THOMAS JEFFERSON AS RIP IN "RIP VAN WINKLE," AUDITORIUM TONIGHT.

"Rip Van Winkle" will appear in "Rip Van Winkle" at the Auditorium this evening. This delightful and perennially new play in which he won renown over twelve years ago. Theater-goers wonder why they never lose interest in this play or in the jovial and bibulous vagabond whom Mr. Jefferson portrays in it. It is not only because the actor invests the part with a consummate art that both impresses and wins, nor because Mr. Jefferson's characterization breathes a warmth and humanity, a gentility and real flesh-and-bloodness, that are rarely found in modern stage creations, but because every time the part is played Mr. Jefferson adds some little touch here and there that gives it fresh novelty and that keeps its sweetness and fragrance forever new and forever attractive. The comedian has appeared in this character thousands of times and before perhaps over a million, still he never fails to attract it with an eagerness and an enthusiasm that makes each new performance as interesting and as surprisingly delightful as if it were a premiere.

**"The Rosary"** The following is the story of "The Rosary," which comes to the Auditorium next Wednesday, Nov. 1. Bruce Wilton has amassed a fortune which he has lavished on his wife, Vera.

Their household is a happy one but into it creeps a note of menace. No one hears it at first save Father Kelly, a priest, the former tutor of Bruce. Quietly he goes to work with his sharpened sense to find the person who is causing the adverse influence in the household. Almost on the verge of discovering the cause, calamity depends upon the Wilton house, Bruce's fortune is swept away, and in such a manner that he believes his wife the cause of his ruin.

Husband and wife are separated, the home is destroyed and yet the cause of it! Laid disaster is unknown.

Father Kelly, with a faith that moves mountains, goes on quietly, serenely and confidently with but one purpose in view, the happiness of those he loves.

He solves the mystery and lets the white light of truth into the minds that have been darkened by evil.

More than this, he finds the one who has caused all the misery and restores the home.

gave incomparably the best musical offering that Durham has ever had or anything like it, last evening, four of the best voices in concert work being heard in solo, in duet, and quartet. Ten numbers, nine of them scored, covered a variety of which address an early appeal to the audience, and certainly none of the artists ever sang to greater appreciation. The best things said about the concert, were those utterances that never expressed fully in the limitation of their technical knowledge, and those other tributes from among men and women of admitted musical ability. Anybody is involved from criticism when he declares it the best thing ever given here. The Metropolitan Concert company come to the Auditorium next Thursday evening, Nov. 2nd, under the auspices of the Baroda-Philathea Union of Asheville.

**Catarrh of Stomach** Indigestion and Stomach Agony Quickly Ended.

If you went to thirty doctors and paid each his fee for a prescription for indigestion or stomach misery it is ten chances to one you wouldn't get such a good prescription as the one from which MI-O-NA stomach tablets are made.

How can such a thing be? you naturally ask. Simply because the man who wrote the prescription from which MI-O-NA tablets are made knows more about stomach diseases than 95 per cent of all the physicians in America, and he gets paid for knowing.

And when you get a large box of tablets made from this doctor's prescription for only 50 cents, are you going to continue to suffer? Sold by Smith's Drug store and druggists everywhere.
