Hackenschmidt to bridge. And Hackenschmidt has never had his shoulders pinned to the mat by any man.

Tonight the people will have the opportunity to judge whether Gotch or Hackenschmidt is right in the great controversy resulting from their most unsatisfactory championship match in Chicago of two years ago, when Hackenschmidt quit after two hours and ten minutes of wrestling without either man losing a fall.

Hackenschmidt claiming that the referee was not giving him a square deal, Asheville will see two of the three best men in the world in the game of wrestling which is as old as the history of the races. This gives Gotch first place, while place Hackenschmidt is hoping and praying to get an opportunity to contest. The match tonight will be the fastest and most stoutly contested of any ever seen here, it is said, Hackenschmidt on the one hand seeking to show his absolute mastery over all aspirants, and Roller, "the young man of the future," seeking to carve fame and fortune which he knows awaits him when he conquers the only two men standing between him and the top rung of the ladder.

Seats on sale at Whitlock's until 4 p. m. this evening. Many consider it worth the price of admission to see such a spectacle as Hackenschmidt, whose muscular development exceed that of any living man.

Happy, Happy, Use TIZ

A Marvel for Sore Feet. Acts Right Off.

Sore Feet? Never After Using TIZ— Good-bye sore feet, aching feet, swollen feet, sweaty feet, smelling feet, tired feet.

Good-bye corns, callouses and bunions and raw spots.

You've never tried anything like TIZ before for your feet. It is different from anything ever before sold. It acts at once and makes the feet feel remarkably fresh and sore-proof. TIZ is not a powder. Powders and other foot remedies clog up the pores. TIZ draws out all poisonous exudations which bring on soreness of the feet, and is the only remedy that does. TIZ cleans out every pore and glorifies the feet—your feet.

You'll never limp again or draw up your face in pain, and you'll forget about your corns, bunions and callouses. You'll feel like a new person.

If you don't find all this true after trying a box of TIZ, you can get your money right back.

TIZ is for sale at all druggists at 25 cents per box, or it will be sent you direct if you wish from Walter Luther Dodge & Co., Chicago, Ill.

Amusements

The Smith Greater Shows.

Commencing Monday, March 21, the Smith Greater Shows will give their outdoor exhibition, for one week on the city and Glades lots between Central avenue and Reynolds street, under the auspices of the Zebulon Vance Camp United Confederate Veterans. This company has shown for the veterans before and has the reputation of giving a "refined, clean, moral and up-to-date show," with no objectionable or suggestive features that would be objectionable to the most fastidious. Manager Smith will not tolerate anything of an immoral nature, neither will he allow any gambling or grafting games among his concessions.

The company carries 12 big shows and about 25 concessions that are first class in appearance, as well as quality, three riding devices, including the hurdles, said to be the greatest riding device in America, which has been greatly improved by the addition of a \$2000 military orchestra. The feature attraction is the trained wild circus, introducing four big sensational acts. There will be some marvelous free attractions every afternoon and night. The music will be furnished by Prof. Alfonso Selesie's 29 piece Royal band of Nashville.

The Catbird.

An extraordinary popular prejudice exists against the catbird, whose annual arrival in the north is a safe assurance of the very presence of spring. It is commonly regarded as a fussy, meddlesome creature, quarrelsome and cantankerous; chattering its enemies to its own species in shrill, harsh and dissident notes. It is nothing of the kind.

The catbird is our northern mocking bird. When love attunes its voice it can warble as sweetly as the nightingale. You must catch it in one of its melting moods if you would know the charm of its liquid notes. It is not at all beautiful—no more is the mocking bird—only a gray-brown, jerky, restless thing, of larger size than the robin, with the soul of song in it.

The wonder of the catbird lies, of course, in this, its dual nature. At one time it hops about screeching companions against the circumambient air; at another there throbs out from its delicate throat the essence of a divine melody. In all justice to this maligned songster, one should try to have audience with it in its softer, melodious mood.

It shall be in all the woods around, bringing with it an unwelcome word. Get a fresh and better view of our northern mocking bird.

When you have rheumatism in your foot or hand apply Chamberlain's Liniment and you will get quick relief. It cools but a quarter. Why suffer? For sale by all dealers.

A girl could kiss a man in the dark without realizing it if he was the right one.

Don't cry over spilt milk. Give the cat a chance.
