## Second Week of Removal Sale Very Special Prices on Table Linens, Etc.

There are still five more days to this Removal Sale. During these five days we will put on sale merchandise that has not been shown up before. Our sale space is restricted, that is, for the size of stock we carry. For this reason we were forced to put out only a portion of our tremendous stock the first week.

To say we are gratified at the results of the first five days is expressing it mildly. We feel that the confidence that brought all these people in will be retained by this sale. Every article bought was in first class condition, our stock at all times is kept fresh and up-to-date. You may hunt through this store a week and you won't find a single thing that is commonly termed a "sticker."

Sometime during the month of September we intend to move the stock from our two stores into the big store on Patton Avenue. This place will be fitted up in a style that will rival larger City Stores for display and excellence of equipment. There are numerous articles that we wish to dispose of before we go. When we enter it will be with an absolutely new stock of Fall goods. That makes summer merchandise in the way. Prices mentioned in this ad should do much to make them go.

When you come in you will find everything marked in plain figures on red tags, so that shopping will be easy and satisfactory.

This sale is for Cash only. Nothing sent on approval, or exchanged at Removal Sale prices. No mail orders or phone orders filled.

## TO RECRUIT BAND TO FORTY PIECES

Uniforms, Instruments, Etc.,  
Furnished—Bandmaster  
Webster's Plans.

The First Regiment band, N. C. N. G., located at Asheville and under direction of Bandmaster C. N. Webster, is to be recruited to 40 pieces and made one of the best bands in the state if not in the south. Mr. Webster has received permission to recruit the band from the present 22 pieces to 40 pieces with the assurance that all equipment, including instruments, uniforms, etc., will be furnished. His purpose is at once to begin the work of recruiting the band from Asheville talent; to make it not only the First Regiment band, but distinctly an Asheville band with every member an Asheville citizen and withal one of the best bands in the south. Mr. Webster believes that there is ample material in Asheville from which to create a 40-piece band and he proposes securing that material. In referring to the matter today he said that all applicants for place in the band would be given a try-out whether they knew anything about band work or not and that from the recruits he expected to secure such material that will insure permanently for Asheville a band of high quality. Recruits for the band will be selected from young men in Asheville who have a desire to enlist in band work and who are permanent residents of the town. With uniforms and all instruments furnished Mr. Webster is satisfied that he will be able to secure material from which he will get a band that will prove not only a credit to Asheville but the entire state.

## INTERESTING SUIT FOR DAMAGES FILED

Mrs. Gentry Demands \$5000 Damages for Alleged Misconduct of Ice Co. Employee.

An interesting suit for damages has been instituted in Superior court here by Mary V. Gentry and J. C. Gentry, through their attorney, former Solicitor Mark W. Brown, against the Storage Supply company and the Asheville Ice company. The plaintiffs demand damages in the sum of \$5000 by reason of the alleged impudence of a negro driver in the employ of the defendant companies.

The complaint sets forth that the Storage Supply company "in order to escape competition" had secured a monopoly of the ice business, increased its capital stock from \$25,000 to \$75,000 and absorbed its two competitors in the manufacture and sale of ice.

also that the company fixed its own price and does business under the name of the Asheville Ice company and appointed, or attempted to appoint sales agents.

It is then alleged that one Lee Woods, colored, was on July 21 in the employ of the defendant company; that Woods, while delivering ice to the home of Mr. and Mrs. Gentry, broke a dish in the ice box, and that when Mrs. Gentry asked the employe to be more careful he used "coarse, abusive, insulting and slanderous language amounting to a charge of incontinency and said that she was not a lady and nothing but 'white trash' and other opprobrious epithets." Mrs. Gentry alleges that she was put in fear of bodily harm and violence.

## FRANK GOTCH IS NOT TO DEPEND ON TOE-HOLD

Hopes to Throw Hackenschmidt Labor Day—He Also Has New Hold.

Humboldt, Ia., Aug. 28.—Frank Gotch will not depend on his famous toe "old to defeat Hackenschmidt at Chicago on Labor day, according to statements made at the Gotch camp. The champion is said to have a new hold which is styled the ankle and thigh lock.

While its exact details have not been made public, a camp follower says: "It has the toehold looking like a plugged nickel. Besides it is easier to execute. Gotch has shown his invention to only a few of his visitors. Unlike the toehold, the ankle and thigh is slapped on entirely with the arms."

It is said that, once obtained, Gotch need only to exert one pound of pressure to get 14 pounds of strain on the subject of his attack on the knee and that one pound of pressure on the thigh point is equal to 22 pounds of strain. The question is, can that marvel of human development—Hackenschmidt—stand such a lever and fulcrum.

Do not allow your kidney and bladder trouble to develop beyond the reach of medicine. Take Foley's Kidney Pills. They give quick results and stop irregularities with surprising promptness. For sale at all druggists.

## ALEXANDER-DAVIDSON REUNION NICE AFFAIR

Descendants and Friends Gathered at Swannanoa Saturday—Addresses.

Many descendants and hundreds of friends of the descendants of two pioneers of this section—Alexander and Davidson—gathered at Swannanoa yesterday in annual reunion. Four generations of the families were on the grounds from the wee one to the octogenarian, and one of the most pleasant occasions in this section for years was enjoyed. The meeting was presided over by Col. James E. Ray and an interesting program of songs and addresses was carried out. The first number on the program was a song, "All Hail the Power of Jesus' Name" by the Bartlett-Rice quartet after which Rev. W. R. McCulla of Charlotte offered prayer. Col. Ray, in dignified manner introduced Foster A. Sondley who delivered an able and scholarly address on the early settlement of the Swannanoa valley and spoke interestingly of the Alexanders and Davidsons and other pioneers. Gen. Theodore F. Davidson delighted the audience with an interesting talk and exhibited many relics. A group picture of the gathering was taken by C. E. Ray of Asheville and the day's program ended with a beautiful picnic dinner spread beneath the great oaks in the grove where the reunion was held.

