SOCIAL HAPPENINGS

Swartz-Reed.
A lovely church wedding was solemnized this afternoon at 1 o'clock at Grace Episcopal church when Miss Elsie Cleveland Swartz was married to Maurice Sanderson Reed, both of Asheville, the ceremony being performed by Rev. H. Fields Staunigen. The church was prettily decorated for the occasion in palms, ferns and cut flowers and a large number of friends were present to witness the ceremony. The wedding music, which comprised the march from Lohengrin and Mendelssohn's wedding march, was played by Miss Laxton. The only attendants were Miss Mary Ambler, who was maid of honor, and Clarence M. Justice, a cousin of the groom, who acted as best man.

The bride was given away by J. H. Law. S. T. Logan, a brother-in-law of the groom, and C. S. Reed, a brother, were the ushers. The bride was prettily attired in a traveling gown of brown corduroy cloth and carried a shower bouquet of white roses. Miss Ambler, the maid of honor, was also attired in brown and carried a bouquet of pink roses. A wedding breakfast was served for the bridal party at noon by Mrs. E. C. Roach at the Holland house on North French Broad avenue, where the bride has resided since coming to Asheville.

Immediately following the ceremony, Mr. and Mrs. Reed left on the east bound train for Greensboro, Washington and Chicago for their honeymoon trip. They will reside in the latter city while Mr. Reed completes his training as an architect. Their permanent residence has not been announced, but it is rumored that it will be in some western city. The young couple will carry with them from Asheville the hearty good wishes of a host of friends, as both are well known here.

The groom is a native of this city and is the son of the late Samuel Reed of Biltmore. He has been living here for several years with his mother, Mrs. Minnie Merwin Swartz, having come to this city from New Jersey. The large number of handsome wedding gifts which they received furnished eloquent testimony of the high esteem in which they were held by their friends.

Mrs. Perry, Hostess.
Mrs. John A. Perry was the hostess at the Country club Saturday afternoon and an unusually large crowd went out to enjoy the first of the informal dances of the season, besides a round of out-door sports of tennis and golf. There was no regular tennis tournament, but the finals in the men's singles 18-hole golf tournament were played between A. S. Barnard and Mr. Brazelton with the result that the former won by the close finish of one up. He will therefore be considered the champion of the city for the next year, at least, and his name will be engraved on the new punch bowl owned by the club. The dance was a most enjoyable affair and was attended by a large number of the club members and their friends. Those present were:

Mrs. Connally Cox, Miss Gwendolyn Rutherford of Richmond, Mrs. Thomas Chesbro, Mrs. William Reed, Mrs. John A. Campbell, Mrs. Carl Reynolds, Dr. and Mrs. Charles S. Jordan, Mr. and Mrs. Vance Brown, Dr. and Mrs. Thompson Fraser, Mr. and Mrs. Peter, Mr. and Mrs. Alfred S. Barnard, Mr. and Mrs. Reuben Robertson, Miss Eleanor Morrison, Miss Tate, Miss Eugenia Johnston, the Misses Chapman, Miss Anne Meade, Miss Maud Hamilton, Miss Mary Carter, Miss Rice, Miss Maria Brown, Edward I. Frost, Dr. Paul H. Elinger, Mr. Braselton, A. J. Leman, Elsworth Jayman, Allan Morrison, Herbert Brown, Mr. Bloom, Mr. Bissell, Frank Hewitt and H. Seymour.

Music Club Meeting.
The December meeting of the Saturday Music club will be held next Saturday afternoon at the home of Mrs. A. S. Guerdon on Charlotte street. A very interesting program of Mozart music has been arranged for the afternoon and will be as follows:

Chorus, "Flowers and Fancies"—Club members.
Piano, Sonata—Mr. W. S. Whittington.
Song, "The Viol"—Mrs. Mescham.

Mrs. Stikeleather.
Piano, "Fandango" in D Minor—Miss Westall.
Vocal duet, "Sweet Zephyr"—Mrs. Clemenger, Mrs. Stikeleather.
Song, "Arietta, Vedral Carino"—"Don Giovanni"—Mrs. Anderson.
Piano duet, Symphony in No. 2—Miss Wright, Miss Atkins.
Violin, "Larghetto"—Jack Westall.

For Balfour Orphans.
All day today at the Sunday school annex at the First Presbyterian church offerings of groceries will be received for the Balfour orphanage and it is asked that the people of the city contribute as freely to this as possible. It is a most deserving charity and one that should appeal to everyone. The need of the orphanage is greater this year than ever before, as the vegetable crops raised by the children have failed and the contributions will have to be depended upon to support the institution this winter. Heavy groceries of all kinds will be greatly appreciated, and flour and potatoes will be of the greatest benefit.

