

Presiding Judge Sums up in Long Trial-144 Questions Before the Jury.

Viterbo, July 6 .- The presiding judge in the trial of the members o the camorra who have been on trial here for nearly two years, summed up the case yesterday. The judge read a long list of questions for the jury to answer in order to establish who were the instigators of the crime of murdering Gennaro Caocole and Maria Cutinelli Cuocole in June, 1905, who were the material executors of the crime; who were the accomplices and who were simply members of the

who were simply association. criminal association. The questions which the jury must answer number 144. Among them operation of the privileges in the fuanswer number 144. Among them are the following with reference to the instigators of the crime:

Is the accused, Enrico Alfano, guil-ty of having, in May or June, 1906, alone or with others, instigated the murder of Gennaro Cucole at Terre Dagrico on June 5? Was there preeditation? Was the crime aggravat ed by the formation of a criminal as

Prior to the summing up of the judge, Alfona exclaimed: "I don't ask mercy, but justice. My only desire is that the law shall be equal for all."
