### He Earned a Diploma.

The celebrated Abernathy, who was noted for his bluntness, on one occasion, while he was performing the duties of examiner at the College of Surgeons, thus questioned a youthful, but exceptionally muscular aspirant for the diploma:

"Mr. —, if you were present when a man was blown up by an explosion, what would be the first thing you would do?"

"I should wait till he came down again, sir," replied the student.

"Just so," said Abernathy, entering into the spirit of the joke. "And suppose, sir, I were to kick you for the impudence of your answer—what muscles should I put in motion?"

"The flexors and extensors of my right arm, sir; for I should floor you instantly," was the reply.—Philadelphia Enquirer.

## HINTS FOR THE BUSY HOUSEWIFE

A Convenient Closet For Holding Pot Covers.

In the design for a closet for holding pot covers herewith illustrated the sides of the cover closet are cut as shown and shelves are nailed between them at a slight angle. No dimensions are given, as the space and the sizes of the covers are not always the same. The back is covered with thin boards placed vertically. The front can be covered with a curtain or a paneled door, as shown.—Popular Mechanics.

### Chicken With Dumplings.

Take a three or four pound chicken, one tablespoonful salt, one teaspoonful pepper, two onions, one tablespoonful flour, two tablespoonfuls butter, one-half cupful milk, two cupfuls prepared flour. Cut chicken in ten pieces and place in saucepan, add salt, pepper and onion, cover with boiling water and cook till tender; then mix flour with butter and thicken with gravy. Ten minutes before serving mix prepared flour with butter and milk and two eggs beaten to a froth. Cut with a tablespoon small portions from the dough, drop them into the gravy, cover, boil six minutes and remove the saucepan to side of stove, where they may stop boiling.

### Mince Pie Without Apples.

Mince a pound each of boiled beef, seeded raisins, suet, cranberries, half a pound of mixed citron, orange and lemon peel. Mix with a pound of suet, a pound of currants, grated rind and pulp of a fresh orange and a fresh lemon. Add a level tablespoonful of salt, a grated nutmeg, a level teaspoonful each of mace and clove, two teaspoonfuls of cinnamon, a quart of cider, one to two pounds of sugar. Boil everything but the meat and cranberries half an hour, stir them in, let stand without boiling half an hour longer. Mixed or one kind only of nuts may be used in this; also prunes in place of cranberries and grape juice or jellies melted with water instead of cider.

### Creamed Potato Salad.

Boil eight medium sized potatoes until thoroughly done, drain and place on back of stove to steam dry. When dry and still hot mash through a colander.

Then cream them with one-half teaspoonful of mustard worked into one raw egg, two tablespoonfuls of butter, two of cream, two of milk. When thoroughly mixed add one-half cupful of vinegar, one-half teaspoonful of salt and beat until frothy as ice cream. Pile roughly and lightly into a heated dish, garnish with parsley, minced pickles and onions.

### Boiled Salad Dressing.

Mix three teaspoonfuls of sugar, one-half teaspoonful of mustard, one teaspoonful of cornstarch and one teaspoonful of salt. Beat the ingredients into the yolks of two eggs, add three tablespoonfuls of cream, either sweet or sour, one-half cupful of vinegar and the beaten whites of two eggs. Cook until it thickens, stirring constantly; remove from the stove and stir in four tablespoonfuls of olive oil.

### Molasses Doughnuts.

One-half cupful of molasses, one-half cupful of sugar, one cupful of sour milk, one large teaspoonful of salt, one-half teaspoonful each of ginger and nutmeg, one teaspoonful soda, one-fourth teaspoonful of cream of tartar, two eggs, one tablespoonful of sweet cream, flour enough to handle easily. Sift all ingredients together before adding the milk and eggs. Have lard piping hot and turn doughnuts but once in it.

### Apple Ginger.

Wipe, pare, core and chop two and one-half pounds of sour apples. Put in a stewpan and add one and one-half cupfuls light brown sugar, the juice and rind of one and one-half lemons, one-half ounce ginger and just enough water to prevent apples from burning. Cover and cook slowly for four hours, adding water if necessary. This may be kept for several weeks and is nice to serve with goose or pork.

### Baked Hamburg Steak.

Take about 25 cents' worth of hamburger steak, cut a good sized onion up in it, season with salt and pepper and beat an egg into it. Put in dripping pan with meat drippings of any kind and about a cup of water. Bake until done, take out meat, make a brown gravy, pour over roast and serve. It is also fine cooked in tomatoes. Pour can of tomatoes over it before putting into the oven.

### Standard Brown Bread.

Take two cupfuls of sweet milk, one cupful of New Orleans molasses, one cupful of rye flour, one cupful of Graham, one cupful of cornmeal, one teaspoonful of soda, a little salt and steam five hours.

### Very Likely.

## MERIWETHER HOSPITAL WILL BE ENLARGED SOON

Plans Not Yet Completed But It Will Be Modernly Equipped.

It is understood that Dr. F. T. Meriwether is to build an addition to his hospital on Grove street at an early date. This is one of the largest private sanitariums in the city and is beautifully situated in one of the prettiest parts of the city. Since it was established by Dr. Meriwether a few years ago it has grown wonderfully in patronage. At almost all times now it is filled to its capacity and for this reason the addition has become practically a matter of necessity. The plans for the addition have not yet been fully made, but it is learned that they will be completed within a short time and building operations will likely start at an early date. The addition will include private wards

and possibly an operating room and will be equipped in the most modern and sanitary manner. The hospital will be one of the most complete and up-to-date of any in this section of the state, when the additions and improvements are completed.

The present structure, situated in commodious grounds on Grove street, was formerly one of the city's best residence houses. The building is of brick, is three stories high and has large airy rooms with high ceilings. A small addition to the building was constructed about a year ago.

## Buy Oranges and Grapefruit by the Box and Cut Your Winter Fruit Bills in Two

Which means that your family can have twice as many oranges and grapefruit—taking the place of other food costing more, and saving you money also on doctor's bills.

For there is no food so appetizing, so dainty, so healthful, as ripe oranges and grapefruit—especially when bought in the original boxes direct from the groves of Florida.

It's the juice you buy citrus fruits for—the element that contains the citric acid—and Florida oranges and grapefruit contain 40 to 60 per cent more juice than other kinds.

While all oranges and grapefruit are good, and Florida-grown oranges and grapefruit are better than others, you can get the best only in the boxes shipped by the Florida Citrus Exchange.

Ask your dealer for fruit in such boxes—and insist on having it. For economy's sake and for health's sake, buy your oranges and grapefruit in boxes bearing in big red letters this mark—
