movement is now on foot Asheville to organize a temple of Pythian Sisters. This order is related to the Pythian lodge in about the same way that the Eastern Star is related to the Masonic lodge. present there is no organization in this state and it is the object of the organizer to form the first temple in the state in this city.

The organizer is Mrs. Jennie E Dreeson of Savannah, who has been in the city for several days, working out the preliminary plans. Mrs. Dreeson is the official organizer of North Carolina and has had wide experience in the work, having organized the first temple in Georgia, at Savannah, six years ago. Mrs. C. C. Myers of Asheville has been ably assisting her here in the preliminary work and numbers of ladies in the city have been seen and have signed the charter. A call-ed meeting of these ladies will be held in the Pisgah lodge room tomorrow afternoon at 5 o'clock, and all ladies interested in the movement are cordially invited to attend. It is hoped to institute the temple

Members of the Pythian lodge may belong to this temple as honorary members, and a number of Asheville Pythians have already decided to join the temple when it is instituted.

Miss Loughran is one of the most popular members of Asheville's young er set and she will be greatly missed by her numberiess friends here. Mr. Gill is a business man of New York Ridge to attend the automobile school and the young couple will reside in at that place.
