Over-Worked Girls

Read What This Girl Says:

Appleton, Wis.—'I take pleasure in writing you an account of my sickness. I told a friend of mine how I felt and she said I had female trouble and advised me to use Lydia E. Pinkham's Vegetable Compound, as she had taken it herself for the same trouble with wonderful results. I had been sick for two years and overworked myself, and had such bad feelings every month that I could hardly walk for pain. I was very nervous and easily tired out and could not sleep nights. I had dizzy spells, and pimples came on my face. But I have taken your Vegetable Compound and I am entirely cured. I think it is the best medicine in existence.'—Miss Cecilia M. Bauer, 1161 Lawrence St., Appleton, Wis.

THIS GIRL SAYS IT IS WOMAN'S BEST FRIEND: Chicago, Ill.—'Your Compound cured all my troubles and I am feeling strong and happy and able to work now. Whenever I go I shall praise Lydia E. Pinkham's Vegetable Compound, as I think it is woman's best friend. I have told all my friends the good it has done me.'—Miss Maggie Isbauer, 2418 So. Whipple Street, Chicago, Illinois.

Lorimer, Iowa.—'I had a heavy cold in the spring and got all run down and was irregular. I had no strength and had bearing down pains in my sides and back, and was very nervous and excitable. I took Lydia E. Pinkham's Vegetable Compound, and I am all right again, and stronger than before.'—Miss L. E. Williams, Lorimer, Iowa.

Is it not reasonable to suppose that a medicine that did so much for these girls will benefit any other girl who is suffering with the same troubles? Does it not seem the only sensible thing to give such a medicine at least a trial? You may be sure that it can do you no harm, and there is lots of proof that it will do you much good.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. It is exclusively from roots and herbs, and has thousands of cures to its credit.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health free of charge. Address Mrs. Pinkham, Lynn, Mass.

"BEVERLY" CROWD SMALL; NOT VERY ENTHUSIASTIC. Actors' Voices, for Some Reason, Did Not Get Across Very Well.

CATARH OF THE STOMACH. A Pleasant, Simple, But Safe and Effective Cure For It.

COSTS NOTHING TO TRY. Catarrh of the stomach has long been considered the next thing to incurable. The usual symptoms are a full or bloating sensation after eating, accompanied sometimes with sour or burning rising, a formation of gases, causing pressure on the heart and lungs and difficult breathing, headaches, sickle appetite, nervousness and a general played out, languid feeling. There is often a foul taste in the mouth, coated tongue and if the interior of the stomach could be seen it would show a slimy, inflamed condition.

The cure of this common and obstinate trouble is found in a treatment which causes the food to be readily, thoroughly digested before it has time to ferment and irritate the delicate mucous surfaces of the stomach. To secure a prompt and healthy digestion is the one necessary thing to do, and when normal digestion is secured the catarrhal condition will have disappeared.

According to Dr. Harrison, the safest and best treatment is to use Dr. Williams' Pink Pills for Pale People, a little St. Joseph's Golden Seal and fruit acids. These tablets can now be found at all drug stores under the name of Stuart's Dyspepsia Tablets and not being a patent medicine can be used with perfect safety and assurance that healthy appetite and regular digestion will follow their regular use after meals.

The plan of dieting is simply another name for starvation, and the use of prepared foods and new fangled breakfast foods simply makes matters worse as any dyspeptic who has tried them knows.

As Dr. Bennett says, the only reason I can imagine why Stuart's Dyspepsia Tablets are not universally used, by everybody who is troubled in any way with poor digestion, is because many people seem to think that because a medicine is advertised by a trademark it must be a humbug, whereas, as a matter of truth, any druggist who is observant knows that Stuart's Dyspepsia Tablets have cured more people of catarrh of the stomach, indigestion, heartburn, heart trouble, nervous prostration and run-down condition generally, than all the patent medicines and doctor's prescriptions for stomach trouble combined.

Stuart's Dyspepsia Tablets is the safest preparation as well as the simplest and most convenient remedy for every form of indigestion, catarrh of the stomach, biliousness, sour stomach, heartburn and bloating after meals.

For sale by all druggists at 50 cents a box. Send your name and address today for a free trial package and see for yourself. Address: F. W. Groves Co., 159 Stuart Bldg., Marshall, Mich.

ST. JOSEPH NEWSPAPER COMPLIMENTS DR. VINES Says He Is Making Favorable Impression and Has Big Congregations. The following which is taken from the St. Joseph (Mo.) News-Press of October 25 will doubtless prove to be a source of interest and pleasure to the numerous friends of Dr. W. M. Vines in this city. "Dr. W. M. Vines' subject at the special service at the First Baptist church last night was 'Life's Greatest Misfortune,' and he held his hearers spellbound during the entire discourse. At the close of the service there were two additions to the church. "Doctor Vines is considered one of the most eloquent speakers in the pulpit and he is making a decidedly favorable impression in St. Joseph. The indications are that the attendance at the meetings tonight, tomorrow night and Friday night, when the special series will close, will be very large, as much interest has been aroused."
