

ULL, SICK HEADACHE, BILIOUS, BREATH BAD, STOMEGH, CONSTIPATION,—TAKE CASCARETS

Sick headaches! Always trace them to lazy liver, delayed, fermenting food in the bowels or a sick stomach. Poisonous matter, instead of being thrown out, is reabsorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, awful throbbing sickening headache.

Cascarets remove the cause by stimulating the liver, making the poison move on and out and purifying the blood. The effect is almost instantaneous. Ladies whose sensitive organisms are especially prone to sick headaches, need not suffer, for they can be quickly cured by Cascarets. One taken tonight will straighten you out by morning—a 10-cent box means a clear head and perfect health for months. Don't forget the children—their little insides need a good, gentle, cleansing, too. Children gladly take Cascarets, because they taste good and never gripe or sicken.

SOCIAL HAPPENINGS

Personal Mention, News of the Societies, Meetings, Etc.

Basket Ball at the Young Women's Christian Association.
During the last few weeks several basket-ball teams have been organized at the Y. W. C. A. gymnasium. The following schedule of games has been arranged and the team winning the largest number of games is entitled to the championship:
Last Friday the Juniors played Asheville Girls' school.
Yesterday, Asheville Girls' school played the High school.
Thursday, March 7, High school vs. Juniors.
Monday, March 11, Juniors vs. Asheville Girls' school.
Friday, March 15, A. G. S. vs. High school.
Thursday, March 21, Juniors vs. High school.

There is a great deal of interest being shown in the game and the teams are all playing excellent ball, the teams being very evenly matched. The first game of the series played last Friday between the Juniors and Asheville Girls' school resulted in a tie, score being 6 to 6. The second game was played Tuesday, at 3:30 p. m. between the High school and Asheville Girls' school, and resulted in a score of 4 to 6 in favor of the A. G. S.

This being the first series of such games among the girls of the gymnasium there is considerable enthusiasm and each team is rallying loyal supporters. All of the teams deserve credit for their good work in such a short time.

Looking Backward.
The following suggestion is part of an exceedingly clever article of recent appearance in one of the leading magazines of fashion, and will interest all women who desire to be well groomed. The article is entitled "Looking Backward," and contains some valuable suggestions:

Dear women, do try to remember that you are not always approaching people. Sometimes, and oh, so very often, you are seen and judged only from the back. You may be harshly criticized just because of those straggling hairs which have slipped from your barrette, or the heels of your shoes which you forgot to polish. Keep good friends with your hand mirror, and don't consider yourself dressed until you have scrutinized well your back view, from the crown of your hat, or the top coil of your hair, to the heel of your little shoe.

For Miss Whitlock.
The following comes from the Statesville Landmark, and will be of interest to the many friends of Miss Carrie Whitlock in this city:
"Mrs. William Wallace gave a card party Thursday afternoon at her home on Walnut street, complimentary to Miss Carrie Whitlock of Asheville.

DEPARTMENT WILL OPEN MARCH 15

If you have a special income, fund, or savings you wish to conserve for the purpose of purchasing any article in our store, for yourself, for a wedding, birthday, Christmas, New Year, Easter, or other gift, you can leave the money with us in any amounts from ten (10c) cents up, and we will pay you four (4%) per cent interest on your money until the selection is made.

This department will be called a "prepay interest-bearing deposit account" department, which we hope will be used by hundreds of our customers who, we believe, will then find it agreeable and easy to purchase that wedding present or diamond ring.

Under this plan you may deposit with us any sum of money you wish to place in our keeping and your purchases from time to time will be charged against this account. On your balance the first of each month we allow and pay you interest at the rate of four (4%) per cent per annum. Under this plan any money deposited with us to be used for the purchase of merchandise draws a substantial interest and does not lie idle. THIS DEPARTMENT DOES NOT DO A BANKING BUSINESS. The funds on deposit with us are to be used only for the purchase of merchandise from our store; but, if you should desire to withdraw your money, you can do so at any time. We do not want the deposit of funds except from those who intend using them in the purchase of merchandise.

As a special security for this department we have deposited with the Citizens Bank a Bond for Fifty (\$50,000.00) Thousand Dollars.

You are invited to try this plan and see if it is not an agreeable, pleasant, useful, and exceedingly easy way of making purchases.

This department will be open March 15th, 1912.

TAKEN ILL AT OFFICE

Having Spent Several Hours Lying on the Floor, This Young Lady Finally Succeeded in Getting Home, Back to Work in Two Weeks.

Norfolk, Va.—"For ever a year I suffered with a pain in my left side," writes Miss Trix Cooper of this city. "One day I was taken sick in the office, and, being alone, had to stay. I walked the floor, lay down on the floor on newspapers, sat in a chair almost doubled, and finally the pain got so severe, I could stand it no longer, so I closed the door and went home.

I stayed in bed for two weeks on the flat of my back, and couldn't even move my foot. Being disgusted with trying doctors' medicines, poor mother, after trying everything that could be thought of, finally came into my room with a bottle of Cardui, the well-known woman's tonic. Before I had taken one-third of the first bottle, I began to improve, and before a week had elapsed, I was able to turn over in bed alone.

I constantly grew better, and in less than two weeks, I was at work again. Cardui certainly did it all I claimed for me."

For quick relief from all forms of womanly trouble, Cardui has been found to have no equal. Are you a sufferer? Cardui is probably the medicine you need. Try it. N. B.—Write to: Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn., for Special Instructions, and 64-page book, "Home Treatment for Women," sent in plain wrapper, on request.

There will be two declarations by R. F. Crouse and C. S. Norburn; and two orations by G. C. Hull and E. L. Edwards. W. Campbell will preside over the meeting and M. Groves will be secretary. The marshals for the occasion are Carson, Simpson, Coman, Joyner and Eller.
