**POST CARD VIEWS OF BIG POSTERS**

Scheme of G. W. N. C. A. for Summer Campaign—100,000 to Be Made.

One of the new advertising features that has been decided on by the management of the Greater Western North Carolina association is to have photographs of the big posters that have been put up all over the south made and reduced to post card size. About 100,000 of these will be made, tinted like the original and put in the hotels and boarding houses of this section for the use of guests. These will be free, and it is expected that it will be a most attractive and effective scheme, as they will be sent all over the country and will bear more information than can be ordinarily put in such a small space as a post card.

It is just possible that one day will be set aside during the season as post card day, when every man, woman and child in the section included in the association, home people and visitors, will be asked to send one or more of these post cards to friends everywhere. Such a distribution would certainly be of incalculable value as an advertising medium.

Col. Sanford H. Cohen, the manager of the association, left the city Wednesday for Memphis, and while he is away he will cover all the territory in the south not previously covered and have the posters put up. He is expected to return about the first of next week, and soon thereafter there will be a meeting of the executive committee. At this time the various reports of the sub-committees on horticulture, agriculture, mines and minerals, and others will be heard and passed upon, and these will likely be put into printed form for distribution over the country in the fall campaign for permanent settlers in this section.

**COMING OF COLUMBUS AT PRINCESS HOUSES**

One of the Biggest Features Ever Produced at Theater and Airdome.

On next Monday the Princess theater and Princess airdome on Patton avenue will have a big feature picture, "The Coming of Columbus." In three reels. This will be shown at the theater from 11 o'clock in the morning until 11 at night, and at the airdome in the evening from 8 to 11 o'clock. This will be one of the biggest features ever shown in the city and is considered the greatest historical picture ever released.

Such a feature is expected to draw a record breaking attendance at these two amusement places, as the story of Columbus and the discovery of America is one of the first that is learned by Americans of all degrees, and one that is cherished by them always. This picture shows in the best dramatic form the whole story of the life of the great discoverer, his voyage across the stormy Atlantic and his final discovery of the North American continent. It is approved by everybody, the press, pulpit and advanced educators.

Besides the feature, the regular program of other pictures will be shown Monday and an excellent music program arranged.

**CLASS DAY EXERCISES HELD AT HIGH SCHOOL**

The Graduating Exercises Will Take Place at Auditorium Tonight.

The graduating class of the Asheville High school held the class day exercises this morning at the High school auditorium in the presence of a large number of the students, patrons and friends of the school. Everything went off nicely and the various numbers were much enjoyed by those present.

The program began with the reading of the class history by Miss Susie Roberts. Then followed a musical number by the High school chorus. The class prophecy was read by Miss Clara Wallace and it was followed by the class song.

Then the class statistics were given by David Baird, and the class sang "Viva."

Hamilton McDowell read the class poem which he composed, and this was followed by the singing of the "Sea King's Bride" by the chorus. The program ended with the class will by Margaret Wiley.

The final exercises will take place tonight at the Auditorium, at which time the 25 members of the graduating class will be presented with their diplomas by Judge George A. Shuford. This is said to be the largest class since 1895.

On account of the unfavorable weather it is necessary to postpone the Senior Class play which was to have been presented Friday afternoon at 4 o'clock on the campus at the Normal and Collegiate Institute. The play will be given at 3:30 p. m. Saturday. Tickets: 25c. Change of hour.

**Can't Sleep Nights**

Your Stomach is Out of Condition—That's All.

Many a disordered stomach has been put in splendid shape with a few days treatment of MI-O-NA stomach tablets.

You probably know that stomach trouble causes biliousness, dizziness, nervousness, sick headache, bad dreams, foul breath, despondency, weak eyes, red nose, sallow skin and loss of memory.

If you have any of these troubles the chances are that MI-O-NA stomach tablets will put you all to the good in a few days. They relieve after dinner distress in five minutes.

Be sure and try them and if they don't do you as much good as you thought they would, get your money back. Large box 50 cents at Smith's drug store and druggists everywhere.