Mr. and Mrs. H. S. Gunning are visiting in the city from Charleston for several weeks.

Mr. and Mrs. H. P. Moore have gone for a several weeks' stay in Jacksonville and other southern points.

Jack Coburn of Bryson City is here on a business trip.

Col. and Mrs. Samuel L. Tate of Nashville have returned to the city from a trip to New York and will spend the winter at the Manor.

Robert Moran and Mr. Whittington of the Forest service at Andrews will spend Thanksgiving in the city with friends.

Cleveland Norton has returned from a week's stay in Atlanta and Albany.

Mr. and Mrs. L. L. Jenkins left today for Norfolk and from there they will go to New York for a stay of ten days.

J. M. Hearn, who has been confined for the past nine weeks, is now able to sit up and is expected to be out again in a very few days.

Mr. and Mrs. Leon H. Hattisner of Montgomery are spending their honeymoon with the former's sister, Mrs. Valentine, on Cumberland avenue.

Mrs. George A. Shufert underwent a serious operation this morning at the Mission hospital. The operation is reported to have been successful and

BANKERS ENJOYED DAY IN ASHEVILLE

Visited Biltmore Estate, Saw View from Sunset, and Had a Superb Luncheon.

The city of Asheville, through the Southern railway, the board of trade, the local bankers and the Battery Park hotel, yesterday entertained a very illustrious body of men, when members of the American Bankers' association, returning from the convention at New Orleans, made a side trip to this city, for the purpose of spending a few hours, driving over the streets and roads and enjoying the beautiful scenery. There were about 150 in the party and it was evident that they had a good time during every minute of their stay.

Arriving here at 11 o'clock in the morning from Old Fort, where they went Saturday night from Morris-town, they stayed for about eight hours, leaving on their special train at 7 o'clock in the evening.

The entertainment of the visitors consisted of a drive to the top of Sunset mountain, a trip over the Biltmore estate, lunch at the Battery Park hotel and drives over some of the city's streets.

The party was met at the station by a committee from the board of trade, several representatives of the local banks and some of the city officials, in all about 50 men.

The visitors were at once driven to the top of Sunset mountain, where they could see all over the city and much of the beautiful mountain scenery surrounding it. While the day was cool, it was clear and crisp, and they could see for miles in every direction.

From Sunset they were driven to the Battery Park hotel and there were treated to a sumptuous luncheon in which venison steaks and quail on toast were featured. Many of the visitors declared this the classiest and most satisfactory feeding they had discovered on their travels. Here, too, they were afforded another excellent view of the mountains to the west, and the French Broad valley. Later they made a trip over the Biltmore estate, which had been opened especially for their benefit.

The members of the party expressed themselves as greatly pleased with the hospitality that had been extended to them, with the beautiful scenery and the invigorating atmosphere. They were shown many kindnesses by the officials of the Southern railway, J. H. Wood going to Chattanooga and accompanying them to this city; in fact, the expenses for the drives and the side trips were borne by the Southern.

On account of the unfinished condition of the carriage drive to Sunset mountain the management of the Grove property opened up the automobile road for the bankers.

FRAME-UP IN CAPTURE OF HENRY ASSAILANTS

Probabilities Seem to Be That Reward Money Will Not Be Forthcoming.

It appears that the captors of the men who are charged with shooting Deputy Collector Robert Henry, while he was making a raid in Wilkes county a few months ago, may experience some trouble in getting the rewards that were offered for their apprehension, as there seems to be some grounds for the belief that the captors were in collusion with the accused men; that they had agreed to divide the rewards with them. Deputy Marshall Roland has been in Wilkes county investigating the matter and has filed his report with the department but it has not been made public.

United States Marshal W. E. Logan, when asked about the report this morning, said that he had not seen it and that the substance of the report would not be made public until the department saw fit to do so, but he said, "a person might be permitted to hazard a guess as to its recommendations."

The three men, Wilburn and Zona Nance and Code Lane, escaped after they did the shooting and rewards of \$500 each were offered for Code Lane and Wilburn Nance and \$300 for Zona Nance. The latter soon surrendered and later the other two were delivered to the officers. Somehow the report got out that the captors had offered the accused men some of the money to defend themselves with if they would give up, and this was reported to the attorney general, who ordered an investigation, and somehow, too, it became known that the report of Mr. Roland is not favorable to those who made the arrests.

The men will be tried for the offense at Wilkesboro during the March term of Federal court.

