Benefit Castle.
The manufacturer's display sale and noonday lunch under the auspices of the Young Women's Christian association is now open for business at the corner of Market and College streets. The committee of ladies, with Mrs. Charles Baird as chairman, are in charge of the undertaking and it is hoped that the proceeds will be sufficient to enable the association to take some of the advance steps needed during the year. The ladies will be at the sale from 10 to 2 each morning and from 4 to 9 at night. Lunch will be served from 12 to 2 each day.

The delegates to the hardware convention left Asheville this morning in great numbers on the excursion to Toxaway. Almost the entire delegation took advantage of this opportunity of a delightful day's outing with the accompaniment of water sports which Toxaway offers. Quite a number of Asheville friends went with the hardware excursionists and the crowd left in gay good humor, fully prepared to make a day of it.

Mr. Perrin spent seven years in study abroad. He is at present at the Cherokee inn on Oak street.

The members of the U. C. T. will give a picnic tomorrow afternoon at the picnic grounds in Weaverville. HOT EGG SALAD.—Into a small saucepan put one tablespoonful of olive oil and set over the fire. When very hot break into it three fresh eggs; as they begin to set stir them slightly so as to partially mix the yolks and whites and yet have them show separately. When firm turn out on a dish, garnish with chopped pickles and a little freshly grated lemon peel and serve at once with a French dressing.

SQUASH A LA GREEK.—Take two or three medium-sized white or yellow crook neck squashes; from each cut off an inch from the stem end, then with a spoon carefully scoop out all the seeds, leaving a hollow center. Take a pound and a half of freshly chopped beef; add to it one cupful of dry bread crumbs, one cupful of chopped raw tomato pulp (drained as dry as possible), one teaspoonful and a half of salt, one-third of a teaspoonful of pepper, one tablespoonful of chopped onion. Mix well and fill the squashes with this. Replace the covers and steam until the squashes are barely tender enough to pierce with a straw, then shift to a baking pan and bake in a hot oven for fifteen minutes. Serve with a good tomato sauce.

AT THE PALACE.

The patrons of the Palace theater were last night treated to a unique and entertaining show. Blair and Cristal appeared in a most delightful comedy act that was a mixture of singing, talking and a kid characterization. The singing was good and the comedy was most humorous. This team was followed by Miss Nannie Lewis, a character change artist and singing soprano. The act was well taken and very enjoyable. Though the show was forced indoors by the inclement weather, a large crowd gathered to witness the performances and have their dispositions sweetened from the effects of the gloom outside. This bill will be presented for the last part of this week and with the daily change of pictures offers an excellent hour of amusement to divert the mind from worldly cares and worries.

SEC. RECTOR PREPARES EXPRESS TARIFF SHEET

It is for Convenience of Members of the Retail Merchants Association.

Secretary James E. Rector of the Retail Merchants association has prepared an express tariff sheet for the use of the members of the association. The sheet is the regular form used by the company, showing the rate on merchandise from one to 100 pounds at whatever the rate may be to, or from, a certain city. Mr. Rector has, however, compiled a list of 153 of the principal shipping points in the United States, giving the rate from each city to Asheville for 100 pounds of merchandise. All that is necessary to do to determine the right charge for a package of merchandise is to weigh it, find the rate to, or from, the city in question, run down the rate column to where it intersects with the weight and there will be found the proper charge.

This sheet has been prepared because of complaints on the part of some of the merchants, that they have been charged a higher rate, or for more weight, than was proper. Other cities with their rates may be added to the sheet from time to time.
