**Engagement of Miss Nichols and Mr. Davis Announced.**  
Pink roses and white daisies, charmingly combined, formed the rosary color harmony used this afternoon in decorating home of Mrs. W. B. McEwen, on Chestnut street, who entertained in honor of Miss Kate Nichols. Tables for bridge were placed in the music room and dining room and, as the guests assembled, the score cards in the shape of double hearts, hand-painted with golden bells, told the secret of the proudest party. The cards were inscribed with the following lines:  
"Hear the mellow wedding bells,  
Golden bells,  
What a world of happiness their harmony foretells  
For Kate and Wallace, June 14th."

In this novel way was the engagement and approaching marriage of Miss Kate Nichols and Wallace Davis, two of Asheville's popular young people, announced to the intimate friends of the bride-to-be, who were at once overwhelmed with felicitations and good wishes. In the dining room the table bore, as a centerpiece, a bride and groom in "counterfeit presentation." Pink tulle streamers hung from the chandelier to the table, which was daintily decorated in pink and white and lighted by pink shaded candles. The delicate refreshments emphasized the chosen colors; with the ices, they heart shaped cakes, lettered "N. D." were served. To add to the merriment of the guests little James Edward McEwen and Louise McEwen carried in a small trunk tied with white ribbons and propheticly hung with old shoes. Miss Helen Nichols, Miss Margaret Atkins and Miss Elizabeth Nichols assisted Mrs. McEwen in serving and entertaining the guests. The announcement party was one of the most effective and charmingly appointed of the season's functions. The wedding, which takes place Wednesday, June 14, will be a quiet affair, solemnized at the home of the bride on Liberty street.

Miss Nichols is the daughter of Mr. and Mrs. John A. Nichols, and will make one of the loveliest brides of the year. She is a very pretty girl, with much personal charm, and of artistic and musical gifts. Mr. Davis is a son of Mrs. Linnie Ward Davis and the late A. C. Davis, and is one of the city's sterling young business men, he is the paying teller in Battery Park bank. The young people count all Asheville as their friends and will be widely congratulated throughout the state.

It is Reported That Plant Located Near Craggy About Ready to Resume Operations.  
The people of Asheville will be glad to learn that there is a well authenticated report to the effect that the old Elk Mountain Cotton mills, now known as the French Broad Manufacturing company, situated at Craggy a few miles below Asheville, is to resume full time. J. A. Martin, one of those largely interested in the mill, could not be seen today but the report is doubtless correct. The mill has been shut down for about 60 days. The entire output of the mill is white counterpanes. It is said that while conditions in the cotton manufacturing trade are very unsatisfactory, Mr. Martin, who is a well known cotton mill man of Hickory, is by hard work keeping orders ahead.

**TENNIS TOURNAMENT AT GREENVILLE, S. C., JUNE 19**

On June 19, in Greenville, S. C., there will be held the fourth annual tennis tournament to decide the championship of the Carolinas. The event is open to all amateurs residing in the two states and will include men's championship singles and doubles, men's consolation singles, ladies' championship singles and mixed championship doubles. Cups for the winners will be awarded by the Sans Souci Country club of Greenville.  
There has been no movement made as yet to have a representation in the tournament from Asheville, but it would seem that such a move would be made on account of the recent interest taken in tennis by several local clubs. It seems, too, it is pointed out, that some effort should be made to arouse some local interest in this interstate meet.

**GLADIOLUS BULBS**  
Probably the most attractive of all summer flowering bulbs and being cheap in cost should be liberally planted. We can supply choice bulbs in mixed colors at 25c doz. While a light sandy soil is best they do well in almost any soil liberally fertilized. But be sure to plant them at least 3 to 4 inches deep as a less depth will cause them to topple over when well above ground. Everything in Drugs and Seeds.

**MRS. NAVY OF WALNUT**  
Mrs. Navy of Walnut Writes Interestingly About Her Case, Which, After Drugging for Years, Was Finally Relieved in One Week.  
Walnut, N. C.—"I suffered more or less during girlhood from female weakness," writes Mrs. Mollie Navy of this place. "After I was married I was almost bedridden and had to give up. We had three doctors. All the time I was getting worse. My trouble would last from 7 to 28 days. I gave Cardui a trial and in one week I could eat, sleep and joke as well as anybody. In 8 weeks I was well. I was an invalid for five weary years. Cardui relieved me when everything else failed."  
If you are weak and ailing, think what it would mean to recover as rapidly and surely as did Mrs. Navy. In over 50 years, this strength-building remedy has been used by thousands of ladies, who found it of untold value in relieving womanly pains and ailments.  
No medicine without merit could remain in such constant use, and show such a continual increase in sales as Cardui has done. It is commonplace to judge a medicine, as well as a man, by success. Cardui is successful.  
Try it.