**CITY NEWS**

In the Y. M. C. A. indoor baseball the second team defeated the first yesterday afternoon by the score of 7 to 6.

Last night about 11 o'clock on Southside avenue near the intersection of Victoria avenue there was a collision of a street car and a mail wagon. Little damage was done.

The senior class play, which was to have been given on the Normal and Collegiate campus this afternoon at 4 o'clock, has been postponed until tomorrow afternoon at 3:30 on account of the unfavorable weather.

At the regular weekly meeting of Asheville lodge No. 105, K. of P., tonight, the chief business will be the election of officers. All the members of the lodge are urged to be present and visiting Knights are cordially invited.

The season for classes B, C and D of the Y. M. C. A. baseball closes next week, but a new one will be started immediately. A new schedule is already being prepared. The remainder of the games in these classes will be played in the morning.

At the annual session of the Health Officers' association to be held at Hendersonville June 17, R. R. Williams of Asheville will deliver the address on "How to Bring Indictments for Violations of the Health Laws." Lyle Jones of Franklin was on the provisional program for this address as was stated yesterday.

Deputy Collectors Hurt and Miller have reported to Revenue Agent R. P. Sams the seizure of four illicit distilleries in Russell county, Virginia, two in Dickinson county, Virginia, and one in Wise county, Virginia. Deputy Collector Shelton and Special Employee Kanipe have reported the seizure of one other in Gaston county.

Oscar Wilson was found guilty this morning in Police court of carrying a concealed weapon and was fined \$15 and the costs. Probable cause was also found against him in a case charging him with committing perjury by swearing falsely before Justice of the Peace W. R. Gudger and he was bound over to Superior court under a bond of \$500. There were no other cases of interest before the court today.

**RESOLUTIONS OF RESPECT.**

Whereas, Our Heavenly Father has removed from our midst our beloved friend and faithful president, Henry T. Collins; and

Whereas, we bow in humble submission to the will of Him who doeth all things well, and

Whereas, it is our desire to give humble expression to the grief we feel and pay a tribute of love and respect to the memory of our departed friend and fellow-worker:

Therefore, be it resolved, That in the death of Henry T. Collins, the society for the Prevention of Cruelty to Animals has lost a never-tiring worker and a faithful presiding officer, and the cause of humane work in Asheville has suffered a grievous loss; a public spirited and progressive character has been removed from the business activities of the city; and his family and friends have sustained a loss beyond words to express; for he was a devoted husband, a loving father, a faithful friend;

Be it further resolved, That a copy of these resolutions be spread upon the minutes of this society, a copy mailed to the bereaved family, and a copy published in the newspapers of the city.

JAS. E. RECTOR, Vice-President.  
F. M. ALEXANDER, Secretary and Treasurer.

**Chalmers**

Cars are Worth a Comparison

During the Chicago Automobile Show, a man walked into our exhibit and said: "I have seen them all. If it were possible for you to take each person who really wants to buy a car around this show and make an individual comparison for him, the Chalmers Company would sell its entire output in one week."

The man who made that statement owns a high priced car. But he knows cars, and he picks the Chalmers "Thirty-Six" as the best automobile value on the market.

So would you, if we could only get you to make a few careful comparisons. Comparisons by people who know have already sold seventy per cent of the Chalmers output for 1912. If we could get all buyers to make comparisons, we would sell twice as many cars as we can build for 1912.

Have you seen a car at any price with all of these desirable features?

Long stroke motor; (4 1-4" x 5 1-4")  
Compressed air self-starter.  
Five speed transmission.  
Large wheels and tires; (36" x 4")  
Continental demountable rims.  
Long wheel base; (115")  
Dual ignition.  
Carburetor adjustable from driver's seat.  
All metal body.  
Deep upholstery (full 10" thick).  
Beauty of line and finish.  
Then add to these features the price of \$1800. Come and see this big-value car.

"30," \$1500; "Thirty-Six," \$1800; "Six," \$3250.  
New shipment of "36" Chalmers just received. Come in and see them.
