## ROBERTS UNBALANCED, HIS FRIENDS BELIEVE

Brought Here Today from Marshall on Warrant Charging Embezzlement.

H. F. Roberts was brought here this morning from Marshall by the sheriff of Madison on a bench warrant issued by Judge Lane yesterday on a charge of embezzlement, which is alleged to have occurred several months ago. Roberts is the man who was arrested at Marshall last week on the charge of swindling some man in Kansas and it is said the Kansas officials were intending to get requisition papers for him. There was a charge against Roberts here, however, and it will be disposed of before he can be taken to Kansas. The friends of Roberts think he is mentally unbalanced. The warrant was issued on the affidavit of a representative of the Illinois Surety company and was to the effect that Roberts had embezzled \$100 from the Union Mutual Life Insurance company, while he was working for that company. The Surety company bonded Roberts. The hearing is set for October 21 before Magistrate Gudge.

## RECEIVER NAMED

Asheville Hardware Company's Affairs Placed in Hands of J. E. Rankin by Court.

The Asheville Hardware company, organized in 1897 for retail and wholesale trade, and which recently moved its place of business from Pack square to North Main street, has gone into the hands of a receiver, Mayor J. E. Rankin having been appointed to this position yesterday by Judge Henry P. Lane.

The application for a receiver was brought by the National State and City bank of Richmond as a creditor and W. R. Ellerson as a stockholder. The former is understood to be the largest creditor of the concern, the amount due them being about \$22,500. The total liabilities of the company are about \$90,000, it is said, and it is thought that the assets will fully cover this amount.

Mayor Rankin will assume the receivership at once, and if success is met with in getting good prices for the stock on hand and in collecting the debts of the company, it is certain that very little will be lost by the creditors.

## TAKEN TO THE HOSPITAL

After Operation Failed to Help, Mrs. Kendrick Found That Cardui Made Her Well.

Jonesville, S. C.,—"I suffered with womanly troubles," writes Mrs. J. S. Kendrick, in a letter from Jonesville, "and at times I could not bear to stand on my feet."  
The doctor said I never would be any better, and that I would have to have an operation, or I would have a cancer.  
I went to the hospital, and they operated on me, but I got no better.  
They said medicines would do me no good, and I thought I would have to die.  
At last, I tried Cardui, and I began to improve, so I continued using it. Now, I am well, and can do my work. I don't feel any pains. Cardui worked like a charm.  
There must be merit in this purely vegetable tonic remedy for women—Cardui—when it will help such an apparently hopeless case as this. Its ingredients are mild herbs, with a gentle, tonic effect, on the womanly constitution.  
If you suffer from any symptoms of womanly trouble, take Cardui. It will help you to get well.  
Cardui goes to the spot—reaches the trouble—relieves the symptoms, and drives away the cause.  
Have you tried it? If not, do so. It may be just what you need.  
N. B.—Write to: Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn., for Special Instructions, and 64-page book, "Home Treatment for Women," sent in plain wrapper, on request.
