You men and women who somehow can't get feeling right-who an almost daily headachs, coated tongue, foul taste and foul breath, diz-ziness, can't sleep, are nervous and upset, bothered with a sick, gassy, dis-ordered stomach, or have backache and feel all worn out.

Are you keeping clean inside with Cascarets-or merely a passageway every few days with salts, cathartic pills or castor oil? This is important Cascarets immediately cleanse and regulate the stomach, remove the sour undigested and fermenting food and foul gases; take the excess bile from the liver and carry off the dec omposed waste matter and poison from the intestines and bowels,

A Cascaret tonight will straighten you out by morning-a 10c box will keep your entire family feeling good for months. Don't forget the children-their little insides need a good, gentle cleansing, too.