## Bloody Battle With Bulldog.

Hearing five revolver shots, Policemen kept following a crowd running toward the vacant tenement at 213 East Ninety-seventh street. In the cellar Keep found a big bulldog, dead of five bullet wounds. Near the animal lay Policeman Mattola, bleeding from numerous bites on his legs and hands and nearly unconscious from loss of blood. Keep called Dr. Ritter from Harlem hospital, and Mattola was taken there.

When he revived, Mattola said that he had found the cellar door of the tenement open, and as he stepped inside the dog sprang at him. Then began a fight in the dark, which continued for many minutes. The policeman tried to beat the brute off with his nightstick, but it returned to the attack, gaining a new hold on the policeman's leg.

Mattola got out his gun, but was unable to follow the dog off far enough to shoot at it. While it held to him he feared hurting himself. Repeatedly he beat the dog down with his club and shot at it, but though all the bullets entered the dog's body, the animal continued to fight. When it finally dropped, dying, Mattola also sank exhausted.

## HOW MANY TERMS IS BLACK SERVING?

Contention Made That All His Sentences to Roads Are Now In Effect.

Superior court for the trial of criminal cases adjourned Saturday night about 11 o'clock when many odds and ends of the term were disposed of. One of the important matters before the court just before adjournment was the lodgement of a motion by counsel for Willie P. Black, now serving the remainder of a sentence on the roads following the revoking of a conditional pardon, withdrawing appeals to the Supreme court.

It seems that during the special term of court over which Judge Ward presided in July Black was convicted and sentenced to the roads for 12 months; Black a little later was also convicted in police court of "white slave" traffic and given 12 months. In each case notice of appeal was given. Then Governor Kitchin revoked the conditional pardon granted Black more than a year ago and Black is now serving an unexpired term of 12 months. The sentence by Judge Webb and the sentence in police court were made for one to follow upon the expiration of another term and it is contended that by withdrawing the appeals Black will be serving at one and the same time the 12-month sentence from Superior court, the 12-month sentence from police court, and the 12 months unexpired sentence. In short, that when he has completed serving the unexpired sentence of 12 months as a result of the revoking of the conditional pardon he will have also served the Superior court sentence for retailing and the police court sentence for "white slave" traffic.

The bondsmen have withdrawn as security for appearance for Black and turned the man over to the custody of the sheriff. Black was brought into Asheville Saturday afternoon from the chain gang and presented to the court at the time the appeal was withdrawn.

## PULLMANS ARE PARKED FOR OUT-GOING CROWDS

Southern Railway Getting Ready to Handle Homeward Bound Visitors.

The exodus of summer visitors who have spent several days or weeks in the mountains of western North Carolina will set in this week when the short-season ticket visitors will start homeward. The outward-going vanguard this week will be followed at short intervals by other homeward-bound crowds, and by the middle of September the mountains will be practically deserted by summer guests.

The Southern railway has made ample provision to handle the outgoing crowds just as it handled so comfortably and efficiently the incoming throngs. Eleven Pullmans were parked at the local station Sunday to handle the first of the crowds and other Pullmans, it is stated, will be parked daily, awaiting the pleasure of the returning visitor-crowd.

## BACK HOME MEETING.

Will Be Held in Charlotte September 12—Secretary Roberts Here.

W. D. Roberts, secretary of the "Back Home" movement, is in Asheville for a few days, preparing for the statewide meeting, which is to be held in the interest of the "Back Home" movement in Charlotte, September 12. This meeting is to be held at the Selwyn hotel, at which time it is planned to organize a state association, which will have for its object the bringing back of North Carolinians, who have gone to other states, in the belief that if they can be induced to come here and see the progress that is being made and the opportunities that are open to them, some of them will stay. It is expected that from 300 to 250 people will be present as charter members of the organization.

Mr. Roberts states that he is constantly receiving letters from people in the west full of encouragement and enthusiasm in regard to the movement.

## Memorial Window Contributions.

The friends of the late Captain Thomas W. Patton, who desire to contribute to the memorial window to be erected to his memory in the new Trinity church, building, are reminded that Mr. W. B. Williamson, at the 1014 Wolcott St., Black and Trust company, will also receive their subscriptions.

## FAREWELL SERMON BY DR. W. M. VINES LAST EVENING

Could Not Have Accomplished Much Without Co-Operation, He Says.

Rev. W. M. Vines, D. D., resigned pastor of the First Baptist church of Asheville, preached his farewell sermon to his congregation and to an immense audience at the church last evening. In fact the assembly that packed the great auditorium of the church was the largest perhaps that has heard Dr. Vines during his two pastorates here of several years. Dr. Vines prefaced his farewell sermon by referring feelingly to his pastorates. He said that it was with profound regret that he was leaving his congregation and Asheville, but that he had been called to another field of labor and that he must obey the summons. He said that "if any success has come to me I owe it to you for without your loyal co-operation I could not have accomplished much." Dr. Vines said that he desired to thank all who had aided him in his work in Asheville and said that the "First Baptist church congregation will always be on my prayer list." Dr. Vines took occasion to thank the city press, which he said, had always stood for the right. "Next to the ministry," said Dr. Vines, "the press was the wonderful power for good." Dr. Vines last night selected his text from I John 3:2 and preached an eloquent and powerful sermon.
