

Arm Stiff For Six Years, Restored To Use By One Bottle of Germania Oil.--Well-Known Woman Tells How She Was Rescued From a Bad Case of Catarrh

The German Health Teacher now at Grant's Pharmacy, on Main street, is a man that takes pleasure in answering any questions pertaining to his line of work, and yesterday when approached on the efficacy of the German Teutonia to cure Catarrh, he said:

"I believe German Teutonia is the greatest discovery of the age for that very prevalent, but fatal disease, Catarrh. I say fatal, but not necessarily so, if taken in time. Catarrh is the easiest thing in the world to cure, but one is apt to put it off, you know, by saying, 'Oh, I have only contracted a slight cold. I will be all right in a slight day. You notice the clearing of the throat, continually hawking and spitting mucus that drips constantly; and when asleep this dripping continues. It goes to the stomach and intestines and causes nervous indigestion, but if it goes through the bronchial tubes it will pass into the lungs and cause consumption, the great white plague, that 1,500,000 people died of in this country

alone in the past twelve months. Yes, German Teutonia cures Catarrh of any form, so long as it has not reached the lungs. I am proud of the message I carry to every citizen of Western North Carolina. It is a Godsend to every home."

Here is a statement from a young woman who had suffered for years with Catarrh, and she was cured. It will do the same thing for you. Miss Mammie Hieger, of 2331 Harrison avenue, Cincinnati, says:

"When I began the use of German Teutonia I had no idea of getting such quick results. I have used only four bottles and I am entirely cured of Catarrh. When I would get up each morning I would have heavy dull headaches, and sometimes pains in the back of my head, scabs would form in my nose, eyes would water and when I read for any length of time the lines would all run together, my breath was offensive and I could feel the mucus dripping from my head. I became so offensive that I was ashamed for any one to come

near me, and I had about given up hopes of being cured when I read an advertisement about the German Teutonia. From the first bottle I did me good and after the use of four bottles I am as free from Catarrh as anybody in Cincinnati."

Stilus Parley of Birmingham, Ala., is another who is grateful for the good results obtained from Germania Oil. While the medicines were being demonstrated there last spring, Mr. Parley called to see one of the Health Teachers. He said:

"My arm has been perfectly stiff at the shoulder joint for six years. Some say it is paralyzed and others say it is Rheumatism. I cannot tell what caused it. I know that I have been unable to use it and I have heard so much of how your Germania Oil is curing stiff joints I want to try it."

He purchased three bottles and after using the oil two weeks, returned to the Health Teacher and said:

"Look here, I am able to put on my own coat, can arrange my tie and

am able to brush my own hair. I consider it remarkable and you are at liberty to use my name, and I will tell anyone who has stiff joints to try Germania Oil."

The price of German Teutonia, for the cure of Catarrh, Indigestion, Stomach, Liver, Kidney or Bladder disorders and purifying the blood and spring tonic, \$1. three for \$2.50.

Germania Oil, for the cure of Rheumatism, Stiff or Swollen Joints, Sprains or Strains, 50 cents, three bottles for \$1.25.

German Salve, for the cure of Blind, Bleeding and Itching Piles, 25 cents per box.

German Soap, guaranteed to cure any Burning or Itching Sensation of Skin or Scalp, price 10 cents per cake three for 25 cents.

To every caller will be given the valuable booklet, "Herald of Health." If you can't call order by mail. Address your letters to the German Health Teacher at Grant's Pharmacy, Main street.

SENATOR R. L. OWEN TALKS IN ILLINOIS

Delivers Address Before Legislators on Reform--Lorimer's Friends Didn't Attend.

Springfield, Ill., March 23.—Despite assertions of legislators that he should not be allowed to speak in the Illinois statehouse, United States Senator Robert L. Owen, of Oklahoma, yesterday delivered a talk on the initiative and referendum at a public meeting of the house Judiciary committee.

Senator Owen was not interrupted during his address to an audience which packed the old Supreme court room in the statehouse. He suffered no open discourtesy, although a number of members of the Judiciary committee, mostly friends of Senator Lorimer, refrained from attending the meeting.

The meeting was held by the committee to hear arguments for and against a bill to enact the initiative and referendum in Illinois. After Mayor E. F. Dunne, of Chicago, had spoken in favor of the measure, Senator Owen was introduced by Chairman Holliday. Senator Owen delivered a brief eulogy of Abraham Lincoln and then explained that the initiative and referendum was a fight between organized greed and the people who produced the wealth. The time had come in this country to put an end to bribery and corruption and to machine politics.

