**REFUSED TO
 DIVULGE SECRET**

Mrs. Pruitt Attributes Her Suffering in Later Life to the Fact That She Kept Her Condition Secret When a Young Girl.

Hickory Grove, S. C.—"I was in bad health before I married," writes Mrs. Mary Pruitt of this place, "but kept it a secret, as most young girls do. I am sure if I had taken Cardui, the woman's tonic, when I was young, I would not have gone through seven years of suffering. Soon after I was married, the trouble became so severe I was forced to seek relief. I tried every doctor I saw, and five different doctors in one town. They claimed they could cure me, but all failed, and we decided that I would never be well. I had such aching and drawing pains in my back, legs, sides and head, that I would cry and scream and tell my husband that I was going to die. Finally, one day, he read in the Ladies' Birthday Almanac about Cardui, the woman's tonic, and got a bottle for me. After taking the first dose, I felt better, and after using one bottle I never did have any more pain. It relieved me at once. I can never praise Cardui enough." Cardui has been found to relieve women's pains and strengthen women's weakness. It has stood the test of time. Try it. N. B.—Write to: Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn., for Special Instructions and 64-page book, "Home Treatment for Women," sent in plain wrapper, on request.

**BANQUET OF BARACAS
 PROVES GREAT SUCCESS**

About 150 Present—The Teacher, Mr. Craig, Presides—Speaker of the Evening.

The banquet of the Baraca class of the First Baptist church held at the Battery Park hotel last night was a success in every respect. There was an attendance of about 150 members, the menu was most appetizing, and a number of interesting responses to toasts were made. A few impromptu speeches were delivered by the guests present, and at the conclusion of the banquet a group photograph was made by Ray. E. C. Green, president of the class, reviewed the history of the organization and told of the growth of the growth of the class, paying high tribute to the teacher, Locke Craig. Mr. Craig acted as toastmaster and introduced each speaker with a few well chosen words. The first toast was responded to by Judge J. C. Pritchard on the subject "Daniel as an Example for Young Men." In referring to the life of Daniel, he told of the temptations, that had assailed him and how he had overcome them, such temptations as come to all young men. "Success" was the subject to which R. R. Reynolds responded and he enumerated some of those qualities which go to make success. "Our Teacher" was the subject of Dr. L. B. McBrayer's toast. He paid tribute to the teacher of the class and then praised the members of the class, which he said included some of the city's most successful young men. J. C. Martin spoke on "Christian Manliness" and he declared that the world needs young men who have the courage of their convictions. Rev. C. B. Waller's toast was, "The Baraca Class and Its Influence," and he dwelt on the work that is being done by the Baracas. Mr. Craig made a few remarks, expressing appreciation of the honor of teaching the class and for the words of kindness from the speakers. Short talks were made by C. S. Davis, Dr. McManaway of Waynesville and Judge P. C. Cocke.

Milady's Toilet Table

By MRS. DUMILLE
 A simple home treatment that keeps the hair fine, clean, fluffy and glossy, is dry shampooing once or twice a month with therox. To prepare the powder, put a cupful of cornmeal for four ounces of powdered orris root in a fruit jar and mix with it a small original package of therox. Sprinkle a little on the head and brush it out thoroughly, and it will take all dirt, dandruff and excess oil with it. An inquisitive everyday toilet necessity of the choicest materials can be made at home at little cost by simply dissolving an original package of mayatone in a half-pint witch hazel. Cover the face, neck and arms with this solution, and its purity, fineness and velvety softness will prove desirable and refreshing to the most sensitive skin. It beautifies without that "powdered" appearance—and "holds" as no powder does. A splendid remedy for sores, skin eruptions, pimples, eczema and similar beauty destroyers is Mother's Salve. It heals cuts, burns and scalds without leaving a scar, and is recommended for obstinate sores. It is antiseptic as well as healing and tends to prevent blood poisoning. Probably nothing is more humiliating to a woman than hairs on her face. However, these can be quickly removed by applying delatone paste. Mix enough powdered delatone with water to cover the hairs; leave on for two minutes, then wipe off, wash the skin, and the hairs will be gone.

**HIGH SCHOOL DEBATE
 TAKES PLACE TONIGHT**

Subject One of National Interest and Debaters Have Been Studying Hard.

Tonight at 8 o'clock in the High school auditorium the High school will meet the Waynesville High school in debate. It is understood that the men from Haywood county are strong debaters and that the Asheville boys will not have a walk-over; but of course they feel confident of victory. It was known yesterday that a large number of Waynesville people were coming in to witness the contest, and the public of Asheville are earnestly requested to be present. There will be no admission charged and it is expected that the house will be crowded.

Waynesville was given the choice of subject and side, and took the affirmative of the question: "Resolved, That the United States own and manage all telegraph lines of this country." This subject was debated a few weeks ago in the High school, when Hubert C. Jarvis, who was on the affirmative side in the preliminary and Charles Tennent, of the negative side were chosen to represent the High school. Mr. Jarvis was the winner of the set of books given by Prof. R. C. Goldstein to the best debater in the High school. Wallace B. Wright will be Asheville's alternate. The Waynesville debaters are Buel Hyatt and Leon Ward with Sam Platt as alternates.

The subject is one of national interest and is one which our congress is soon to take up. Supt. R. J. Tigue will preside and Principal Thomas H. Franks of the Waynesville high school will be time-keeper. The judges are Judge Junius G. Adams, Mark W. Brown and W. H. Cole, principal of Hendersonville high school.

 BOX OF CASCARETS**

Insures You for Months Against a Sick Headache, Biliousness, Constipation or a Bad Stomach.

Put aside—just once—the Salts, Cathartic Pills, Castor Oil or purgative waters which merely force a passage through the bowels, but do not thoroughly cleanse, freshen and purify these drainage or alimentary organs, and have no effect whatever upon the liver and stomach. Keep your inside organs pure and fresh with Cascarets, which thoroughly cleanse the stomach; remove the undigested, sour and fermenting food and foul gases, take the excess bile from the liver and carry out of the system all the decomposed waste matter and poisons in the intestines and bowels. A Cascaret tonight will make you feel great by morning. They work while you sleep—never gripe, sicken and cost only 10 cents a box from your druggist. Millions of men and women take a Cascaret now and then and never have Headache, Biliousness, Costed Tongue, Indigestion, Sour Stomach or Constipated bowels. Cascarets belong in every household. Children just love to take them.

NEW DEPOT

Southern Railway Is Building It for Freight at Biltmore—Old One Burned.
 The southern railway is building a new freight depot in Biltmore, which comes as a most acceptable improvement to the residents of that village, and those people sending freight and express from the Biltmore station. Since the old freight depot was burned last summer, the business has had to be carried on in a freight car placed on a siding in the station yard. The new building is going up rapidly and promises to be a fine structure.

Sewing A Pleasure

To the tired seamstress it seems impossible that sewing could ever be a pleasure, but it can. Let an electric motor do the hard work. Then all the woman has to do is to guide her seams. It sounds almost impossible—it is true. Motors may be attached to any standard machine, then it's good-bye to all the backaches that used to accompany te Fall sewing.
