The advance of a storm from Utah and Colorado is causing conditions to again become unsettled and present indications are for rain in this vicinity late tonight and on Friday.

STERILIZED BARBER SHOP

A Famous Shop in the Carrollton Hotel, Baltimore, Maryland.

The barber shop in the Carrollton hotel, Baltimore, sterilizes everything it uses in the shop. The sterilizing is done by heat. The towels, the razors, the strops, the soap, the combs and brushes are all sterilized before being used on a customer. Where there is no sterilization, have the barber use Newbro's Herpicide. It kills the dandruff germ, and it is an antiseptic for the scalp, and for the face after shaving. All leading barbers everywhere appreciate these potent facts about Herpicide and they use it. "Destroy the cause, you remove the effect." Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

BREWER HEARING TOMORROW, 2 P. M.

Negro Charged as Policeman's
Slayer Is Now About as
Well as Ever.

After an imprisonment of several weeks in the county jail, during which time he has had an attack of pneumonia of such seriousness that his recovery was doubtful, Wes Brewer, alias John Huff, or rather supposed of being John Huff, the slayer of Patrolman McConnell, will be given a hearing before Magistrate W. R. Gudger tomorrow at 2 o'clock. The negro has recovered from his illness and is about as well as ever.

The hearing was set for yesterday but was postponed. So little interest is felt in the outcome, it is thought by some that the evidence will not be sufficient to hold him to court, since one man has stated positively that Brewer was working for him in Laurins, S. C., at the time the officer was shot. On the other hand, there are many that think he will be held, among them some of the police officers, who declare that they think he is the man wanted. Their opinions are based partly on the statements of about a dozen men that they think the negro is Huff.

TEACHERS ENDORSE PLAYGROUND PLANS

The teachers of the city schools have endorsed the movement to create playgrounds for the children of the city. At their last regular monthly meeting the matter was discussed and a committee was appointed, which drafted the following resolutions:

Whereas we, as teachers, recognize the value of play in the proper all-round development of boys and girls, and are deeply sensitive to the needs of the city for adequate playgrounds and such other things as the Playground association is now making a plea for;

Resolved, that we heartily endorse the association and urge that the citizens and board of aldermen give due and favorable consideration to its plans.

BUYS NEW BALL PARK.

Charles H. Ebbets, the president of the Brooklyn National Baseball Club, has purchased new grounds for his team in the City of Churches and plans to erect a handsome home for his jets. The Brooklyn look like a formidable bunch this season.

Signs Two Men.

T. M. Duckett, secretary and treasurer of the local baseball club, has received word that Manager Kling has signed two new men for the Mountaineers and these men will come here soon for a tryout.

Harry C. Davis, a six-footer from Maryland, has been signed for catcher. It was upon the recommendation of Dent of the Brooklyn Nationals that Kling signed this man.

Daniel McDonald is the other man, and he is an infielder from the Eastern college, Manassas, Va., where he has played college ball for four years. Doubtless McDonald will be given a tryout as shortstop here and all indications, Kling says, are that he will make good.

STOMACH-DISTRESS AND DYSPEPSIA GO

Diapepsin Makes Upset Stomachs Feel Fine in Five Minutes.

As there is often some one in your family who suffers an attack of indigestion or some form of Stomach trouble, why don't you keep some Diapepsin in the house handy?

This harmless blessing will digest anything you can eat without the slightest discomfort, and overcome a sour, gassy Stomach five minutes after.

Tell your pharmacist to let you read the formula, plainly printed on these 50-cent cases of Pape's Diapepsin, then you will readily see why it makes indigestion, sour Stomach, Heartburn and other distress go in five minutes, and relieves at once such miseries as Belching of Gas, Eructations of sour, undigested food, Nausea, Headaches, Dizziness, Constipation and other Stomach disorders.

Some folks have tried so long to find relief from indigestion and Dyspepsia for an out-of-order stomach with the common, every-day cures advertised that they have made up their minds that they have something else wrong, or believe theirs is a case of Nervousness, Gas-tritis, Catarrh of the Stomach or Cancer.

This, no doubt, is a serious mistake. Your real trouble is, what you eat does not digest; instead, it ferments and sours, turns to acid, Gas and Stomach poison, which putrefy in the digestive tract and intestines, and besides, poison the breath with nauseous odors.

A hearty appetite with thorough digestion and without the slightest discomfort or misery of the Stomach, is waiting for you as soon as you decide to try Pape's Diapepsin.
