

**NEGRO A. & M. WALKOUT
DUE TO HOLIDAY DEMAND**

**Junior and Senior Classmen
Wanted Opportunity to
Work on Saturdays.**

Gazette-News Bureau,
Daily News Building,
Greensboro, Oct. 23.

Ben Massey, a negro employed on the street force at High Point, was struck by passenger train No. 3 and killed. The accident occurred just below the Dalton Furniture company's plant. It seems that Massey was walking toward the train at the time and stepped off of one track to get out of the way of a freight train when he was hit by the passenger. The accident was peculiar in that the train did not run over the man but he was thrown into the air and struck on his head, death resulting.

The Greensboro police arrested a young man here on instructions from Rocky Mount on a charge of seduction under promise of marriage. The officer making the arrest declined to divulge the name of the man. It is learned, however, that the man came to Greensboro about three weeks ago and had worked around here. The man, who was well dressed, made no complaint when ordered into his cell, taking the thing good-naturedly but without making any statement.

It seems that the walk-out of the senior and junior classes—about 30 men—of the negro A. M. college here due to the desire of the students for Saturday as a holiday in order that they might work in town and thus make money to help defray their expenses at school. The dismissed class attended Saturday night wired Prof. M. C. S. Noble of Chapel Hill, who is chairman of the board of trustees of the college, for relief but Prof. Noble could not be reached, being out of the state. President Dudley of the institution, in a statement, says that "the whole cause of the trouble is the objection to the Saturday school from 3 to 1 o'clock. All city students are excused during these hours and all others who bring a written statement."

County Auditor Leslie Abbott has forwarded to the state tax commission the official abstract of Guilford county taxable properties.

In his report Auditor Abbott has taken pains to segregate the real estate of Guilford into separate classes, so that some intelligent conclusion could be had as to how such property is assessed in this county, farm lands from such real estate as is occupied by city lots, factories and stores, and other highly developed properties.

Auditor Abbott's report, as divided into different classes, makes the following divisions of property in the county and relates only to real estate.

Manufacturing property.....\$1,047,343
Suburban property.....648,534
Value town lots.....4,957,857
Farm lands.....4,007,356

Total of all real estate.....\$12,759,640

By thus eliminating town, suburban and industrially developed acres of the county from the general area of land, each township shows for itself

DYSPEPSIA-PROOF.

How Any Meal Can Be Thoroughly Enjoyed by Any Stomach.

Costs You Nothing to Try Stuart's Dyspepsia Tablets.

Men, as a rule, are first discovered by their enemies. Their antagonists turn on the searchlight, and the proof of merit will lie in being able to stand the test.

It was only in this way that Mrs. White ever knew that dyspepsia was one of Mr. Black's worst enemies. Sitting face to face at a two-by-four table, he handed his afflicted friend the bill of fare:

Oyster Cocktail, Stuffed Olives
Boston Clam Chowder,
Strained Gumbo,
Sirloin Steak with Mushrooms,
Roast Beef Hash,
Boiled Ox Tongue with Sauerkraut,
Lobster a la Newburg,
Baked Pork and Beans,
Combination Crab Salad,
Hot Mince Pie,
Pineapple Fritters.

Mr. White ordered a "little of each." Mr. Black ordered crackers and a glass of milk. "I had such a big breakfast this morning," he said, "that I'll just take a bite to keep you company." But Mr. White could not be deceived: "I am afraid you can't stand the steam of Mr. Black. Why don't you say you have dyspepsia and be done with it? You'll always have that hungry look anyhow as long as you have dyspepsia. Now listen. My stomach was in just as bad condition as yours at one time. Just now I can eat anything at any time. For instance, this clam chowder or sirloin steak or even the lobster would be just as welcome to my stomach as your crackers and milk. You don't realize how this dyspepsia business is robbing you of your spirit, of your energy and ability to think quickly. I can't help notice it. You haven't the cheer and sociability you had three months ago. Now, I'll tell you what to do," and thereat the cheerful Mr. White took a vial from his pocket and extracted a wee tablet. "There, there is a tablet that contains an ingredient, one grain of which digests 2,000 grains of food. For even the worst dyspeptic it's the only thing that really gives relief. The reason is it relieves the stomach of nearly all the work it has to do, digests everything in the stomach and stimulates the gastric juice. I can't eat along without them. They are Stuart's Dyspepsia Tablets. You can get them anywhere on earth for 50c a package."

Yes, it is true, Stuart's Dyspepsia Tablets absolutely stay heartburn, nausea, indigestion, dyspepsia of the worst type, sour stomach, bilious feeling and all eruptions and irritation, and freshen and invigorate the stomach. They cheer you up, and make you get all the good there is in your food. You will forgive you ever had a stomach to worry you.

**BARACAS, PHILATHEAS,
IN ANNIVERSARY MEETING**

Large Attendance—Addresses Give History and Various Phases of Movement.

