SHE HAD CONSTANT PAIN

Until Relieved by Lydia E. Pinkham's Vegetable Compound.

Dewittville, N. Y. — "Before I started to take Lydia E. Pinkham's Vegetable Compound I suffered nearly all the time with headaches, backaches, and bearing down pains, and had a continuous pain in my left side. It made me sick if I tried to walk much, and my back was so weak that I was obliged to wear a corset all the time. But now I do not have any of these troubles. I have a fine strong baby daughter now, which I did not have before taking Lydia E. Pinkham's Vegetable Compound." Mrs. A. A. Gilles, Route 44, Dewittville, N. Y.

The above is only one of the thousands of grateful letters which are constantly being received by the Pinkham Medicine Company of Lynn, Mass., which prove beyond a doubt that Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, actually does cure these obstinate diseases of women, and that every such suffering woman owes it to herself to at least give Lydia E. Pinkham's Vegetable Compound a trial before submitting to an operation, or giving up hope of recovery.

Mrs. Pinkham of Lynn, Mass., invites all sick women to write her for advice. She has guided thousands to health and her advice is free.

AMUSEMENTS

"Mutt and Jeff."

The announcement of a new Gus Hill production is always sure to create unusual interest. In this particular instance, Mr. Hill has outdone all his previous efforts in the theatrical way by giving the public something new. The name of the attraction which will hold the boards at the Auditorium theater tonight is "Mutt and Jeff" and is founded on the famous cartoons by Bud Fisher. "Mutt and Jeff" figure in a three-act musical comedy and their escapades and adventures form the basis of an interesting and engrossing entertainment. Surrounded by a capable supporting company, excellent scenic and mechanical effects and a beauty chorus of acknowledged supremacy, the "two funny fellows" have plenty of opportunity to dominate, and they do so to the queen's taste. As in the original comics, "Jeff" is the bluffer, he is subservient to the whims, caprices and wiles of the ever scheming "A. Mutt" who besides being a plottier of fortune is a plotter of mischief. "Jeff" gets the worst of the argument, naturally, but while ignorance is bliss in his case his antics are not without some particular interest. At any rate the twain excite laughter and the mission of the author is therefore fully sustained.

The production is on the pretentious, ambitious order. The costumes are gorgeous and the other details are blown in his case his antics are not without some particular interest. At any rate the twain excite laughter and the mission of the author is therefore fully sustained.

Creator's Band.

Signor Giuseppe Creatore, the Italian maestro, and his band will appear in this city tomorrow night at the Auditorium, and a record-breaking crowd is expected to greet this noted organization. His program will be a varied and interesting one from start to finish. In his operatic selections Signor Creatore seems to give up his artistic and dramatic soul, becoming absorbed with the sentiment and emotion of the music he enacts in all for his men to follow with inspirational conception. He makes each individual instrument respond to his own sympathetic personality and there is consequent unanimity among the musicians to be found in no other orchestra. It is to him that all the following are a few of the endorsements of the press from ocean to ocean secured by Sig. Creatore and His Band:

New York World: "Creator received the most remarkable ovation ever accorded a musical organization by any audience in this city."

Boston Transcript: "Every day that Creator stays with us we appreciate as so much added to our musical life. We wish a band such as he breathes passion into at every concert would establish itself in Boston."

The Evening Bulletin, Philadelphia: "Nothing that Creator does appeals like affection. It is genuine enthusiasm, and that he imparts it to his men is proved by the brilliancy with which they play."

Pittsburg (Pa.) Despatch: "Creator filled the Exposition Music hall as it has seldom been filled, and held the attention of the audience, as exhibition audiences have seldom been held, and won salves of applause seldom equalled."

Cleveland Plain Dealer: "Creator is a musician. His methods are sincere. Results are what he is striving for. That he attains them is testified by the tremendous enthusiasm that follows his vigorous efforts."

Detroit Free-Press: "It is a revelation to hear him play an overture. From the beginning to the end of last night's program his performance was artistic."

Oregon Daily Journal: "Creator conducted in a manner that was unique, unconventional, amazing."

Seattle Daily Times: "It was one of the finest examples of ensemble melody that Seattle has ever heard."

