We Thank Our Many Customers for the Patience They Showed While We Were Jaking Stock.

# The Bon Marche Opened in Its New Store on Patton Avenue This Morning at 9 O'clock

Last week was a busy one for the Bon Marche; taking stock, moving, placing stock, etc. We really did not know how extensive our assortments were until we moved. The three floors of the large building we occupy, comprising some 22,000 square feet, are filled to the brim, with choice merchandise,

We have prepared for the selling first. Later, the exact date to be announced, we will have our formal opening.

The growth of this store has been natural and will continue to be so We have opened up all the new Fall goods and they are on display today. Plenty of salespeople to handle your trade.

We intend to give our customers what is their due: efficient service. This can best be done in a departmentized store, as the Bon Marche will be in the future.

The Annex, with its beautiful line of Fall Apparel has been moved, and in addition to what we have been receiving for the past week, will be shown on the second floor,

A fine line of Trunks and Suit Cases are being shown on the third floor front.
