ALL DRUGGISTS

MAY HAVE 15 DAYS TO FILE COMPLAINTS

Superior Court Was Taken up Today Hearing Motions and Signing Judgments.

Superior court was taken up altogether today with hearing motions and signing judgments. Judge Lane made a general order to the effect that in all cases where pleadings have not been filed the plaintiffs may have 15 days to file complaints and the defendants 15 days additional to file answers. He signed an order in the case of Battery Park bank et al. vs. Western North Carolina bank et al. that the money which W. B. McColl, deceased, had on deposit in the Western North Carolina bank be paid over to the clerk of court, there being no administrator for the estate. By consent a judgment was signed in the case of Cora Lamb vs. Asheville Electric company, by which the plaintiff is to recover of the defendant the sum of \$500.

In the case of Sherman Patterson vs. Asheville Steam Laundry, in which the jury had awarded the plaintiff \$2000 for personal damage, the defendant's motion for judgment was sustained.

Judgments have been signed in all the city assessment cases, some of these being tried by jury and others compromised. In the case of Louisa Friendman it is ordered that the defendant recover of the city the sum of \$3700 damage, caused by the widening of College street. The Chedester case, in which benefits were assessed, was settled, the city to recover the sum of \$420. The city is to recover of the Pleasant estate the sum of \$300; of J. E. Hampton, on one lot \$225 and on another, nothing; of F. M. Weaver, nothing on five lots on Lexington avenue; this case was tried by jury; of M. S. Reynolds, \$382, also tried by jury; of Alice T. Connally \$600; and of Jane C. Spears, \$472.50. Other motions will be heard this afternoon and tomorrow the motions will be heard in the case of Luther vs. Luther. Court adjourns tomorrow.

POSTAL SAVINGS BANK OPENS HERE TOMORROW

Rules for Depositors—Deposits Will Be Received at Money Order Window.

The Postal Savings bank will be opened in this city tomorrow. Joseph C. Bradford will be the manager and the business of the bank will be conducted through the money-order window. For the first week the daily results as to deposits will be wired to the postmaster general. These deposits may be made by any person over the age of 10 years, and all accounts are kept in the strictest privacy. An account may be opened for \$1 and all deposits must be made in fixed amounts either \$1, \$2, \$5, \$10, \$20, \$50 or \$100. Deposit certificates will be issued for these and are neither transferrable nor negotiable. No depositor is allowed to deposit more than \$100 during a calendar month nor can he have more than \$500, exclusive of interest, on deposit at one time. Also, only one account can be carried at once.

All accounts must be opened by the depositor in person and no account may be opened in trust, one person for another.

The Citizens bank has been designated as the depository for the new bank.

HELP CAME JUST IN TIME

Lady in Pierce Relates An Experience of Interest to All Girls and Women.

Pierce, Neb.—Mrs. Dollie Schilowsky, of this place, says: "Cardul did me so much good! I had dreadful headache and dizziness, and suffered from pains in my eyes and in the back of my head, as well as low down in my body. Sometimes, it seemed like I would die with the pain. I was compelled to see the doctor, but he did not help me. At last I began to take Cardul, and three bottles gave me great relief. My health is getting better every day. I can recommend Cardul to suffering women, for it helped me wonderfully. It is a wonderful medicine."

Other women, who suffer as Mrs. Schilowsky did, should learn from her what to do, to be relieved. Take Cardul.

For women's pains, for female troubles, for nervousness, for weakness, it is the best remedy you can use, the most reliable you can obtain.

For over 50 years Cardul has been helping weak and miserable women back to health and happiness. These many years of success prove its merit.

Pure, strictly vegetable, perfectly harmless, Cardul is sure to help and will leave no disagreeable after-effects. Try it.

South Carolinians Hold Cotton.

Columbia, S. C., Oct. 13.—The cotton holding movement in South Carolina has made great progress according to statements made by E. J. Watson, state commissioner of agriculture and president of the Southern Cotton congress, in a letter to C. S. Barrett, president of the National Farmers' union. Mr. Watson says that if the holding movement in all the other states were as well organized as in South Carolina, there would not now be a 9 1-2 cent cotton.

SWAIN COUNTY PEOPLE WANT INDIAN'S CLOTHES

Life of French's Grandfather in Danger—Indian Retracts Confession.

A message was sent yesterday to Ross French, the young Cherokee Indian, who is in jail here, charged with the murder of Miss Ethel Shuler in Swain county about two weeks ago, and who narrowly escaped being taken by a mob, to the effect that he had better send word to his grandfather to give up the clothes Ross was wearing when he is supposed to have killed the girl, because there is danger of his grandfather being lynched if he does not. It was thought at the time that French had disposed of the clothes and the supposition is that they are bloody. It seems that the people think the grandfather has them and are determined to get them for proof, and he, with the stoicism of the Indian, refuses to do so until his grandson tells him to.

The jail authorities say that French, who confessed to an officer that he committed the crime, now declares that he did not kill the girl although he says he held her hand while his friend, Bill Craig, another young Indian, cut her throat. Little credence, however, is placed in his statement. He declares that he received \$50 for his help and aided Craig in his escape, returning to his home to be arrested by the officers, while Craig made good his escape. It now appears that he would be very glad of Craig's capture.

IVER JOHNSON BICYCLES.

The Iver Johnson has been manufactured continuously for more than twenty-seven years. Its reputation as a high grade bicycle stands higher than any other make. We have sold them for nine years and have yet to see the first Iver Johnson with a broken crank, front fork or fork crown. We do not believe there is another bicycle in the world that can produce such a record. When you take into consideration that the Iver Johnson costs no more than the ordinary bicycle sold by others, can't you see the great advantage in buying an Iver Johnson?

MEMORIAL EXERCISES HELD AT CHAPEL HILL

Faculty, Students and Alumni Celebrate 118th Anniversary of Laying the Cornerstone.

Special to The Gazette-News.

Chapel Hill, N. C., Oct. 13.—The faculty, student body, alumni and trustees of the University of North Carolina yesterday joined in the celebration of the one hundred and eighteenth anniversary of the laying of the corner stone of the institution.

A long procession, gay with flags and pennants, formed at alumni hall at 10:45 in the morning and marched to memorial hall, where the exercises began at 11 o'clock. The invocation was spoken by Dr. W. S. Long and then the University hymn was sung. This was followed by the annual report of President F. P. Venable. Two short addresses were made by C. D. Hogue, on behalf of the professional students, and L. N. Johnston, on behalf of the undergraduates. The principal address of the day was delivered by Dr. C. Alphonso Smith, formerly of the faculty here and now connected with the University of Virginia. He spoke in his usual eloquent manner and held his hearers spellbound for more than an hour.

Following this address a number of college songs were sung by the students, and then Dean E. K. Graham read the list of the sons of the university men who have departed this life since the last anniversary exercises, with a short sketch of the life of each. The audience then sang "Integer Vitae" and the benediction was pronounced by Dr. Long. Dr. Venable's annual report was the most interesting part of the program to those who hold the success of the university dear to themselves, and his report of great advances in all lines, with the promise of greater equipment at an early date, was enthusiastically received both by the students and the alumni.
