GATE CITY WANTS LUTHERAN COLLEGE

Greensboro Believed to Have a Good Chance of Landing School.

Gazette-News Bureau, Daily News Building, Greensboro, Jan. 27. Greensboro has been aroused to a realization that there is a chance of securing the college to be erected by the Lutheran Synod of North Carolina and it is practically certain that the Gate City will be a contender. Rev. J. E. Shenk, pastor of the Lutheran church here, and secretary of the synod of North Carolina, has been called into conference with the secretary of the chamber of commerce and other public spirited citizens and the field gone over with a view to ascertaining what Greensboro would have to do to successfully compete with other cities and towns bidding for the institution. The committee having in charge the selection of a site and other matters incident to the building of the college will report to the synod meeting in May with recommendation for location, and Greensboro people hope to be able to submit so favorable a proposition as will ensure a Report from the committee favorable to this place. It is pointed out that already the two female colleges here are overflowing notwithstanding their capacity for more than 1000 students. Last year the State Normal turned away over 200 applicants while the G. F. C. had to refuse admission to more than 150 girls. It is contended that Greensboro, already an educational center and being centrally located, is the ideal place for the new institution of learning.

Gudger and Grant Recent Waynesville Visitors - Peach Orchard Planned.

Special to The Gazette-News. Waynesville, Jan. 27.—Robert Boyd, an attorney of Dallas, Tex., who has been on a visit to his parents, Mr. and Mrs. D. L. Boyd, has returned to his home. David Cagle has gone to Charlotte. John Grant, former republican congressman, was here a few days ago, looking over the political field. Congressman J. M. Gudger, Jr., was here Wednesday to view the political situation and to get an idea of his strength in Haywood. Two prominent Jackson county citizens were here recently. They said Congressman Gudger had very little strength in Jackson and would have some explaining to do. Solicitor Felix Alley was here this week. His friends are trying hard to get him to enter the race for the congressional nomination. He has not yet decided whether he will be a candidate or not. He said he would in time write a letter for publication which would let his attitude towards the congressional nomination be known. It is intimated that George D. Sherrill will enter the race for the office of register of deeds which will make the ninth candidate for that office if the incumbent, J. M. Noland, wishes to succeed himself. B. H. Pearson, senior member of the Waynesville Produce company, is ill. James Worthington of Maryland has accepted a position in the Southern States depot. SOFTNESS OF SEALSKIN

Is Rivalled by Human Hair Where Dandruff is Eradicated.

Sealskin is admired the world over for its softness and glossiness; and yet the human hair is equally as soft and glossy when healthy; and the radical cause of all hair trouble is dandruff, which is caused by a pestiferous parasite that saps the vitality of the hair at its root. Newbro's Herpicide is the only preparation that is fatal to the dandruff germ. Without dandruff there is no falling hair, but a luxuriant growth of glossy, soft hair is certain. Scouring the scalp won't cure dandruff. Kill the dandruff germ. Thousands of women owe their beautiful suits of hair to Newbro's Herpicide. Sold by leading druggists. Send 10c in stamps to The Herpicide Co., Detroit, Mich. One dollar bottles guaranteed. Smith's Drug Store, special agent.

TALK WITH THE FARMERS ABOUT CREAMERY PLAN

Curtis Bynum and E. D. Weaver Hold Meeting at Hemp-hill School House.

Curtis Bynum, who conducts a co-operative creamery at Fletcher, and E. D. Weaver, the county demonstrator, met with about 40 farmers at the Hemp-hill school house on Reems creek yesterday and Mr. Bynum outlined to them his plan for a co-operative creamery which he proposes to establish at Asheville, provided he can get the co-operation of the farmers and certain other conditions are fulfilled. There were evidences that the farmers are pleased with the proposition and that they will furnish cream to the plant if it is established. A meeting of this kind was held at Weaverville not long since. It is likely that others will be held in various parts of the county in the effort to insure co-operation before the plant is established.

A Righteous Leader.

A gentleman who heard him speak in Raleigh writes us that the highest note that was struck in the matchless address of Hon. William J. Bryan was something like this: "Fellow citizens, matters not what party wins or loses, no nation is safe that does not embrace the Jesus Christ. That is indeed a significant statement coming from the lips of a political leader in a political speech. And we may be pardoned for saying, this is what makes Mr. Bryan so strong before the people of this country. Many people doubt his judgment, but nobody doubts the purity of W. J. Bryan's motives, or the cleanness of his life. He is an earnest Christian and never compromises his religious convictions or principles to promote his personal interests. It means a great deal that so pure a man as Mr. Bryan and one who is so outspoken in his religious life and so loyal to his Lord, commands a following so great and wields an influence second to no other American citizen. We are not advocating Mr. Bryan or espousing his political beliefs. We do not believe he is as safe as a wife as others who could name, but we do want to emphasize the fact that in our public life we have one man who is not ashamed to own his Lord or to defend his cause. Mr. Bryan's influence in our national life has been most salutary and wholesome. No other citizen has done more, or perhaps we should say so much as he, to uplift our political campaigns and purify our public life. A righteous man—one who eschews evil and lives close to the Lord—is a rarity but such a man is William Jennings Bryan, and we pray that his tribe may increase."—Thomasville Charity and Children.