TO DISCUSS DETAILS OF THE WORK PLANNED

The officers and executive committee of the Greater Western North Carolina association, representing the several counties included in it, met here today, at 2:30 o'clock for the purpose of discussing certain of the details of the work planned to be done. The committee consists of the following: H. W. Plummer of Asheville, chairman; B. J. Sloan of Haywood; Hon. W. E. Moore of Jackson; J. S. Silverstein of Transylvania; M. L. Shipman of Henderson; T. T. Ballinger of Polk. The main purpose of the committee in meeting today was the discussion of financial matters, the association having determined to raise \$15,000, which will be assessed against the several counties and the Southern railway.

Those of the committee who were present at today's meeting were B. J. Sloan and Frank Miller of Waynesville, W. E. Breeze of Brevard, Gordon Garlington, representing Mr. Shipman of Hendersonville and H. W. Plummer.

AN ARRAY OF OFFENDERS WERE IN POLICE COURT

Various and Sundry Cases Disposed of, Including Assaults, "Drunks," Etc.

There were a large number of cases to be disposed of by Judge Adams in the new police court room today but they did not consume so very much of the court's time. There was the usual number of assault cases, a few disorderly charges and a very few "drunks." These, however, were very small in comparison with the dockets on some Monday mornings.

Disorderly houses were raided a little earlier than usual this month and caught people unawares. There were 23 women charged this morning with being inmates of these houses and nine with running them. The "frequenter" were the ones who were surprised. Heretofore there have never been more than three or four, while this time there were 11 who had been caught in the houses. Nine of these were fined \$10 and the costs, each, one was not present and his bonds were forfeited; while the last had his case continued for some reason.

The cases against Leo and Roy Swartzberg, who were arrested Saturday, charged with selling whiskey to Frankie Davis, a disorderly woman, were speedily disposed of, as the prosecuting witness stated on the stand that she was drunk at the time she made the affidavits upon which the arrests were made and did not know whether they had sold her the whiskey, given it to her or whether there had been any transaction at all. She did not even remember that she had made the affidavits. The defendants were therefore found not guilty and were dismissed from court. Judge Adams told the woman that she should not get such warrants again, he would look her up for 60 days.

The Davis woman was then tried for an assault on Roy Swartzberg Saturday afternoon just before she swore out the warrants.

The evidence was to the effect that she had gone into the Asheville Dry Goods store and asked to look at some shoes. She picked up a pair and started to go out with them, when she was told that she could not take them without paying for them. She then threw one of the shoes at Mr. Swartzberg, striking him on the side of the face. She was found guilty of the assault and was fined \$15 and the costs.

Joe Stepp, who was arrested yesterday morning for raising a disturbance at his house on North Main street, was arraigned, charged with being drunk and disorderly and with an assault upon his wife. He was found not guilty on the latter charge, but was fined \$15 and the costs on the former.

Alonso Glass, colored, was found guilty of an assault and fined \$10 and the costs. Theodore Greer, who was up for raising a rough house in a south Main street pool room, was found not guilty. Annie Einger was fined \$2 and the costs for an assault with a deadly weapon on a small colored girl. Will Saxton was found not guilty of an assault on another negro boy.

SASAKWA LADY HELPED

After Losing Heart She Tried Cardui, the Woman's Tonic, and Is Now All Right.

Sasakwa, Okla.—"I am almost unable to describe my experience," says Mrs. Beckey Barrett of this place. "I suffered so for over two years, with womanly troubles, and had such pains that I was unable to stand on my feet."

Her husband called in five different doctors, but they could not help her. They gave me up unless I would be operated on.

I took different medicines, but found no relief, and I got out of heart.

At last I commenced to use Cardui, and I am glad to say I am very much better. I have taken five bottles of Cardui and I can now do my work all right—all my housework—and can walk two miles at a time, easily.

I feel like a new woman. I will always recommend Cardui to all sick and suffering women; for I know that Cardui saved my life!

The best way to cure womanly troubles is to help nature, by taking Cardui.

Cardui is a woman's tonic, made from purely vegetable ingredients, that act especially on the womanly constitution and help to build up health and strength.

In successful use for more than 50 years. Try it.

At the Theatre today may be seen a modern homily that drives home and teaches a lesson of forgiveness. The missing son is found again and returned to the fold. It is a vitagraph life portrayal that abounds in common sense and good, wholesome thoughts, touching the mainspring of parental love. Aside from its objective points, it shows some very attractive and pretty scenes of rustic life and woodland. It is said to be a gem of wisdom and poetic grandeur.
