HELP CAME JUST IN TIME

Lady in Pierce Relates an Experience of Interest to All Girls and Women.

Pierce, Neb.—Mrs. Dollie Schilowsky, of this place, says: "Cardui did me so much good! I had dreadful backache and dizziness, and suffered from pains in my eyes and in the back of my head, as well as low down in my body."

Sometimes, it seemed like I would die with the pain. I was compelled to see the doctor, but he did not help me. At last, I began to take Cardui, and three bottles gave me great relief. My health is getting better every day.

Other women, who suffer as Mrs. Schilowsky did, should learn from her what to do, to be relieved. Take Cardui. For women's pains, for female troubles, for nervousness, for weakness, it is the best remedy you can use, the most reliable you can obtain.

For over 50 years, Cardui has been helping weak and miserable women back to health and happiness. These many years of success prove its merit.

Pure, strictly vegetable, perfectly harmless, Cardui is sure to help and will leave no disagreeable after-effects. Try it.
