

# ROYAL BAKING POWDER

Absolutely Pure

Used and praised by the most competent and careful pastry cooks the world over

The only Baking Powder made from Royal Grape Cream of Tartar—made from grapes

## SOCIAL HAPPENINGS

Personal Mention, News of the Societies, Meetings, Etc.

**Announcement Engagement.**  
Mr. and Mrs. John M. McElrath announce the engagement and approaching marriage of their daughter, Minnie, to William Mansfield Boozie of Atlanta. The wedding will take place on the morning of Thursday, November 30, at 6:30 o'clock at the home of the bride's parents and will be attended only by the close friends of the contracting parties and a few relatives. Immediately following the ceremony, they will leave for a several weeks' bridal trip, after which they will make their home in Atlanta. Miss McElrath is well known in Asheville and has been connected for some time with the telephone exchange. A wide circle of friends will regret that she is to leave Asheville to live. Mr. Boozie is connected with the Southern Bell Telephone and Telegraph company and is a nephew of W. T. Gentry of Atlanta, who is president of the company.

**Chambers-Eckstorm.**  
Cards were received in the city yesterday, which were issued by Joseph Chambers of Brantton, announcing the marriage of his daughter, Lila, to Paul Eckstorm, which occurred last Wednesday in Brantton. This announcement will prove of wide interest in Asheville, as the bride is connected with the Chambers families here, and has frequently visited them. Her friends will be interested to learn of the event. Following the marriage, Mr. and Mrs. Eckstorm left for an extended bridal trip and will make their home in Chicago after December 5.

The musical program for the First Baptist church tomorrow will be as follows:  
Morning service:  
Prelude, "Largo".....Wolstenholme  
Solo, "O, Divine Redeemer".....Groun  
Miss Pearl Shope.  
Offertory, "Nunt d'Ele".....Shelley-Binet  
Postlude, "Minuet".....Wolstenholme  
Evening service:  
Prelude, Grand Chorus.....Rogers  
Anthem, "Not Unto Us, O Lord".....Smith  
Offertory anthem, "No Shadows  
Yonder".....Gaul  
Postlude, "Festive March".....Smart

A birthday dinner in honor of Hobart Allport was given last evening by his mother, Mrs. J. H. Allport, at her home on Oak street. Only the members of the family who live in the city were invited and the occasion proved to be a jolly one. The table was prettily decorated for the occasion, souvenirs were distributed and much enjoyment was had in cutting the big birthday cake, which was illuminated with red candles.

Mrs. S. T. Lyon entertained Thursday evening with birthday dinner in honor of her brother, Maurice Reed, in celebration of his twenty-first anniversary. The decorations for the occasion were in a color scheme of pink and carnations and the flowers used. The big birthday cake was illuminated with 21 candles. Only members of the family were present.

The Bingham cadets gave an informal dance at the club house of the school yesterday afternoon, to which a number of the younger girls had been invited. Several of these were present at the dance and a very enjoyable afternoon was spent. The chaperones were Mrs. R. T. Grinnan and Mrs. Reed McKee.

There will be a meeting of the Hector's Aid Society of Trinity church Monday afternoon at 4 o'clock with Miss Eleanor Carmichael on South Main street.

Miss Kate Wright entertained this afternoon with an informal five hundred party at Marigold cottage in Alhambra park in honor of her sister, Miss Natalie Wright, of California.

Miss Lillian Weaver, who has been visiting her sister, Mrs. Henry Mortimer, in Lamber, S. C., for some time, will visit Miss Nan Roper in Petersburg.

## COL. LASK WANTS UNUNIFORMED MEN

To Run Down "Bootleggers"—He Thinks Patrolmen Are Too Conspicuous.

## CITY FATHERS DISCUSS MANY ROUTINE MATTERS

One Alderman Makes Suggestion as to Revocation of Certain Whiskey License.

