APPFAL ISSUED TARIFF GHOST TO THE PURLIC

California Federation Asks That Benefit of Doubt Be Given Mc-Namara and the Others Accused of Dynamiting.

ON CHARGE OF KIDNAPPING THREE MEN ARE JAILED

Bond of \$10,000 and \$5,000, Which One Object to Make Free Farming They Are Unable to Give, Required-Warrant for Burns.

CAN FRANCISCO, April 25 .- The California Federation of Labor issues an appeal to the public geles Times. A resolution passed by the executive board denounces the to the senate. crimes charged as "so heinous and

ciation; W. J. Ford, assistant district atorney of Los Angeles, and Frank Fox, chauffeur, were arrested last night on affidavits charging them with having kidnapped J. J. McNa-mara, secretary and treasurer of the and Structural Iron Workers.

The men were arraigned this morning before Justice of the Peace Manning. They waived preliminary examination and were bound over to the grand \$10,000,000, but declared that this jury. William J. Burns the detective would be more than met by the employed by the Structural association economies instituted in running the who arrived from Toledo today, was who arrived from Toledo today, was sovernment machinery. Mr. Undersought by the constables with a warrant for his arrest on a charge of kidnapping McNamara, but they could not find him. Bond to hold them for the grand jury was set at \$10,000 each for Drew and Ford and \$5,000 for Fox. Their attorney, after trying to obtain bail, falled. The men were taken to jail. A crowd collection of the content of the protected list those implements the farmer uses in protrying to obtain ball, failed. The men were taken to jail. A crowd collected about the justices' office and when the men started to jail there was applicating and jeering. The general charge against the men is that they conspired to take McNamara out of the state "without due process of law." It is alleged that McNamara did not have opportunity to consult counsel and resisted extradition after his arrest Saturday. After Gov. Marshall had honored the requision the only proper way to handle the following the said. "That is in our opinion the only proper way to handle the following the free list those implements the farmer uses in producing his crop. The other purpose is to reduce the cost of living to the masses by putting their food products on the free list." I 'uderwood announced that the free list was only the beginning of democratic revision of the tariff.

Schedule, "he said, "That is in our opinion the only proper way to hanen by Fox and taken to Chicago Saturday night, bound for Los Angeles, to answer an indictment charging explosion at Liewelyn iron works.

Some of Burns' Evidence.

Columbus, O., April 25 .- Detective W. J. Burns, who was in Columbus last night en route to Indianapolis, divulged some of the evidence on which he bases his charges that the McNamara brothers and O. E. Mc-Manigle were councied with the dynamite outrage in Los Angeles. Burns said he learned that J. W. Mc-Namara was in Los Angeles at the of the explosion; in fact, had there for several days prior to

Los Angeles this week he will be iden-titled as the man who purchased dyrice at the time," said Burns.
"I am positive that he will be recog

nized as the purchaser of the dyna "Two sticks of the dynamite placed inder the Times building failed to ex-lode. They were taken to the Giant bowder company and identified as

TTAWA, ONT., April 25.—Canada's advancing importance in the British Empire and the world will be signalized in September by the arrival of the Duke of Connaught to serve as governor general of the Do-minion. It will be the first time that the vice regal post in any of the overseas dominions has been by a member of the royal family. The duke is a brother of the late King Edward and therefore an uncle of the present sovereign. He comes to Canada at a time when the country has outgrown the stage and is facing great political and economic problems. As the duke approaches the shores of Canada Earl Gray, the present governor general, will depart, leaving a record of activity equalled by few, if any, of
