THE MARKETS

New York, July 23.—The tendency of prices was reactionary at the opening of today's stock market. Steel declined fractionally on the publication of the Stanley report. Western Maryland, Canadian Pacific, General Electric, Atchison and St. Louis and San Francisco second preferred were lower also. Reading, Amalgamated and Union Pacific made light gains.

Wall street devoted much of its attention today to the Stanley Steel report. The speculative element seemed disposed to place a bullish construction on the recommendation of the committee. Bonds were steady.

The market closed heavy. Lowest prices and greatest stagnation were witnessed in the last hour, with some slight readjustment in final dealings.

Cotton Buying Movement.

New York, July 23.—Cotton opened steady today at an advance of 5 to 7 points and sold 8 to 9 points net higher during the middle of the morning on covering and continued support from trade sources. Higher cables than due and continued predictions of a bullish August bureau report were supposed to inspire the buying movement.

The market continued quiet late in the afternoon, but remained steady 5 to 7 points net higher.

The weekly report of the weather bureau was without any influence on the cotton market and trading continued quiet during the afternoon with prices ruling 5 to 6 points net higher. The market closed steady.

POLICE COURT

One Defendant Found Guilty of Larceny and Another Accused—One Assault Case.

Jack Johnson, not the pugilist, but an ice cream packer, a young negro boy, was arraigned in police court this morning on the charge of the larceny of several articles from the Langrenn grocery store. The goods in question were cigars, good cigars, and certain articles of perfume. When they were missed the waiter was reported to the police department. An investigation followed and Johnson was taken into custody. The case was continued until tomorrow morning.

Albert Few was convicted this morning of the larceny of a pipe and watch from James Proctor and was sentenced to 30 days on the county roads.

George Corpening seemed to be the only real hard luck victim in the court, not that he received any punishment there but because he had connected with his share before arriving. Pink Griffin, Jack Smith and Garfield Gray each took a hand yesterday in beating Corpening and they were arraigned today for assault. They were found guilty and fined \$1, \$5 and \$1 and the costs, respectively. Corpening was charged with an attack on Pink Griffin but was released.

There were several minor cases before the court, including many defendants charged with violations of the traffic laws but none of them was fined heavily.

FIGHT SHAM BATTLE

Anniston, Ala., July 23.—A sham battle was fought near Camp Pettus today by the "Red" army and "Brown" army, composed of Georgia, South Carolina, Florida and Alabama guards, men and regular troops here for the annual militia maneuvers. The "Reds" were commanded by Col. Pomeroy of the Fifth Georgia Infantry and the "Browns" were directed by Col. K. W. Lewis of South Carolina.

Further Continuance of Darrow Trial.

Los Angeles, July 23.—Further continuance of the bribery trial of Clarence Darrow was taken today until tomorrow morning in the belief that Juror Leavitt would have recovered sufficiently from his attack of appendicitis to resume his place in the box.

When your child has whooping cough be careful to keep the cough loose and expectoration easy by giving Chamberlain's Cough Remedy as may be required.
