FOUR DOLLARS FOR MEN

Our men's shoes for four dollars, in plain leathers and patent, possess that degree of good shoe value, style and long wear qualities that make men who buy them once come back again for another pair—the only trouble from our viewpoint is "too long between drinks,"—they last too long.

NORTH CAROLINA VERSUS VIRGINIA

Big Event of Day in These States is 'Varsity Teams' Game at Richmond.

Richmond, Nov. 30.—Virginia was the favorite today for the annual Thanksgiving day football game with the University of North Carolina. Trainloads of excursionists are here from Charlottesville, Chapel Hill and other Virginia, and North Carolina points to witness the game.

The big event of interest today in football circles throughout North Carolina and Virginia is the game between the universities of the two states at Richmond this afternoon. The game is an annual Thanksgiving event and is always anticipated with the keenest interest by the supporters of both teams. There will be special trains from Chapel Hill and Charlottesville to the Virginia capital to carry the student bodies to the game and there will likewise be other special trains from points in both states to carry the vast crowds of alumni and loyal supporters to the big contest. Those who will be unable to go to Richmond for the game will gather around the wires this afternoon to await the reports, and if Carolina captures the game there will be rejoicing from one end of North Carolina to the other.

The chances for the Tar Heels securing a victory are extremely bright, for they have a strong team this year, and if Virginia should happen to win they will be fully aware of the fact that they have had a stiff fight for the prize. It may go, and the game will doubtless not be won until the referee's whistle announces that time is up. Both teams have excellent records for the season but that of Carolina is possibly a little better for they have not lost a game during the year and have been scored on only once. That was early in the season and since then the team has attained most of its development. Coach Bocock is a past master of the game and he has been working hard to put out a winning team. For the past week or ten days he has been assisted in the coaching by old football stars of past days from the university and the whole aggressive is going to Richmond after that game. If they don't get it it will be a big surprise to the sages who are familiar with the game and the teams.

CHAMP CLARK SPEAKS AT RALEIGH TONIGHT

Arrives at the State Capital Unexpectedly—No Thanksgiving Pardon.

Gazette-News Bureau, The Hotel Bureau, Raleigh, Nov. 30.

Champ Clark, speaker of the national house of representatives, arrived unexpectedly this morning from Washington, and will deliver an address tonight. He was expected at 6 o'clock this evening. He came unheralded and unsung but as soon as his presence was known he was surrounded by teachers and others.

With Secretary Connor and Mrs. Kitchin, he walked to the capitol, where he was heartily greeted by the governor. He said he had told about all politically he knew.

There was no Thanksgiving pardon today but Governor Kitchin was assailed with numerous applications, many people thinking it a state courtesy to pardon convicts on Thanksgiving.

SHOW GIRL COLLAPSES AS NOTES ARE READ

More Than 600 Epistles from Lillian Graham to Stokes Are Placed in Evidence.

New York, Nov. 30.—Some of the famous letters which have figured in the case and two or three which had not previously appeared, were brought to the front sensationally yesterday in the trial of Lillian Graham and Ethel Conrad on the charge of shooting W. E. D. Stokes, the millionaire sportsman. The most important letter, injected into the evidence unexpectedly by the show girl's counsel, contained the alleged statement by the Graham girl that Stokes need not fear that she would ever make him any trouble. On cross examination Stokes claimed that the letter was signed before Miss Graham left New York to visit his farm at Lexington, Ky. This so-called "confession" or release was a part of the evidence which the prosecution was supposed to be holding back to spring later in the trial, but its production was demanded by Attorney Clark L. Jordan, counsel for Miss Graham, and it was introduced in evidence by the defense.

The note was undated. Stokes denied that he got Miss Graham to sign it at the conclusion of her visit to Lexington. He also denied that two other notes which were introduced were written at his request in Kentucky and declared that all the notes in question were written in New York and sent to his office.

Stokes' examination closed for the day with the prosecution reading into the evidence more than sixty letters alleged to have been written by Miss Graham to Stokes asking him to come to see her, or to give her money. Miss Graham collapsed when the reading was finished.

The Theatre shows the latest pictures. Chambers & Weaver, Livery, Phone 14.

Terrible Suffering

Eczema All Over Baby's Body

"When my baby was four months old his face broke out with eczema, and at sixteen months of age, his face, hands and arms were in a dreadful state. The eczema spread all over his body. We had to put a mask or cloth over his face and tie up his hands. Finally we gave him Hood's Sarsaparilla and in a few months he was entirely cured. Today he is a healthy boy." Mrs. Inez Lewis, Barling, Maine.

Hood's Sarsaparilla cures blood diseases and builds up the system. Get it today in usual liquid form or chocolate tablets called Sarsatabs.

WINTER BALL LEAGUE IS MURPHY'S PROPOSAL

Would Give Recruits Better Chance to Try Their Mettle, Playing in South.

Chicago, Nov. 30.—To allow baseball recruits a better chance to show their worth as players, President Charles W. Murphy of the Chicago Cubs has proposed the formation of a winter league. The leader of the Chicago Nationals would have eight teams in Florida, below the frost line, play through the winter months. He believes the plan is a probability of the near future.

Chalmers Motor Co., Detroit, Mich.

After looking over all models of self-starting cars in Dallas I have just purchased from Levy-Kramer Company one of your greatest accomplishments—a Chalmers "Thirty-Six." Drove home, a distance of eighty-six miles, in four hours. Had occasion to use self-starter quite often and it never failed. Stalled my motor seven times while learning to drive and starter worked every time. Power is unlimited. For easy riding has everything on the market bent to death. I sincerely congratulate you and your entire organization. I am delighted with car. Much success to you. MARSHALL MYRECK.
