CENTRAL SUNDAY SCHOOL GOES TO LAKE JUANITA

Feature of the Day, a Baseball Game of Teachers and Pupils.

The members of the Central Methodist church Sunday school will celebrate tomorrow in the annual picnic which will be held at Lake Juanita, Weaverville. Special cars will take the picnickers out and will leave the square at 9:30 o'clock, sharp. The teachers are expected to be on hand to look after the various classes which they teach and the reduced rate tickets will be in their hands for distribution among the pupils. There will be no charge for the primary classes.

Preparations have been going on for some time for the picnic, and it is expected to be one of the most enjoyable ever held by the Sunday school. Big baskets containing good things to eat will be taken out. The big feature of entertainment will be baseball; there will be games both morning and afternoon. In the morning the contest will be between the teams of Holmes Sawyer and Bob Francis, and in the afternoon the teachers and officers of the Sunday school will play the picked team of the whole school. This promises to be the star performance of the day. Dr. Charles W. Byrd, pastor of the church, will hold down the position of short stop on the teachers' side. He announces that he will use a medicine and hamper basket as his professional paraphernalia. There will be other stars in the game besides, and the contest will be well worth seeing. H. M. Dill will umpire both games.

The boys of the Sunday school are reminded that they may take their bathing costumes along, as they will be allowed to take a dip in the lake under supervision. This bathing will be at certain times and in certain places so that there will be no danger.

A NUMBER OF HOMICIDES ON DOCKET FOR TERM

Superior court for the trial of criminal cases convenes here Monday, and it is likely that Judge Howard A. Foushee, who has been undergoing treatment in Johns Hopkins hospital, will preside, as it is said that his health is greatly improved. He was to have held the present civil term but Judge Lane was sent in his place.

The coming term will have for adjudication some rather important cases, chief among which is that against Clyde Melton, who is charged with shooting and killing Ed. B. Swinney a few weeks ago on the streets of the city. It is said that he will plead self-defense, contending that Swinney advanced on him with a knife.

Another is the uxoricide case of Robert or Jeff Cannon, colored, who shot his wife Sunday night as she was going to her home from church because, as he said, she had been giving him a lot of trouble.

A third important case is that of William Edwards of West Asheville, a man 75 years of age, who is charged with criminal assault.

Walter J. Holland, who is charged with killing James Edwards several months ago, will also probably be tried at this term. He has been arraigned before, but a mistrial was the result. The killing of Edwards was the result of some domestic troubles.

CITY NEWS

There will be a meeting of the directors of the Asheville Merchants association tonight at 8 o'clock in the association rooms, Temple Court building.

Pink Woody was tried before Magistrate Creaman yesterday afternoon on the charge of drawing a pistol on J. E. West and was bound to court in the sum of \$200.

By a deed filed in the office of the register of deeds S. A. Lynch conveys to Charles F. Toms two lots on Montford and one on Pearson drive, the consideration given being \$10,000.

An answer was filed yesterday afternoon in the office of Superior court clerk in the case of G. C. Sawyer vs. Southern railway. The suit is brought for damages for alleged personal injury. The defendant alleges contributory negligence.

H. S. Ward of New Bern will address the democrats of the city and county Saturday night at 8 o'clock in the court house and will urge them to support the candidacy of Judge Walter Clark for United States senator. He is a very forceful speaker, and it is likely that he will be heard by a large number of people.

The second rank will be conferred tonight by Pi-rah lodge No. 32, K. of P., in the lodge rooms on South Pack square. The ceremony promises to be most interesting, and the members of the lodge are asked to be present. A cordial invitation is also extended to visiting Knights.

Deputy Collector Hurt reports the seizure of an illicit distillery in Wise county, Virginia, where he made a raid this week, the plant taken being a large one. An illicit plant was also seized eight miles northwest of Asheville yesterday by Internal Revenue Agent R. B. Sama, Deputy Collector Harkins and ex-Sheriff Reid.

Superintendent W. H. Hipps announced yesterday afternoon that teacher's meetings will be held at the following places and times for the purposes of discussion of methods and testing them in the required course of study: Barnardsville, August 19; Leicester, August 17; Fairview, August 24; Asheville, August 31.

At the afternoon session of the board of education yesterday the committee of the West Asheville school was authorized to let a contract for an additional room for the building. The board decided to establish a four-months colored school in upper and lower Swannanoa districts if the proper arrangements can be made.

JURY FINDS WOMAN WAS KILLED BY HER HUSBAND

An inquest was held yesterday afternoon over the body of Lizzie Cannon, who met a violent death Sunday night, and the finding of the jury in the case was that she was killed by her husband, Robert Cannon. Coroner E. R. Morris made a post mortem examination of the body and found that the bullet which killed the woman entered the left breast and lodged in the back, taking a course that must have caused instant death.

After the examination of the body, several witnesses were examined by Coroner Morris, but the chief one was Louise Coleman, the mother of the dead woman. According to her testimony, the killing was a cold blooded affair. She said that Robert Cannon came from behind some hill board on Southside avenue, just as she and her daughter were returning from church, and that without saying a word he drew a revolver and shot his wife, then attempted to shoot the witness, but that the gun snapped. She said he walked away then and threw the gun in the gutter.

Cannon is being held at the county jail without bail, and it likely that he will be tried at the August term of criminal court for Buncombe county. He will probably be arraigned for first degree murder.

DREAMLAND PATRONS ARE PLEASSED WITH PROGRAM

The patrons of the Dreamland theater who attended the performances yesterday afternoon and last night were well pleased with the program, although one of the acts was missing, owing to the fact that Clarence Coley, who was to put on the act, had a long jump to make to get here and failed to arrive. He is here now and the full bill is being presented for the remainder of the performances the first part of this week.

George Dixon, a clown, who is the first on the bill, gives a musical act that is really very fine. The music is good, but the manner in which it is produced is still better. He never utters a word from the time he comes on until he leaves the stage, but "actions speak louder than words."

The next act by Barbour & Lynn is rather old but is so cleverly presented that its age is forgotten. They are real good comedians, and their work was appreciated.
