

MADAME! IF YOU DON'T FEEL RIGHT TAKE DELICIOUS "SYRUP OF FIGS."

Waste-Clogged Bowels, Torpid Liver and Decaying Food in Stomach Cause the Sick Headache, Gas, Backache, Sallowness, Billiousness and Indigestion.

All women get bilious, headachy and constipated—simply because they don't exercise enough. They don't eat coarse food, or enough fruit and green vegetables. These are nature's way of keeping the liver and thirty feet of bowels active; but very few women employ them. The next best way is delightful, Fruity Syrup of Figs.

It is simply a matter of loosening your stomach, liver and bowels clean and regular. Then you will always be well—always look and feel your best. But get the genuine—the old reliable. Ask your druggist for "Syrup of Figs and Elixir of Senna." Refuse, with contempt, the so-called Fig Syrup sometimes substituted to fool you. The true, genuine, bears the name California Fig Syrup company; look for this on the label.

Rumor of Electric Line, Greenville to Asheville

Dukes Said to Be Backing Project to Extend Road from Charlotte, to Greenville, to Hendersonville, to Asheville—Indicated by Developments.

One of the leading citizens and business men of Hendersonville stated today that the prospects are bright for the extension of the electric line of the Southern Power company, controlled by the Dukes, from Charlotte to Greenville to Hendersonville and possibly to Asheville. He said that his information concerning this proposed extension is very authentic, and that plans for it are being formulated at the present time.

The tourist business, which has always been the principal source of income for this particular section, has increased marvelously this year. The manager of Toxaway inn told him that during a great part of the season it has been necessary to provide a number of guests with sleeping quarters on the floor, a condition never before existing; and even now there are nearly 250 guests at the inn. All along the line from Toxaway to Hendersonville similar reports are made, and it is stated that the business during the latter part of the season has been over 50 per cent greater than for any previous season. The Hendersonville people make a report just about as good, and it has been found that the country places accommodating guests along this line have been filled to capacity for the entire season.

Do some foods you eat hit back—taste good, but work badly; ferment into stubborn lumps and cause a sick, sour, gassy stomach? Now, Mr. or Mrs. Dyspeptic get this down: Pape's Diapepsin digests everything, leaving nothing to sour and upset you. There never was anything so safely quick, and certainly effective. No difference how badly your stomach is disordered you will get happy relief in five minutes, but what pleases you most is that it strengthens and regulates your stomach so you can eat your favorite foods without fear.

PAPE'S DIAPEPSIN REGULATES STOMACH

Time It! In Five Minutes Gas, Sourness and Indigestion Are Gone.

Most remedies give you relief sometimes—they are slow, but not sure. Diapepsin is quick, positive and puts your stomach in a healthy condition so the misery won't come back. You feel different as soon as Diapepsin comes in contact with the stomach—distress just vanishes—your stomach gets sweet, no gases, no belching, no eructations of undigested food, your head clears and you feel fine.

Go now, make the best investment you ever made by getting a large fifty-cent case of Pape's Diapepsin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder.

The reports of investments are still more gratifying. Until this year the Toxaway inn property owners had never sold property to outsiders, but this year 12 lots of from one to four acres each have been sold at \$500 per acre. That indicates very clearly that property values there are on the rise.

New Club Formed. At Brevard the Appalachian club has been formed and has bought 1000 acres of land on Snowfoot mountain at an elevation of 1400 feet above the level of the town. A big club house and cottages will be constructed on the level plateau which has been purchased, and an artificial lake will be built. A golf course will be laid out, and a road with a three per cent grade is being built from Brevard and many memberships have been sold. Between Toxaway and Brevard there have been a number of investments in real estate; and the properties will be developed at an early date.

Organizing Winter Club. In Hendersonville the Highland and Kanuga Lake clubs have done a remarkable business and a large number of lots in Laurel park have been sold. W. A. Holt, the owner and proprietor of Highland lake, is organizing a winter club and leaves within a few days for the west to meet the people of that part of the country interested in this new feature of the club. Florida and South Carolina clubs have been formed during the summer, and these are formulating plans for the establishment of summer and winter colonies. All that means big developments for Hendersonville and the surrounding section and resulting increases in real estate values.

The developments that are going on in Asheville are a matter of common knowledge, and with the added hotel facilities for next summer in the addition of the Grove inn, which will also increase the winter business after its opening, the city of Asheville will be vastly more attractive to people from all over the country—people of all classes. Big Developments Promised. Besides all these developments in the tourist business of the section, western North Carolina seems to be on the verge of still bigger develop-

Backslider from Wellville to Dingbat-Town A slide:— from health to ill-health A great many people have tried the slide, who didn't know exactly what they would get in "Dingbat-Town." The coffee drinker is quite certain to get some kind of a "bat." It may be in stomach, liver, heart, bowels, eyes, kidneys or some other organ, for the bad effects of the caffeine in coffee, locate in a variety of different organs in different people. Many persons who knew this some time ago quit coffee and commenced Postum. Then, because they found trouble in having Postum prepared suitably at hotels and elsewhere, they gave it up and went back to coffee, thinking "Now I am well and can stand it." So they became backsliders and when they slid into "Dingbat-Town," symptoms of the old trouble began to show again, they found it difficult to return to Wellville. Now comes

Instant Postum as one sure way to get back.

Instant Postum is in powder form—made from regular Postum and contains the same nourishing ingredients;—you simply stir a level teaspoonful into a cup of hot water and instantly have a perfect cup of Postum; it has a delicious mellow flavour and is free from the coffee drug, Caffeine. It can be made anywhere that hot water can be obtained; in hotels, on the train, in the office—its high, rich quality is constantly uniform. Tins holding enough for about 100 cups are sold for 50 cents by grocers. Smaller tins at 20 cents, make about 50 cups. Ordinary coffee costs about twice as much. A two cent stamp to cover postage will carry to a 5-cup sample tin free.

ASHEVILLE MAN HURT

William Morris Attacked by Joseph and Henry Brown, Also of This City. Knoxville, Tenn., Sept. 10.—William Morris, of Asheville, N. C., was attacked and injured here yesterday afternoon in a manner similar to the killing of Herman Rosenthal, the New York gambler. While Morris was in a pool room Joseph Brown and Henry Brown, also of Asheville, entered and, after speaking cordially to Morris, one of them drew a revolver and fired at him. The bullet went wild and Morris was then assaulted with the butt of the revolver and a black jack. Morris fell prostrate and bleeding to the floor and the attackers fled to a nearby motor car in which they made their escape. They have not yet been apprehended. The injured man attributes the assault to his friendliness to a woman in whom he says one of the Browns is interested.
