For Women Who Care

Of course you use an antiseptic in your family and in the care of your own person, and you want the best. Instead of what you have been using such as liquid or tablet antiseptics or peroxide, won't you please try Paxtine, a concentrated antiseptic powder to be dissolved in water as needed. Paxtine is more economical, more cleansing, more germicidal and more healing than anything you ever used.

Paxtine ANTISEPTIC

In the toilet—to cleanse and whiten the teeth, remove tartar and prevent decay. To disinfect the mouth, destroy disease germs, and purify the breath. To keep artificial teeth and bridgework clean and odorless. To remove nicotine from the teeth and purify the breath after smoking. To eradicate perspiration odors by sponge bathing.

As a medicinal agent for local treatment of feminine ills where pelvic catarrh, inflammation and ulceration exist, nothing equals hot douches of Paxtine. For ten years the Lydia E. Pinkham Med. Co. has been regularly advising their patients to use it because of its extraordinary cleansing, healing and germicidal power. For this purpose alone Paxtine is worth its weight in gold. Also for nasal catarrh, sore throat, inflamed eyes, cuts and wounds. All druggists, 25 and 50 cents a box. Trial box and testimony of 31 women free on request. THE PAXTON TOILET CO., Boston, Mass.

Tax Listers Notice

We, the undersigned Tax Listers and Assessors, will sit in the grand jury room on the second floor in the county court house on Wednesday, May first, 1912, and each day thereafter during the month of May, as directed by law, for the purpose of receiving the tax lists of all persons and corporations subject to tax in the corporate limits of the city of Asheville.

This April 29th, 1912. F. STIKELEATHER, W. W. WEST, MRS. RACIE ADAMS, Tax Listers.