Col. V. S. Lask appeared before the board of aldermen last night in the interest of the enforcement of the liquor laws in the city. He sought to have the board empower the chief of police to employ men as detectives to run to earth the numerous bootleggers that he stated were at present infesting the city. Col. Lask's remarks were to the effect that the search and seizure law had been effective in driving the blind tiger from the city, as that law was worth something in the hands of the police against these violators. The blind tiger had been followed, however, by the bootlegger, the Colonel said, and the police were powerless to stop them, as they carried their goods around in their pockets and when they sold it, it was to a friend who they knew would not tell it. The patrolman is not in a position to see many of these, he said, on account of his conspicuous uniform and for that reason he contended that special means should be adopted. He suggested as the remedy that the chief of police be given the proper authority so that he could employ plain clothes men by the day, week or month to catch the offenders, and when one became ineffective, to fire another. The matter was referred to the police committee with power to act.

The board considered a number of questions pertaining to sewer and paving assessments and received a number of recommendations as to the former from the sewer committee. These dealt largely with old assessments that some of the people had seemed to have forgotten. Most of them are long past due and quite a number have been running for several years. The committee recommended in a number of these cases that the interest be remitted if the assessments are paid within the next 60 days. A longer time was recommended for a few who are poor.

The assessments against the property owners on Magnolia avenue for the paving were accepted, but with the understanding that the assessments against any individual could be rescinded and lowered if the board saw fit. This action was taken because there was an objection raised by J. C. Martin, who appeared for W. D. Taylor, that in some cases the front foot assessment would mean the virtual confiscation of the property. After some discussion the assessments were adopted.

The new automobile ordinance, which passed their first reading a week ago, passed the second reading last night, but with the understanding that they be held up for investigation before they were finally passed. These ordinances are to have the speed limit of the city replaced by the state speed laws and to require that all automobile drivers blow their horns when passing any vehicle, person or animal. Eugene Sawyer appeared before the board in connection with the first of these and stated that he thought that the present speed limit was sufficiently low, and that if it was reduced further that every machine driver in the city would be liable to arrest at almost any moment as it is practically impossible to drive a machine in Asheville at a rate less than 10 miles an hour.

Alderman Stikelather registered a kick against the latter ordinance as to blowing horns and stated that according to his wording a man would have to blow for every person on the sidewalk that he passed besides for all dogs, cats, etc., on the street. It is likely that this will be changed slightly before it passes its final reading.

It was ordered that all the automobile owners of the city be requested not to order any of the screaming siren whistles for their machines, as they would be used on the new fire trucks and if there were others in the city it might prove confusing.

The manager of the Grand theater appeared before the board to ask that he be not forced to remove the ticket

**PREPARE FOR WINTER**  
Comfortable steam heated rooms and apartments in Adelaide and Meriwether buildings on Haywood street, and Morselle Building on Patton Ave. See us before they are all rented.

THE HOME OF GOOD COFFEE.

board in the course of the theater on account of danger from fire, as he had more space there now than before he took over the management of the place. It was decided by the board that if it would put rollers under it so that it could be easily pushed out of the way there would be no objection to its staying there.

Pay Edwards appeared before the board in regard to having his teams taxed as a dray business. He had been tried in police court for running a dray business without a license and had said that he had for only one man. It was suggested then that he take it before the board and last night the matter was referred to the special tax committee. The committee will also investigate other cases of a similar nature.

The street committee recommended that Lenox avenue be not accepted as a street as the retaining walls are not sufficient to hold the embankments. The recommendation was adopted.

A 40 candle power tungsten light was ordered to be installed on Victoria drive. Requests to have others put on Gaston street and at the intersection of College park with Oak street were referred to the light committee.

A suggestion was made by Alderman Stikelather that it might be in order for the board to consider the revoking of a certain license held by a drugist of the city to dispense liquor on prescription, as the drugist had been convicted in police court of violating the whiskey laws. The board seemed to think that it would be best, however, that no action be taken until the case is decided in Superior court.