Daily News-Advertiser, Vancouver: "Creator is great, and we never have and probably never shall, hear his like again."

Tickets now selling at Whitlock's clothing store. Prices 50c to \$1.50.

"The Winning Widow."

No musical comedy presented in New York in years has received such unbounded praise from the press as came the way of "The Winning

GROWS HAIR ON BALD HEADS

Bald-Headed People May Get a New Chance in Life.

In these days when youth is the moving factor in business, when a man makes his mark at thirty-five and is ready to retire at forty-five, when business houses pension the man we call "middle aged" rather than allow his lagging influence to intrude upon the common rush of a bald head is almost fatal to any man's hopes. The following must therefore prove interesting to people who are losing their hair or who are bald.

Research is one of the latest and most effective germ killers discovered by science, and in connection with Beta Naphthol, which is both germicidal and antiseptic, a combination is formed which destroys the germs which rob the hair of its nutriment, and also creates a clean and healthy condition of the scalp, which prevents the development of new growth.

Pilocarpin is a well-known agent for restoring the hair to its natural color, where the loss of color has been due to a disease of the scalp. Yet, it is not a coloring matter or dye.

This combination of curative mixed with alcohol as a stimulant perfects a most effective remedy for hair and scalp troubles. Retall "93" Hair Tonic is chiefly composed of Resorcin, Beta Naphthol, and Pilocarpin. It helps to make the scalp healthy, to nourish the hair, to stimulate the follicles. Where the hair is already bare, it enters the follicles, revitalizes the roots, supplies nourishment, and stimulates a new growth.

We want you to try a few bottles of Retall "93" Hair Tonic, on our personal guarantee that the trial will not cost you a penny if it does not give you absolute satisfaction. That's proof of our faith in this remedy and it should indisputably demonstrate that when we say that Retall "93" Hair Tonic will grow hair on bald heads, except, of course, where baldness has been of such long duration that the roots of the hair are entirely dead, the follicles closed and grown over, and the scalp is glazed.

Remember, we are basing our statements upon what has already been accomplished by the use of Retall "93" Hair Tonic, and we have the right to assume that what it has done to hundreds of others it will do for you. In any event you cannot lose anything by giving it a trial on our liberal guarantee. Remember, you can get Retall Remedies in this community only at our store—the Retall Store. Smith's drug store, Pack square and South Main street.

CONSUMPTION.

Anyone interested in the cure of Consumption should get one of the booklets telling of recoveries by the use of Eckman's Alternative.

Coughs, Stomach Colds and Pneumonia may be the beginning of more serious troubles. Eckman's Alternative is the effective remedy. Read Mr. Kanaly's statement:

Saratoga, N. Y. "Gentlemen: For five or six years I was troubled with cough and expectoration. I also had a high fever. My case was declared Consumption by my physician. I was given Cod Liver Oil, Creosote and other medicines, all without benefit.

"At Christmas time, 1906, I was not expected to live. Calling Dr. R. H. McCarthy, he advised the use of Eckman's Alternative, which I took with excellent results and was entirely cured."

"During the past year I have gained 15 pounds. I go out in all weathers and have had no cough or cold whatever. I give these facts to encourage others to use Eckman's Alternative." (Signed Affidavit) JAS. W. KANALLY.

Eckman's Alternative is effective in Bronchitis, Asthma, Hay Fever, Throat and Lung Troubles, and in rebuilding the system. Does not contain poisons, opiates or habit-forming drugs. For sale by Smith's drug store and other leading druggists. Ask for booklet of cured cases and write to Eckman Laboratory, Philadelphia, Pa., for additional evidence.

Brooklyn Takes Double-Header.

New York, Oct. 12.—The Giants closed their season yesterday by dropping a double-header to Brooklyn. In the first game Ragon held the locals to two hits while in the second game Dent was effective in the pinches. The second game was a farce. Faust, the eccentric Kansan, pitched the last inning which was pure burlesque. Faust was allowed to get on base. Bent hitting him. He was then allowed to steal second and third, and scored on an infield-out. Score:

First game	R. H. E.
Brooklyn	3 6 3
New York	0 2 4
Second game	R. H. E.
Brooklyn	5 1 2
New York	2 3 3
