AIM IS ECONOMY IN ROAD BUILDING

Asheville Hopes to Secure 1912 Convention of Highway Improvement Association.

AN IMPORTANT BODY, NATIONAL IN SCOPE

This Year's Convention Meets in Richmond November 20—Asheville Delegates to Be Named.

The first annual road conference of the American Association for Highway Improvement will meet in Richmond, November 20-23 upon the instigation of the mayor and the chamber of commerce of that city. The good road enthusiasts of Asheville are interested in this movement and in the association and an effort is to be made to have the association hold its 1912 convention in this city. In fact the Motor Club, the Good Roads Association and the board of trade have already written to the officers of the organization to this end and have received replies of a favorable nature, and it is likely the Asheville will have one or more representatives at the convention to try to influence the delegates in the selection of Asheville as the next place of meeting. The representatives are to be named at once.

The ends purposed by the organization are considered as most important. The meeting is expected to bring together the foremost engineers, road officials, traffic experts, legislators, manufacturers, contractors, etc., who will devote their serious attention to the various problems of road construction.

Some of the purposes of the organization are as follows: To correlate and harmonize the efforts of all existing organizations working for road improvement; to arouse and stimulate sentiment for road improvement; to strive for wise, equitable and uniform road legislation in every state; to aid in bringing about efficient road administration in the elimination of politics from the management of public roads; to seek continuous and systematic maintenance of all roads, the classification of all roads to traffic requirements, payment of road taxes in cash, and the adoption of state and state supervision to advocate the construction of all road construction so that the important roads of each county shall connect with those of adjoining counties and the important roads of each state shall connect with those of adjoining states.

The president of the United States and the high officials are honorary delegates and there are two state delegates from each congressional district; three from each city; five from national or interstate road associations; also delegates from several other sources, including state universities, state road associations, local road boards, etc. The president of the organization is Logan W. Page, director of the United States office of public roads.

The first day of the convention will be known as "national day" and President Taft is on the program for an address. The second will be "highway engineers and contractors day"; the third, "road users day"; and the fourth, "association day."

INLAND PRESS MOVES TO NO. 78 PATTON AVE.

Will Occupy Two Floors, Fitted up in Most Convenient Manner.

The Inland Press, the proprietors of which are B. George Barber and Frank A. Barber, has leased the building at 78 Patton avenue, adjoining the Palace Theater, and is now moving its equipment from the old location with the store of the Brown Book Company.

With the moving of the shop great improvements are to be made. Private telephones are to be installed, as well as speaking tubes, and the machinery is to be arranged in a modern and systematic manner, the shafting being concealed in the work room. Two floors of the building will be used by the company and the offices will be on a level with Patton avenue.

The Inland Press was founded by B. George Barber about ten years ago and since that time has grown rapidly. George Barber originally bought a fourth interest in a printing business for \$125 and now the property will involve \$15,000, it is said.

His brother entered into the partnership eight years ago, and under their joint management the business prospered.

MR. NITZER TO QUIT REVENUE SERVICE

Well Known Officer Is to Resign and Engage in Real Estate Business.

William A. Nitzer is to resign from his position as deputy collector in the office of Revenue Agent Sams and will open a real estate and loan office in the Bevell building on Pack square. The resignation is to take effect on December 1.

Mr. Nitzer is well known in Asheville and has many friends who will be interested to learn that he is to embark in a new business. He has been in the revenue work for the past two years and is recognized as a very efficient man.

Years of Suffering

Catarh and Blood Disease—Doctors Failed to Cure.

Miss Mabel F. Dawkins, 1214 Lafayette St., Fort Wayne, Ind., writes: "For three years I was troubled with catarh and blood disease. I tried several doctors and a dozen different remedies, but none of them did me any good. A friend told me of Hood's Sarsaparilla. I took two bottles of this medicine and was as well and strong as ever. I feel like a different person and recommend Hood's to any one suffering from catarh."

Get it today in usual liquid form or chocolate tablets called Sarsatabs.

CITY NEWS

L. E. Carter, a prominent Alabama socialist, is advertised to speak at the court house Saturday, 8 p. m., and Sunday, 4 p. m.

By an order signed by the clerk of Superior court Jennie Tilton is allowed to sue the Asheville Telephone and Telegraph company in forma pauperis.

The Bingham cadets will contest honors in football Saturday afternoon at Riverside park with the team from the University of Chattanooga. The game will be called at 3:30 o'clock.

Three games of basketball are scheduled at the Y. M. C. A. for tonight by the class A teams. The games will be played by Baird and Stokeley; Wilson and Hunt; and Young and Atkinson.

Hattie Roberts appeared before Magistrate W. H. Gidiger yesterday afternoon and asked that Mary Maxwell be placed under a peace bond, but this was disallowed. Both are colored, and it appeared that the trouble was not very serious.

The men's Bible class will be held tomorrow night at the Y. M. C. A. and J. C. Martin will be the teacher. Supper will be served from 7 to 7:30 o'clock and the class will hold from 7:30 to 8. A cordial invitation is extended to every man in the city to be present.

The case of United States vs. the Hawawsee Lumber Company in federal court went to the jury this morning but it has not yet returned a verdict. They came back once for instructions and with the aid of these it is probable that the verdict will be brought in some time this afternoon.

Rev. W. M. Barnes, who preaches on the streets, says that about this time of year his friends are generally accustomed to present him with a suit of clothes, something in the way of a Thanksgiving remembrance, and if they think that he deserves one this year, the suit will be greatly appreciated.

Deputy Collector Harkins and Patrolman Davenport last night made a raid on an alleged negro "blind tiger" on Church street. No arrests were made, but it is understood that some money was made soon. A quantity of whiskey was seized, although the amount could not be ascertained at a late hour this afternoon. The raid was made early last night.

Owing to the fact that the revenue men have had to come in to attend federal court now in session here, the week has been dull in the revenue office so far as seizures of illicit plants are concerned. Most of the men are back at their posts now, however, and it is likely that there will be reports coming in shortly of more than the ordinary number of seizures on account of the short respite that has been afforded the "moonshiners."

The best meeting of the week was held this morning at the Y. M. C. A. and was led by President O. S. Dean of Weaverville college. This was set aside as "social service" day, and the prayer subject was for the advancement of interest and enthusiasm in the extension of the service. Tomorrow will be "patriotic day" and the services will be led by Dr. R. F. Campbell. The prayer subject will be for the purification of politics and the raising of the standards of justice, government and personal morals. The foreign topic will be Europe.

In police court this morning Will Taylor was found not guilty of assault on Will Weaver with a deadly weapon, and of carrying a pistol. He was fined \$5 and the costs for being drunk and disorderly, this case having been held over since yesterday. J. W. and F. H. Hill submitted their case of assault on each other Tuesday night. They were fined \$5 and the costs each and appealed. The case against Fay Edwards, charged with running a dray without a license, was held open until Saturday. Philip R. Moale was charged with failure to remove trash from the sidewalk in front of his property and the case was held open until the court could find if there is a city ordinance that deals with the matter.

New pictures every night at Theatro.