The finance committee was requested to confer with John O'Donnell as to the assessment against him for the widening of the street at the intersection of West College street and Lexington avenue. A bill had been sent him for a balance of \$100 but he claimed that he had paid it to Alfred S. Barnard. It was reported by the clerk that there was no existing record of the money ever being received, but one of the board stated that the amount had been paid as claimed.

Communications were read in which damages were asked of the city as a result of the work on the police court room. A. A. Penland asked damages in the sum of \$100, while the Lutz Meat company demanded \$80, the latter being the amount of rent for the last three months during which time the parties have booths in the city market. It was decided not to rush the matter and the market house committee, to which it was referred, was so instructed. The board wished to find first if the amount of the damages could not be collected from the contractors.

A request was made that the Auditorium management be instructed not to throw trash out at the back, which, it was alleged, caused insanitary conditions. The matter was referred to the sanitary inspector. It was suggested to the board in this connection that some action be taken to keep the boys from using the new fire escape at the Auditorium as a play house, but no action was taken.

The Auditorium committee reported that the new fire escape had proved satisfactory in the test and it was accepted.

It was announced that the other escape for the south side of the building has been shipped and will probably be here within a few days.

Bids were opened for a contract to build a storm sewer on Pearson drive and the contract went to E. T. Beloue, who bid to do the excavation work for 25 cents a yard and the stone masonry for \$7.53. There were several bids. The contract for installing a heating system in the police court

**FOR SALE**  
Two Choice Lots on College Campus. Very attractive price.

**The H. F. Grant Realty Co.**  
48 Patton Ave.

room was awarded to the Union Plumbing company, their bid aggregating \$152. There were also several bids for this contract.

When the time came for approving the bills due, the board was advised that the city's account was overdrawn about \$550 and that it might be well to practice economy if it were possible.

Plumbing Inspector Israel, who reported that there are several rooms in the High school building that need radiators as they had no heat at present, was instructed to prepare specifications as to what was needed and get bids for the work.

The following building permits were reported and passed:  
Miss Alvin Connolly, addition to residence on South Main street, estimated cost, \$1500.  
H. L. Pinkstein, repairs to building on Patton avenue, estimated cost, \$1100.  
V. B. Boetic, addition to residence on Central avenue, estimated cost, \$300.

## MRS. PARKER TOLD RIGHT AWAY

Here is a Secret That Will Interest All Ladies, Told by One Who Knows by Experience.

Cude, Miss—Mrs. Liza Barber, in speaking of her experience, says: "I can truthfully say that I have been wonderfully benefited by the great woman's tonic, Cardul."  
Three months ago, I could hardly stand on my feet, and I had given up ever having good health. After using two bottles of Cardul, I could tell it was helping me, and I continued taking it for a while. Now, I feel as well as I ever did, and can do all of my work.

I shall always praise this great medicine to every suffering woman. I think there is no other half so good. No matter how serious or long-standing the trouble, Cardul will help you, for it is a tonic remedy, especially adapted to bring relief from womanly ailments. In the past 50 years, Cardul has helped thousands of weak, sick women back to health and strength.

Cardul acts gently. It has a gentle strengthening effect on the entire womanly constitution. A remedy with such a long record of success and praise, from so many thousands of those who have used it, should certainly do you good, too. Don't hesitate. Get a bottle today.  
N. B.—Write to: Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn., for Special Instructions, and 64 page book, "Home Treatment for Women," sent in plain wrapper, on request.

**Basketball.**  
Three interesting games of basketball were played in the class B league at the Y. M. C. A. this morning. In the first of those, Brown won from Schartle by a score of 11 to 1; in the second, Lange defeated Donahoe 3 to 0; and Hunt took the last one from Davis by the score of 8 to 4. All those taking part did good work but Foster, Wood and Hunt deserve mention as they were easily the star performers of the morning.

The present standing of the teams are as follows:

	Won.	Lost.	Pct.
Brown	6	1	.856
Davis	4	3	.572
Donahoe	3	4	.429
Schartle	3	4	.429
Lange	3	4	.429
Hunt	2	5	.286
