

IF GOOD FOR DOG'S MANGE IT MAY ALSO HELP FATHER

SHOWING HIS NEW CROP OF HAIR, THANKS TO THE REMEDY BOUGHT FOR HIS DOG.

THE POMERANIAN WAGS HIS TAIL AND BARKS FOR JOY KNOWING THAT THE HAIR WASH IS PARTLY FOR HIM.

DO YOU THINK YOU WILL BE WASHING WITH IT FOR BEPPO?

"Fido's cure will do for father"; that is, Fido's mange cure will do for father's bald head; and if the testimony of some druggists is true it will do for the dandruff of mother and sister and brother. For "they're using it now". Mange remedy for the various diseases of the scalp and hair, especially dandruff and baldness, is much in demand all over the country since it was discovered that it will do much for those troubles.

According to a statement of a local druggist, people in this vicinity have been using the mange remedy for the past few years and they testify that it has been successful where all other remedies have failed. The druggist said that he had been selling the mange remedy to a man for his dog and that one day the man came into

the store and reported that he had accidentally got some of the medicine on his hair while he was applying it "on the dog". He said that he noticed it had a salutary effect on his hair, and he wanted another bottle. Later he returned and said that it had completely removed the dandruff and much invigorated his hair.

The fact that the mange cure will also cure dandruff and baldness seems to have been discovered in much the same way all over the country. As for that, it need not be surprising, since dandruff is evidently a form of "mange," and dandruff causes the baldness, so it is said.

The owners of poodle dogs and other "lap dogs" can now share the cure with Fido. There seems to be no doubt as to its curative properties when applied to the human scalp. Whether this would apply to all

mange cures is a matter to be determined. Anyhow some of them will cure the man or woman who wants to try, can get the right kind from the druggists, for they all know the brand.

The fact that a cure for dandruff has been discovered and that bald heads are no longer necessary ought to be hailed with delight. The bald headed one need no longer be the butt of the pert paragrapher and the punster. He can go to the drugstore and get relief.

There has been much time and money spent in the effort to discover a sure cure for baldness and dandruff. Hundreds of thousands of times more have been spent for these remedies after they were discovered. It's a wonder that the cure in this respect was not discovered long before, for we are in the habit of trying things that have been "tried on the dog."

No inquiry shall be made as to the political or religious opinions or affiliations of any eligible, and no recommendation in any way based thereon shall be received, considered, or filed by any officer concerned in making selections or appointments. Any such recommendations in writing forwarded to any such officer shall be at once returned to the writer with attention invited to the purport of this order, and attention hereto shall be similarly directed in connection with any verbal recommendation. MESSAGE OF GOV. BLEASE IS ORDERED EXPUNGED

Legislature Votes to Eliminate Objectionable Portions of Executive Document.

Columbia, Jan. 24.—The house of representatives of South Carolina legislature late last night adopted the report of the judiciary committee recommending that most of Governor Blease's veto message on the so-called libel bill be expunged from the journal of the house. The vote to expunge the portions of the message reflecting on the integrity of the press of the state was 56 to 25. This is said to be the first time that any portion of a governor's message had been expunged from the journal of either of two houses of the legislature.

The governor, on January 10, sent to the legislature a message with his veto of the so-called libel bill. The governor's message made frequent use of the words "dirty," "lie," "scurrilous" and "cowardly" and denounced the newspapers generally.

If an American ship, however, is owned by a railroad company and is operated to offset the expected reduction in cost of freight transportation, it will pay double the foreign rate.

Rheumatic Pains

are quickly relieved by an application of Sloan's Liniment. It's very penetrating, goes straight to the sore spot.

HERE'S PROOF

Mrs. Eliza Martney, 429 Talman Ave., Chicago, Ill., writes: "About two years ago my mother broke down with rheumatism. The doctors didn't do any good. My mother was persuaded to try Sloan's Liniment, and in three weeks was entirely well—and I believe she is cured forever."

Mrs. A. W. Wideman, of 203 E. Thompson St., Marysville, Mo., writes: "The nerve in my leg was destroyed five years ago, and left me with a jolting at night so that I could not sleep. A friend told me to try your liniment and now I could not do without it. I find after 19 use I can go to sleep."

SLOAN'S LINIMENT

is an excellent remedy for sprains, bruises, sore throat, asthma, neuralgia, lumbago, lame muscles and ailing joints.
