THIS WOMAN'S

HERPICIDE

The hair is more exposed and hence | bro's Herpleide. more liable to accumulate dust and dirt than any other portion of the body

In spite of this the hair receives, a a rule, the least attention and no real effort is made to keep it healthy.

If the dandruff germ is allowed to work unmolested and the scalp be comes crusted with dirt accumulatio one may expect the hair to die and fall out. There is no cause for surprise in this phenomenon; it is natural and happens in every instance where the care of the hair and scalp is over-, sample to The Herpicide Co., Dept. R. looked.