The union meeting of the Baracas and Philatheas at the First Baptist church yesterday afternoon was well attended by the members all over the city. The meeting was called to order at 3:30 by Lucius Weaver and was in celebration of the twenty-first anniversary of the founding of the movement. After the opening song Rev. Lewis Collins offered the invocation.

Interesting addresses were made by Rev. Dr. R. F. Campbell, pastor of the First Presbyterian church, and by Robert R. Williams. Short talks were also heard from Miss Nena Hodges and Paul P. Brown. There was special musical program. The attendance of the young people was especially good, the weekly afternoon meeting of the Y. M. C. A. having been deferred on account of the union meeting, so that the members could attend.

The first address was made by Mr. Williams, whose subject was "Bringing and Blessing." Referring to the beginning of the Baracas and Philatheas movement in a Bible class taught by Marshall A. Hudson, he declared that the world has recognized it as a great religious undertaking. "Bringing," he said, "was the secret of the success of the movement, which depended on the activity of the members in bringing in others."

"The Class for Christ Through Personal Work and Secret Service," was the subject of Dr. Campbell's address, and he spoke briefly. He gave many examples in the Bible of what had been accomplished by personal work. Such work, he said, meant success for the Baracas movement.

Miss Nena Hodges gave a brief sketch of Marshall Hudson and of his determination to get "a million," and told of the early days and foundation of the movement. She said there are now about 2500 classes and about 500,000 members in the classes.

Paul P. Brown told of what is meant by the movement for a Baracas-Philatheas temple in Syracuse. The promoters of the movement have promised a large sum of money provided \$150,000 can be raised for the permanent home. Collections were taken yesterday for this purpose. It is stated that the rent of such a building would help to defray the expenses of the Baracas-Philatheas work.

It was announced that the next quarterly meeting of the union will be held at the Balm Grove church on the second Thursday in November.

FROSTS THIS WEEK

Low Temperatures Will Prevail Over Practically the Entire Country.

Washington, Oct. 23.—Low temperature will prevail over practically the entire country this week, according to a bulletin issued by the weather bureau. Frosts are predicted for the interior of the Gulf states and the Ohio Valley and there is a probability of snow in the Great Lake region.

There are no indications at the present time of a disturbance in the Gulf of Mexico or the West Indies, it says the statement. "An area of low barometric pressure of great magnitude over the British Isles will move eastward and cause stormy weather over practically all districts from the Rocky Mountains to the Atlantic coast, and there will be frosts on Monday in the interior of the Gulf states and in barometric pressure of the Atlantic and Ohio valley and by Tuesday or Wednesday in the middle Atlantic and elevated regions in the South Atlantic states."

"The precipitation for the week will be below the normal generally. There will be rain or snow Monday in the region of the Great Lakes and rain Monday and Tuesday Sunday night in the Middle Atlantic and New England

**NO SALTS, OIL OR
PILLS BUT CASCARETS**

**No Odds How Sick Your Stomach:
How Hard Your Head Aches or
How Bilious—Cascarets Make
You Feel Great.**

You men and women who somehow can't get feeling right—who have an almost daily headache, coated tongue, foul taste and foul breath, dizziness, feet tingle, are bilious, nervous and can't sleep, are bilious, nervous and upset, bothered with a sick, gassy, disordered stomach, or have backache and fell all worn out.

Are you keeping clean inside with Cascarets, or merely forcing a passage every few days with salts, cathartic pills or castor oil? This is important.

Cascarets work while you sleep; cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry out of the system all the decomposed waste matter and poison in the intestines and bowels.

A Cascaret tonight will straighten you out by morning—a 10-cent box from any drug store will keep your entire family feeling good for months. Don't forget the children. They love Cascarets because they taste good—do good—never gripe or sicken.

As the farming properties are concerned. In this way the average assessment of farm lands in the county is found to be \$10.09 per acre, while under the lump system yet in vogue in other counties it would make a showing of \$14.38 per acre.

You can't dodge the Malaria germ while your liver is torpid. It makes you an easy mark for the disease. SIMMONS' RED Z LIVER REGULATORY is the best protection. It puts the liver in sound, healthy condition and purifies the stomach and bowels. Price, large package, \$1.00; small size, 50c. Sold by all druggists.

BLOCKADED

Every Household in Asheville Should Know How to Resist It.

The back aches because the kidneys are blocked.

Help the kidneys with their work. The back will ache no more.

Lots of proof that Doan's Kidney Pills do this.

It's the best proof, for it comes from Asheville.

E. L. Elmore, 1 Buxton St., Asheville, N. C., says: "Doan's Kidney Pills did me so much good that I take pleasure in recommending them. I suffered for two years from backache and seemed unable to get anything that would help me. I found it hard to do my work. Finally I obtained Doan's Kidney Pills at Smith's Drug Store, and they entirely rid my system of kidney complaint. One of my parents was cured of kidney trouble by this preparation."
