CITY LABORATORY WILL BE PROVIDED

Aldermen Act Favorably on Request of the Board of Health.

POWER CO'S FRANCHISE IS EXTENDED 30 YEARS

Several Special Requests and Routine Matters Disposed of and Considered by the Board.

At the meeting of the board of aldermen last night the recommendation of the board of health, that a city laboratory be established, was voted on and was carried with some opposition, three aldermen voting against the measure; and it was ordered that it be placed in charge of L. M. McCormick. Several other matters of interest and considerable routine business were disposed of.

The board granted the request of Secretary Gudgeon of the Western North Carolina fair association, that the city furnish water free for the fair this fall, for drinking water for the people and live stock. The request that the expert shots of the Winchester Arms company be permitted to give exhibitions was referred to the public safety and police committees.

The request of E. C. Chambers that the city pay the expenses of two Asheville representatives to the meeting of the Appalachian Good Roads association, which will be held in Roanoke during the first part of October, was not acted on, although the board expressed willingness that the board of trade pay the expenses. Mr. Chambers stated that by having Asheville represented the city will have a good chance of securing the meeting of the association for next year.

Ask Rescinding of Automobile Tax. There were before the board three representatives of the Asheville motor club, asking that the \$2 automobile tax be rescinded, that ordinance be passed requiring all vehicles that appear on the streets after dark to be provided with lights; and that the street between Smith's corner on Charlotte street and beginning of the road to Sunset mountain, be graded and improved. The consideration of the tax matter was deferred until next week; the second request was tabled and the third was referred to the street committee.

To the street committee was also referred the request of Dr. Ambler that the west side of Haywood street be provided with a sidewalk from the government building to French Broad avenue.

The report of the committee which inspected the trail to Mt. Mitchell was read and filed. Concerning its effect on the Asheville watershed in certain places, Alderman Sikeleather stated that he did not think that it would injure it in any way.

The ordinance, which allows the Carolina Electrical Power company to extend its franchise 30 years from next month, passed its final readings and changes in the laws relating to the automobile numbers and the building laws passed their final readings and became laws.

Water lines were ordered on Blackwell's alley and Jordan's alley; Charlie Reynolds requested that a colored policeman be employed in the east end but it was considered inadvisable to take this action.

The salary of the assistant meat inspector was increased \$10 per month. L. M. McCormick, chief of the sanitary department, was instructed to open the office of the department at 9 o'clock in the morning instead of at 8 o'clock as now obtains.

Fire Chief J. H. Wood notified the board that he will be unable to attend the meeting of the Fire Chiefs of America, which is to be held in Milwaukee soon, on account of other business. H. H. Luther was elected trustee of the firemen's relief fund.

To the street committee was referred the request of the property owners on Highland street, for sidewalk; and the board granted the petition of residents of Clayton street that the laying of a sidewalk on that street be deferred.

It was ordered that Arlington be provided with sewer and water line for its entire length, after which it is to be laid with bitulite pavement.

The session at Riverside park being over, Park Policeman Ingle was transferred to the regular force, filling the position of Patrolman Sprouse, who was recently promoted to the captaincy left vacant by the resignation of Captain F. M. Jordan.

Building permits were granted as follows: Mrs. M. E. Hill, repairs to building on South Main street, estimated cost, \$1000.

W. Vance Brown, one-room addition to house on Cumberland avenue, estimated cost, \$290. C. M. Hampton, contractor, alterations to building belonging to the Cose estate situated on Battery Park Place.

Julius A. Dockery, two-room addition to house on North Main street, estimated cost, \$100. F. A. Donahue, five-room residence on Bird street, estimated cost, \$2900. C. F. Ray, alterations in studio, on North Pack Square, estimated cost, \$500.

CITY NEWS

Revenue Agent Sams has received the report of the seizure of an illicit distillery in Rutherford county by Special Employee Kanipe.

Rev. G. H. Christensen of Biltmore Methodist church will preach at the Christian church tomorrow morning at 11 o'clock. The public is invited.

R. P. Hayes, manager of the farm implement department of the Western North Carolina fair, requests that those who desire space reserved in this department will write to him by September 20.

The Asheville Bar association will meet in the Federal Court rooms at 3 o'clock in the afternoon Monday, September 18. The election of officers will be held and all members are asked to be present.

Deputy Collector R. F. Henry of the revenue service, who was shot through the lungs some weeks ago by moonshiners while making a raid in Wilkes county, was in Asheville yesterday and has resumed his work, having about recovered.

All who have money collected for the Mission hospital are requested to deliver it to Mayor Rankin at the Battery Park bank. This means the money in the banks as well as any loose cash. Some of the churches will take collections tomorrow.

The management of the Western North Carolina fair has been informed of the existence of a giant "candy roaster," which was raised by John Freeman on upper Beavertown, which may be exhibited at the fair. It is said to be about 36 inches long and about 10 inches in diameter.

The Queen & Crescent railroad has advised the board of trade that a package car freight service has just been inaugurated by that road out of Cincinnati to 35 of the leading cities of the south, including Asheville, giving the same service for local shipments as for car-load shipments.

The two other retailing cases against X. B. Lange, which were continued on Wednesday morning until today, were again continued until next Saturday, on account of the absence of the two prosecuting witnesses. Col. Lusk stated that the subpoenas have been issued for them and sent to the sheriff of Madison county; but one of the men lives on the forks of Ivy and it was his opinion that he had not been reached. The case was continued for a week because Judge Jones, appearing for the defendant, stated that he will probably be out of town until "then and wished to be present at the trial.

A preliminary hearing in arrest and bail proceedings was heard before Clerk of the Court Marcus Erwin this morning, in which J. B. Johnson claims damages to amount of \$7000 from P. M. Jean and wife for alleged fraud and misrepresentation. Complaint was made in this case several weeks ago and bond was fixed at \$7000. The hearing this morning was for the purpose of presenting the two sides of the case and reconsidering the amount of the bond. After hearing the evidence Mr. Erwin ordered that the amount of the bond be reduced from \$7000 to \$500. Wells & Swain and Arch. D. Monteath appeared for the plaintiff and Judge J. D. Murphy and Craig, Martin & Thomason for the defendant.
