DAVENPORT GUILTY HIGH COURT HOLDS

Trial Court's Judgment Is Upheld in Sensational Forcible Trespass Case.

Gazette-News Bureau, The Hotel Raleigh, Raleigh, Sept. 14.

The Supreme court, in an opinion delivered yesterday afternoon, upheld the trial court's decision convicting T. S. Davenport and others for forcible trespass on the property of the Roper Lumber company.

The case grew out of a sensational fight between the Richmond Cedar works and the Roper Lumber company for possession of a valuable tract of timber land. Davenport, together with a number of his employees, was accused of raiding the camp of the Roper company and destroying its property.

Other opinions were delivered as follows: Owen vs. Hornthal et al., Washington, no error; Sutton vs. Lyons, Currituck, no trial; Swindell vs. Snow, Beaufort, reversed; Taylor vs. Carrow, Beaufort, reversed; Graded School Trustees vs. Hinton, Pasquotank, appeal dismissed; Hinton vs. Hicks, Camden, new trial; State vs. Vaughan, Hertford, new trial; Grant vs. Mitchell, Bertie, new trial; Mills vs. Board of Graded School Trustees of Oxford, Granville, error.

Destroys a Distillery.

Deputy Collector K. W. Merritt of Raleigh destroyed a still 12 miles northeast of Siler City, Monday, and poured out 10 1/2 gallons of beer and five gallons of corn liquor. The still had a capacity of 50 gallons a day. The collector arrested the operator and he will be tried at the fall term of federal court.

School Attendance Increases.

Since the Raleigh public schools opened last Monday, the attendance has continued to increase and it now appears that the enrollment will be as large as that of last year. Since no child will be admitted without a certificate showing vaccination, the record this year is considered unusually good. There is more or less prejudice against vaccination, but the school authorities felt that it was the best policy and have persevered in their intention to protect the health of the children. Other schools in the county have followed this course.

It is expected that the new \$5000 pipe organ at the Tabernacle Baptist church will be ready for use Sunday. Workmen are busy installing it and members of the church are awaiting its installation with interest. It is said to be one of the finest in the state.

Aquitted of Murder Charge.

Zack Marks, acquitted in Harnett county Superior court Tuesday night of the murder of Charlie Ellen nine years ago, is held in the fillington jail at the request of the Florida authorities, who want him for alleged improper relations with his step-daughter. Marks was arrested on information furnished by his wife that he had a lead man in North Carolina, and the Florida authorities, who held him in that state on a less serious charge, waived their rights and turned him over to the sheriff of Harnett county. Sheriff J. B. Lanier of Harnett county, who is in Raleigh, said that he received a telegram from Florida asking that Marks be held. It is thought regulation papers will be obtained and the man carried back to Florida to answer to this charge.

Mrs. Nellie Claire Fleming and her sister, Miss Pauline Crouch, left yesterday afternoon for Smithfield, where was begun the hearing of the petition of Mrs. Fleming for the recovery of her two children. Accompanying Mrs. Fleming was her chief counsel, Col. John W. Hinsdale. Percy B. Fleming, the husband, and his counsel, left here earlier.

CAPTURES A GIRL AT PISTOL'S POINT

Canadian School Teacher Held Prisoner in the Woods for 30 Hours.

WHOLE COUNTRYSIDE SEARCHING FOR MAN

Girl Returns After Absence and Tells Story of Inhuman Treatment.

Snowflake, Man., Sept. 14.—Work on farms and in the neighboring towns has been suspended while the men continue the search for Henry E. Wilson, of Haines, N. D., who is alleged to have kept Miss Eleanor Gladys Brice, a school teacher, prisoner for thirty hours in the forest.

Wilson was last seen at Pembina bridge last night and it is feared he has escaped over the international boundary line. The blood hounds are working well and the posse are still in pursuit.

Premier Roblin, of Manitoba, and Miss Brice, arrived here today and has joined in the manhunt. The condition of Miss Brice is improved. Search for Miss Brice was begun yesterday morning when she failed to appear at the Riverside school which she has been teaching. There was evidence at the school building of an attack upon the young woman, evidently committed the previous night, but she could not be found.

Last night Miss Brice unexpectedly returned to the Patterson home near Riverside, where she had resided. The young woman was hysterical and bore evidences of having suffered inhuman treatment. It was with great difficulty that she related her experiences.

