### THE WRONG DIAGNOSIS.

Prompt the Use of Worthless Remedies.

Even an experienced physician will sometimes make a mistake in diagnosis, in which event his entire treatment is wasted and may even be injurious to the patient.

The advocates of all other hair restoratives save Herpicide have wrongly diagnosed the cause of Dandruff and Falling Hair.

They figure on a functional disease whereas it is now known and generally accepted that hair loss is due to a parasitic germ which Newbro's Herpicide destroys.

There is no substitute for Herpicide, accept none.

from Jacksonville to Bridgeton, Conn., with a cargo of pit-pine, was caught in the hurricane Sunday, September 17, and sprung a leak. The gale continued unabated and by Tuesday she had settled so low that the great seas broke over her cabin. That night the two masts went by the board and from then until Thursday, when the Cacique hove in sight, the crew were obliged to cling to the foremast rigging for their lives.

### AFTER STEALING MONEY EASILY MAKES ESCAPE

#### A Negro Takes Bag from Tighe Residence—Was Not Captured.

Last night about 8 o'clock the house of R. J. Tighe on Orange street was entered by a negro man who, while the family were sitting in the library took a hand bag from the hat rack, containing some money and a handsome cameo, and made his escape out the front lawn. He also passed across the lawn of adjoining houses while people were sitting on their verandas enjoying the cool evening.

The circumstance of the robbery, as related this morning, are that the family had just finished dinner and were sitting in the library. The nurse was eating in the dining room and suddenly saw a man's arm reaching toward a hand bag hanging on the hat rack. For a moment she did not realize what was going on and then she called out to the man and asked him what he was doing. He replied very civilly that he was simply taking the bag. The nurse gave the alarm and the man rushed out the front door. The nurse had a good view of him and says that she can identify him.

The police department was immediately notified but when the men arrived there was no trace of the negro. He was seen by several of the neighbors but there were no men near to stop his hasty retreat. The floor of the veranda he ran across was freshly painted and it is possible that this may help lead to his apprehension, by the paint marks on his shoes.

So far only the hand bag has been missed but the neighbors say that the negro carried something else. It may be, however, that if he had something else it was taken from another house as it is reported that several small thefts from front halls

### MEETING OF PRESBYTERY OF THE FRENCH BROAD

#### Evangelistic Services to Be Held in Near Future—Pastorates to Be Supplied.

At the recent meeting of the Presbytery (U. S. A.) of French Broad, held in the College Hill church, Asheville, Rev. F. P. Huber of the Brevard church at Walnut was chosen moderator and Rev. H. P. Sanders of Reems Creek, clerk. The opening sermon was preached by the retiring moderator, Rev. C. A. Duncan, D. D., of Knoxville, the superintendent of the home mission work in the synod of Tennessee. Dr. Duncan called attention to the fact that a great many strong men have come out into the larger world from these mountain homes, schools and churches, and that many of them are filling positions of trust and honor.

The annual sermon was preached by Rev. Thomas Lawrence, D. D., for so many years at the head of the Normal and Collegiate institute. Dr. Lawrence spoke eloquently and instructively upon "The Inspiration of the Bible." There was a large and interesting congregation. Various items of routine business occupied most of the time. The reports show that the Stanley McCormick school at Burnsville, the Presbytery's academy, is in good running order, a new principal being in charge. Prof. Childs of the Normal and Collegiate institute was made a trustee. Evangelistic services will be held in the churches of the Presbytery sometime during the winter or spring. Several fields now without ministers will soon be supplied. The people of Asheville outdid themselves in their hospitality. The spring meeting of the Presbytery will be held in the Oakland Heights church, Asheville.

### COURT STILL ENGAGED WITH VOSHEL CASE

#### Next on Docket is Cherokee Marble Works vs. Arthur C. Goodwin.

Superior court is still engaged in the case of Vosshell vs. Railways Construction and Securities company, which began Monday afternoon and which concerns the ownership of certain iron rails. The evidence in the case was finished yesterday afternoon and the arguments began this morning but had not been concluded when court took recess at noon. Thomas S. Rollins and Judge James H. Merriam had concluded their arguments and J. C. Martin will finish his this afternoon, after which there will be arguments by attorneys of the county.

The next case on the docket is that of Cherokee Marble works vs. Arthur C. Goodwin, but this will likely not be gone into today. In this case it is charged by the plaintiff that Goodwin was employed at a certain salary on condition that he was to turn in a stipulated amount in orders during a period of six months, for which he was employed. It is contended that toward the latter part of his employment he turned in orders which were not bona fide.