A Whiner.

"The bluff, cheery optimism of the late Senator Frye," said a Lewiston, O., "could not brook a whiner. Once at a dinner in Lewiston a whiner seated opposite Senator Frye said solemnly: "I have only one friend on earth—my dog." "Why don't you get another dog?" said Senator Frye.—Exchange.

SAYS HE RAISED WILSON MONEY

(Continued from page 1) expert or otherwise, but I desire your good opinion and wrote with that, as well as the truth of this matter in mind. "I am with you senator, in wishing a democrat, not a pseudo-republican for our presidential nominee. It was no less from a sense of party duty than of justice as between man and man that I made the statement to which—upon a total misapprehension of the facts—you take exception. "I have been aware for nearly a week that recognized spokesmen for Gov. Wilson were industriously circulating the story that the real reason why Gov. Wilson broke with Col. Harvey was that Col. Harvey had tried to bring Mr. Thomas F. Ryan into the governor's campaign. But, until you gave credence to the story, it could not be invested with any responsible authority. Its origin was mysterious, its circulation surreptitious. Consequently there has been up to this time nothing either to deny or recognize. "Now, senator, I know, of my own knowledge that that story is a lie made out of whole cloth. If any person ventures to question this assertion, I have in my possession proof conclusive which I hold myself ready to place before your honest and truth seeking mind. "I do not accuse Gov. Wilson of originating or circulating this invention, manufactured to make a hero of him at the expense of the friend who has most effectively served him. I do not assume he is aware of the dastardly work being done by his alleged agents, but the fact remains that Gov. Wilson knows as well as I do that the story is false. He may, or may not feel that he owes any obligation to Col. Harvey. That is a matter of which he must be the judge. But I do insist that he owes it to his honor to repudiate that story and to disavow those who are striving to inject the calumny into the public mind. "At Gov. Wilson's instance, I had undertaken to assist his accredited managers in raising the considerable sums of money, needed for the prosecution of his campaign, and in this my efforts were not wholly unfruitful. As the business proceeded, the name of Thomas F. Ryan not unannaturally came into my mind. He is a democrat, he is a Virginian, he is my friend. Knowing him to be a disinterested man, having no axe to grind, I hoped that I might induce him to help out what I believe a worthy cause. Gov. Wilson's managers were delighted with the suggestion. Col. Harvey had nothing whatever to do with it, and, as far as I am aware, knew nothing whatever about it. "Throughout this unhappy affair I have been an unwilling witness—in its consequences, somewhat of an innocent bystander—having been up to the hour of the Harvey incident, a sincere believer in Gov. Wilson. He is a man of ability. In some ways he might prove a candidate of availability; but I fear that if he became our president we might discover all too late that he possesses personal peculiarities which would prove disastrous. We want in the white house, a man of broad mind, as well as polished intellect, of heart grateful and kind, no less than daring. "I remain, with great respect, "Your obedient servant, "Henry Watterson." Hon. B. R. Tillman.

A COMMUTERS TICKET ON WEAVERVILLE LINE

Announcement of Decision to Issue It Is Made by A. & E. T. Management.

Of interest to the people of Asheville and Weaverville will be the information that the management of the Asheville and East Tennessee railroad has decided to inaugurate a commuter's ticket for those who travel regularly back and forth between the two places. This announcement will be welcomed by many. There are those who travel over this road daily who have often expressed the opinion that such a ticket would fill a long felt want. No statements are made as yet as to what the ticket will cost or what conditions will govern its use. There is little doubt, however, that there will be advantages in its use for those who make the trip daily. There are many people living in Weaverville who have business in Asheville to whom this announcement will be a matter of interest. It will certainly work to the advantage of the town of Weaverville for there are many people having business in Asheville who have said that they would like to live in Weaverville provided they could obtain transportation on more favorable terms than that afforded by the single ticket.

REV. CALVIN B. WALLER, ORATOR OF HIGH DEGREE

Says Mars Hill Record—Minister Has Conducted Services There.

Rev. Calvin B. Waller, pastor of the First Baptist church, has returned to Asheville from Mars Hill, for his Sunday services. Mr. Waller has been holding a most successful series of evangelistic services at Mars Hill. Says the Mars Hill Record of today: "He is an expert evangelist, an orator of high degree, a preacher of almost unexcelled qualities for reaching the heart of sinner and sinner, and thus conversing with the inner man." The services began Monday evening, and the Record reviews each service briefly. It concludes by saying that Mr. Waller "has been attentively listened to by a crowded auditorium each service, the two side aisles and the center aisle blocked to either end, while the rear of the auditorium was packed to the door with occupied seats. "He has preached the old, old Gospel with great power; sinners have been converted; Christians revived and the church mightily strengthened. The meeting is not yet closed, but the pastor will continue the service, and if the interest demands, Dr. Waller will be called Monday to continue the services through next week. Many are already added to the church; near a hundred conversions besides."