"We understand the machine politician," said Senator Owen, "he's playing the game as he sees it and we're playing the game as we see it. I understand the game of machine politics and that is why I am here to advocate these principles."

"I call Tammany Hall a bed of necessities, carrying the democratic flag."

Senator Owen said that the great wealth that individuals were acquiring was leading thousands of families to ruin and decay. He contended that the initiative and referendum would cure "this false and unwholesome condition."

Nervous? Let your doctor prescribe the medicine. He knows best. The fact, however, that Ayer's Sarsaparilla has such strong tonic properties, and is entirely free from alcohol, may make it precisely to his liking.

HEAD OF CARNEGIE TRUST CO. HAS BEEN INDICTED

Grand Jury Returns True Bills Against Wm. J. Cummins Charging Larceny.

New York, March 23.—Out of the tangle of financial transactions which were first made known by the collapse of Joseph G. Rubin's chain of banks ruled by skyscraper finance the grand jury drew the indictment of Wm. J. Cummins, directing head of the Carnegie Trust company, for the alleged larceny of \$335,000 from the institution a year ago.

Arraigned in court late yesterday afternoon, Cummins pleaded not guilty with leave to withdraw the plea. Bail was fixed at \$50,000 and furnished promptly.

Cummins is a Tennessee man who came to New York only a few years ago, highly recommended as a successful promoter. He gained control of the Carnegie Trust company and through his solicitations, it is alleged, large city deposits were obtained for the institution shortly after the date of his alleged larceny.

Specifically he is charged in three indictments with larceny in the first degree of these sums: \$1250,000, \$150,000 and \$150,000 on April 21, 22, 23, 1910, respectively. It is alleged that these sums were borrowed by the Carnegie Trust company in a note transaction from two other banks, and appropriated to Cummins' personal use.

Robin was a witness before the grand jury which returned the indictments. District Attorney Whitman

has made it plain also that he expects other indictments to follow. The transactions involved in the charges against Cummins were made, it is alleged, in an explanatory statement issued last night by the district attorney, when Cummins feared that the stock of the nineteenth ward bank and the collateral for certain loans would be sold in the open market. To avert this sale, lest it affect other institutions in which he was interested, it is alleged that Cummins desired to buy off this collateral, and therefore made arrangements to borrow money from the nineteenth ward bank and the Van Norden Trust company.

The money was borrowed, it is alleged on notes of the Carnegie Trust company, which were endorsed over to the personal account of Cummins and appropriated, it will be charged, to his personal use.

Warning to Railroad Men.

Look out for severe and even dangerous kidney and bladder trouble resulting from years of railroad work. Geo. E. Bell, 639 Third St., Ft. Wayne, Ind., was many years a conductor on the Nickel Plate. He says: "Twenty years of railroad work left my kidneys in terrible condition. There was a continual pain across my back and hips and my kidneys gave me much distress, and the action of my bladder was frequent and most painful. I got a supply of Foley's Kidney Pills and the first bottle made a wonderful improvement and four bottles cured me completely. Since being cured I have recommended Foley's Kidney Pills to many of my railroad friends." For sale by all druggists.

Davenport, the Cartoonist, Wants a Divorce.

Salem, Ore., March 23.—Homer Davenport, the cartoonist, filed suit yesterday for divorce from Mrs. Daisy B. Davenport. Davenport charges that Mrs. Davenport treated him in a cruel and inhuman manner and makes other allegations in his complaint. The couple were married in Silverton, Oregon, and four children were the issue of the marriage. Some time ago a decree of separation was granted in the New Jersey courts.

FRESHMEN AT TULANE HAZE UPPER CLASSMEN

Juniors and Seniors Held on Top of Campus Tank Tower During Entire Night.

New Orleans, March 23.—Early this morning at Tulane university campus yesterday discovered a number of seniors and juniors held prisoners on top of the campus tank tower, with many more belligerent sophomores and freshmen on guard below. The upper classmen were released through the efforts of President Edward Craighhead, who acted as peace envoy. It is alleged by the under classmen that the upper classmen disregarded the agreement to eliminate the annual tank fight on Founder's day. The seniors mounted the tank Tuesday night to obliterate the freshmen's numerals and while thus engaged, were discovered by the freshmen. The alarm was sounded with the result that the upper classmen were forced to remain on the tank all night.

The freshmen's numerals were obliterated with "in memoriam 1911 yellow streak." President Craighhead prevailed upon the upper classmen to restore the obliterated numerals, whereupon the victorious freshmen relented and released the prisoners.