On entering the school house the searching party discovered what appeared to be evidences of a desperate struggle. There was blood in many places and fragments of torn clothing. An alarm was immediately raised. On a small bluff about fifteen yards from the school house parts of the girl's clothing were found as well as a bottle, which had contained whiskey.

The Girl's Return.

The return of Miss Brice last evening was dramatic. She was laboring under great excitement and appeared to be in a dazed condition. Her face was badly battered, where her assailant had repeatedly beaten her. Miss Brice stated that the ruffian had guarded her for 30 hours with a loaded rifle and that she had only been able to escape when he told her to go.

She was seated in the school room, she said, when a man said to be Henry Wilson, suddenly appeared in the doorway and pointed a rifle at her. She told him to shoot. A struggle followed and Wilson hit the girl over the head with a bottle and then carried her into the woods.

After a time he compelled her to walk and they traveled deeper into the woods. Here Wilson lit a fire and the terrified girl spent the long night with Wilson watching her every move and threatening to shoot at the first outcry from her. All night long she moved about to keep warm, and watching for a chance to escape, but the menacing rifle prevented. At 7 o'clock in the morning Wilson finally consented to allow her to return home.

"Don't go and tell them," was his parting warning. "I'm sorry this happened."

Then he left her and she made her way back to the Riverside settlement.

SOUR, GASSY, UPSET STOMACH REGULATED

Just a Little Diapepsin Ends Indigestion in Five Minutes.

The question as to how long you are going to continue a sufferer from indigestion, Dyspepsia, or out-of-order stomach is merely a matter of how soon you begin taking some Diapepsin.

If your Stomach is lacking in digestive power, why not help the stomach to do its work, not with drastic drugs, but a re-enforcement of digestive agents, such as are naturally at work in the stomach.

People with weak stomachs should take a little Diapepsin occasionally, and there will be no more indigestion, no feeling like a lump of lead in the stomach, no heartburn, sour risings, gas on stomach or belching of undigested food, headaches, dizziness or sick stomach, and, besides, what you eat will not ferment and poison your breath with nauseous odors. All these symptoms resulting from a sour, out-of-order stomach and dyspepsia are generally relieved in five minutes after taking a little Diapepsin.

Go to your druggist and get a 50-cent case of Pape's Diapepsin now, and you will always go to the table with a hearty appetite, and what you eat will taste good, because your stomach and intestines will be clean and fresh, and you will know there are not going to be any more bad nights and miserable days for you. They freshen you and make you feel like life is worth living.

LIGHT DOCKET

Only Two New Cases in Police Court—Assault Case Was Concluded.

The police court docket was extremely light this morning, only two new cases being called. One of these was a drunk and the defendant was fined \$2 and the costs. The other was a vagrancy charge and the defendant was turned loose. The assault case, which was started yesterday, in which Frank Means and J. A. Porter were charged with an assault on each other, was concluded and each was taxed with the cost. Many witnesses were called by both sides and the prosecution in the case was fully gone into. Judge Adams decided that it was a case where both men had a right to fight it out and he thought the costs were sufficient punishment for both.

SCENE IN "POLLY OF THE CIRCUS" AT THE AUDITORIUM, SEPT. 13, MATINEE AND NIGHT.

"Polly of the Circus."

Mrs. Ida St. Leon and her entire family of acrobats, bareback riders and jugglers will be seen in Frederic Thompson's big production of "Polly of the Circus" at the Auditorium on Monday, matinee and Monday night, September 14.

This highly interesting and captivating romance of the little circus rider and the minister forms one of the most pleasant and entertaining plays of the season. The story of the play is rather novel and it has that which holds the heart strings and invites even the jaded taste to a simple revel in romance. It is a piece that one can see a dozen times and so away with laughter and tears. Its story is well told and beautifully framed. The scenic production is most elaborate and the circus scenes, true to life, with acrobats, clowns,

tumblers, bareback riders and ringmasters; also horses, dogs, ponies. "Polly" will win her way into the hearts of her audience with her sweet and tender manner. The many characters of the play are all in capable hands. Watch the parade. After the matinee performance on Monday afternoon, a reception will be held upon the stage for the children in order to give the "little ones" a chance to romp and play with "Polly" and the ponies.

Tickets will be placed on sale for both performances Friday at 3 a. m. at Whitlock's clothing store.
