**YOUNG NEGRESS JAILED
ON INFANTICIDE CHARGE**

Child's Body Found Beneath
Floor of House—Coroner's
Inquest Is Held.

Ritha Shipman, a negro girl, is in the city jail charged with infanticide, and her aunt, Addie Osborne, is also imprisoned and is charged with being connected with the case. The women were arrested yesterday afternoon and later an inquest was held by Coroner Morris as a result of which the coroner's jury returned a verdict to the effect that the infant had come to its death by the neglect of its mother and other parties unknown. The post mortem examination pointed to the fact that the child was living when abandoned by the mother.

A letter from an unknown person was received at police headquarters yesterday which gave the information that a baby had been born at 48 Hill street and "done away with." Patrolman Jones was assigned the case and he went to the house and found the young negro woman, who at first disclaimed all knowledge of the affair. Later, however, she confessed and showed the officer where she had hidden the child. It had been pushed through a hole under the floor of the house. The body was bruised, probably from the fall to the ground.

The woman said that her aunt knew nothing of the case but the older woman was arrested. Later she was released, but after the inquest she was again taken in custody. It is said that the child was born Friday morning.

The prisoner is said to have come from Hendersonville last September and was boarding at the place where the body of the baby was found.

**Consumptives Helped By
Tuberculosis Medicine**

It is folly to believe that Consumption differs from every other disease in not requiring the use of any specific medicine for its cure. The trouble has been that none was known until the many cures effected by Eckman's Alternative began to be realized. Now, for 10 years, an enormous mass of voluntary and thankful testimonials from persons who consider that they owe their lives to this remedy has been accumulating. Surely plenty of time to demonstrate its lasting value. You can write to any of them. Here is one:

5223 Girard Ave., Philadelphia, Pa.
"Gentlemen—In the winter of 1903 I had an attack of Grippe, followed by Pneumonia, and later by Consumption. I grew steadily worse. In the winter of 1904 I had cough, night sweats, fever and rapid quantities of awful looking stuff and later I had many hemorrhages; at one time, three in three successive days. Milk and eggs became so distasteful I could keep nothing down. Three physicians treated me. I was ordered to the mountains, but did not go. Eckman's Alternative was recommended by a friend. After taking a small quantity I had the first quiet night's sleep for weeks. My improvement was marked from the first. I gained strength and weight and appetite. I never had another hemorrhage and my cough gradually lessened until entirely gone. I am perfectly well. Everything I say here can be verified by my family and friends." (Signed affidavit) ANNIE F. LOUGHRAN.

Eckman's Alternative is effective in Bronchitis, Asthma, Hay Fever; Throat and Lung Troubles, and in rebuilding the system. Does not contain poisons, opiates or habit-forming drugs. For sale by all leading druggists. Ask for booklet of cured cases and write to Eckman Laboratory, Philadelphia, Pa., for additional evidence.

CAUSES SICKNESS

Good Health Impossible With a Disordered Stomach.

There is nothing that will create sickness or cause more trouble than a disordered stomach, and many people daily contract serious maladies simply through disregard or abuse of the stomach.

We urge every one suffering from any stomach derangement, indigestion, or dyspepsia, whether acute or chronic, to try Rexall Dyspepsia Tablets, with the distinct understanding that we will refund their money without question or formality, if after reasonable use of this medicine they are not satisfied with the results. We recommend them to our customers every day, and have yet to hear of any one who has not been benefited by them. Three sizes, 25c, 50c, and \$1.00 a box. Sold in Asheville only at our store—The Rexall Store—Smith's drug store, Pack square and South Main street.

"Polly of the Circus."

One of the treats in store for the patrons of the Auditorium is the return engagement of Frederic Thompson's biggest success, "Polly of the Circus," with dainty and winsome Ida St. Leon as Polly.

Mr. Thompson has provided a cast of well known players and a grand array of circus talent, among whom are the St. Leon family, of equilibrists, clowns, acrobats, gymnasts and bareback riders, also carrying horses, dogs, ponies.

This play is a sermon on narrow-mindedness, is simple, sweet, natural and charming, and disarms criticism. It is a play for mothers, wives, sisters and sweethearts.

When you have rheumatism in your foot or instep apply Chamberlain's Liniment and you will get quick relief. It costs but a quarter. Why suffer? For sale by all dealers.

MRS. LEE OWNBEY

Death Occurred Yesterday Afternoon and Funeral Was Conducted This Morning.

The funeral services over the remains of Mrs. Lee Ownbey, who died yesterday afternoon at her residence, 78 Cherry street, after an illness of ten days, were conducted from the residence this morning at 10:30 o'clock by Rev. J. S. Williams. The pallbearers were C. S. Davis, G. E. Stradley, J. M. Stoner, W. C. McCoull, E. R. McIntyre, John A. Groves. The interment was at Riverside cemetery.

Mrs. Ownbey came to Asheville from Rocky Mount about two years ago and had made many friends. She was a member of the First Baptist church.

Issues at Andrews.

At the coming special and extraordinary election the following issues will be submitted to the voters.

1. Shall a complete system of sewerage be put in and all householders required to connect thereto?
2. Shall dogs be kept within the corporate limits?
3. Shall cows be allowed to run at large in the town?

Other issues have been proposed and may be voted upon, such as: Shall the corporate limits be enlarged by the next legislature so as to include Valley town and the north side of Valley river, including Summit Stewart, C. B. Walker, Donald Holland, Dr. H. G. Webb, J. D. Link and H. A. Bickett; and the Hazel farm and Bauer Talham on the south side of the river.

Another issue proposed relates to the appropriation of domestic fowls or in other words—shall your chickens scratch up your neighbors' garden sars?

Altogether the issues submitted promise a lively and interesting campaign, and as everybody will get a chance to vote the result ought to show what the people think about these things.—Andrews Sun.

Characteristic.

"That old financier's last words were characteristic of him."
"What were they?"
"He died at the age of eighty and said he hated to go at so far below par."—Judge.

Don't buy cheap paints
They don't last. The colors fade. They don't cover much surface. They produce a coating that looks poor and is rough and non-glossy. Cheap paints like cheap foods are "doped." "Doped" paints are about as good for your house as "doped" foods are for your health. Use **Lucas Tinted Gloss Paint**—ONCE USED—ALWAYS PREFERRED. It has all the good qualities that cheap paints lack. You cannot get a paint that will last longer, cover more surface per gallon, look more beautiful, or prove more economical to use. Say "show me."
