"Ty Cobb" With "The College Widow"
 For years Ty Cobb, the star center fielder of the Detroit American League ball team, and generally accredited with being the greatest player the world has ever seen, has been a great study for followers of athletics in all lines and now he is proving just as big a study to the followers of the stage, as he has been tested and found to be one of the dramatic finds of the year. In the role of "Billy Bolton" in "The College Widow," which comes to the Auditorium for a matinee and night performance Wednesday, November 22, Cobb has displayed an exceptional amount of histrionic ability. In fact he has achieved about all the success that could be expected of anyone on their advent before the footlights.

To many the wonderful talent which he displayed came as a great surprise and but to one it was simply the verification of a known fact. This one person is Vaughan Glasser, the well known actor-manager, who, since he has known Cobb, has always held that the star of the diamond would prove just as great a star in the drama and the applause which nightly greets the efforts of the ball player is the decision which the producer knew would come.

During the first rehearsal Cobb read his part and displayed the necessary action with a conception which is seldom found except in veterans of the stage. His own college life, his

"The Girl from Rector's."
 Miss Dorothy Dalton is one of the most attractive personalities of the theater of this day. Her beauty being matchless, her deportment aristocratic, as becomes the character of "the Girl" without any suggestion of the affected, yet so in keeping with the general tone of levity that her interpretation very nearly approaches the perfection of the satirical in art. Her methods are expressive of extreme delicacy, directed by an unerring artistic intelligence to the good of their purpose, which command a respect that urges applause, tempered by a finely appreciative discernment in spite of its apparently boisterous enthusiasm.
"The Girl from Rector's" will be at the Auditorium next Thursday, November 23. Ticket sale opens Tuesday morning at Whitlock's.

TELLS ON THE KIDNEYS

Asheville People Have Found This To Be True.
 The strain of overwork tells on the weakened kidneys more quickly than on any other organ of the body. The hurry and worry of business men, the heavy lifting and stooping of workmen, the women's household cares, tend to wear, weaken and injure the kidneys until they can no longer filter the poison from the blood and the whole body suffers from the waste matter that accumulates. The weakened kidneys need quick assistance. Doan's Kidney Pills are prepared especially for sick, weakened kidneys; tired, worn-out backs—have cured thousands of such cases. Convincing proof in an Asheville citizen's statement.

J. M. Seliger, 88 Penland St., Asheville, N. C., says: "Doan's Kidney Pills have always given me satisfactory results. At the time I got this remedy from Smith's Drug store, I was suffering from severe pains in my back and was unable to rest well, getting up in the morning feeling all worn out. Doan's Kidney Pills cured me in a remarkably short time."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