### RESCUED AT SEA

#### Crew of Sinking Ship Face to Face With Death for Two Days.

New York, Sept. 28.—Details of the wreck of the three masted brigantine Stephen G. Hart of New London, Conn., whose captain and crew of eight men were rescued during a hurricane September 21 by the steamer Cacique and taken to Bermuda, have been received by United Wireless from the steamer Bermuda which is bringing the unlucky mariners to New York.

The vessel, according to the message, was a derelict when sighted by the Cacique, and the crew had been clinging for two days to the rigging of the foremast which had survived the force of a gigantic wave that swept the main and mizzen masts overboard.

The brigantine, which was bound

### Caton-Sampson.

A very beautiful wedding took place last evening at the home of Mrs. E. A. P. Zeigler on Hillside street when her niece, Miss Gertrude E. L. Caton, daughter of Mrs. G. M. Caton and the late Rev. Irwin Lewis Caton of Philadelphia, was united in marriage to John Edwards Sampson of Harlan, Ky., son of Judge John E. Sampson of Middleboro, Ky. The ceremony was performed by Rev. Leighton Wilson Eckard, D. D., of Philadelphia, assisted by Rev. Carl Theodore Michel of Harlan, Ky. The bride was beautifully gowned in white lace over satin. Her veil was held in place by a wreath of orange blossoms and she carried a shower bouquet of brides roses. Miss Irwin Lewis Caton, in pink satin, and Miss Mary Virginia Sampson, in pink crepe dechaine, sisters of the bride and groom, were maids of honor.

The groom was attended by his brother, Reid Sampson of Michigan. The bride was given away by William Baird Norris of Altoona, Pa. Miss Margaret Sampson of Middleboro, Ky., and Miss Myra Weisinger of Mississippi were ribbon bearers. The wedding march was played by Miss Linda Schartie. The ceremony was performed in the sun parlor, which was beautifully decorated with palms and pink dahlias. Mr. and Mrs. Sampson were the recipients of many beautiful and valuable gifts, and left for Louisville on the 10:50 train. The out of town guests were: Mr. and Mrs. W. B. Norris of Altoona, Pa.; Rev. and Mrs. L. W. Eckard of Philadelphia; Rev. Carl T. Michel of Harlan, Ky.; Reid Sampson of Michigan; Misses Mary and Margaret Sampson of Middleboro, Ky.; Miss Virginia Wheel of San Antonio, and Rev. George Watson of Mount Vernon, Ky. Among the guests from the city were: Capt. and Mrs. John E. Ray, Miss Ethel Ray, Mr. and Mrs. Charles Webb, Dr. and Mrs. Calloway, Dr. and Mrs. Meacham, Mrs. Weisinger and Miss Myra Weisinger, Mrs. Stephen Cain, Judge and Mrs. Shuford, Mrs. Morris Lazarus of Cincinnati, Misses Linda and Helen Schartie, Dr. and Mrs. Robert F. Campbell, Mr. and Mrs. Robert F. Campbell, Mr. and Mrs. James Bledsoe, Mr. and Mrs. Frank Smith, Mrs. Alice B. Lance, Misses Osborne, Stevenson, MacNeil, Houston, White and Hickok.

### Smith-Davis.

A pretty church wedding was solemnized last evening in the Presbyterian church at Marshall, when Miss Emma Craigmieles Smith was married to Warren T. Davis. The pastor of the church officiated. The decorations for the occasion were palms, evergreens and ferns. A large crowd of relatives and friends filled the church to witness the ceremony. Miss M. E. Hood played Lohengrin's wedding march upon the entry of the bridal couple. The Rosary was beautifully rendered, while the ceremony was being performed, and the bridal party left the church to the accompaniment of Mendelssohn's wedding march. The bride was given away by her brother, A. S. Smith, and Hugh Lance accompanied Mr. Davis to the altar as best man. Miss Runlon, a cousin of the bride, was maid of honor. The groomsmen were Walter Dungan of Elizabethtown, Henry Alexander of Newport, and O. S. Craigmiles and R. H. Triplett of Marshall. Clarence Gage, Ray Gudgeon and Sylvanus Chandler acted as ushers. Master Lawrence McElroy and little Miss Louise Ebb preceded the bride. After the wedding ceremony an informal reception was held at the club house, and Mr. and Mrs. Davis left immediately for their home in Hot Springs. Mrs. Davis is a popular member of Hot Springs' social circles and Mr. Davis is cashier of the Citizens bank of that place. Both are well known in this section and will receive the hearty good wishes of their numerous friends.
