But Revolutionists Control Lake Nicaragua and Are Bombarding Towns on Coast.

ENGLAND MAY MOVE TO PROTECT SUBJECTS

Two Killed by Rebels and Britain Is Awaiting Result of Efforts at Pacification.

Washington, Sept. 21.—A telegram from American Minister Weitzel, delayed two days in transmission, was received by the state department today, confirming reports that the Nicaraguan revolutionists were again using the steamers on Lake Nicaragua and bombarding the towns on the lake coast in the neighborhood of Rivas.

Washington, Sept. 21.—Severe fighting between American naval forces and Nicaraguan revolutionists in the past few days near Barranca, although reports from the scene are so meager that officials here have no definite idea of what has happened.

European attention to affairs in Nicaragua at this time is believed to be one of the possibilities of the situation. The Washington government in sending relief to the beleaguered city Granada, populated by many foreigners, had hoped to avert any pretext for landing military or naval forces on Central American soil.

Many Corpses in the Streets of Olinza—Large Reliance from Smugglers.

Marfa, Sept. 21.—People returning from Olinza, where the federalists were defeated in battle Sunday, have reported the bodies of Mexicans lying in the streets unburied, as late as Thursday. They say they saw as many as 15 bodies in the streets and alleys of the town. The deputy United States customs collector has in his possession 17 horses 250 rifles and 15,000 rounds of ammunition and 20 pistols seized from smugglers during the past few days.

STRIKERS AGAIN IN BREASTWORKS

Foreigners Aroused When Utah Company Imports Strike-Breakers.

ALL OF THE OFFICERS ARE ELECTED AGAIN

Directors Also Choose Executive Committee and Chairmen of Committees.

Bingham, Sept. 21.—Rumors that a large army of strikebreakers is being recruited in nearby towns to supplant foreigners who struck Wednesday roused the Greeks and Cretons to action, and today they were again taking up positions behind fortifications, overlooking the mines. There has been no serious disorder, but trouble is expected if the Utah Copper company attempts to open its mines. This company imported white and Japanese laborers yesterday, but they were not molested.

WILSON-ROOSEVELT FIGHT DIXON STILL INSISTS

Colonel's Manager Says Taft Won't Carry a State Beyond Mississippi.

New York, Sept. 21.—"The truth is, there are two million voters of this country in the twilight zone, and they are the ones who will decide this election," declared Senator Joseph M. Dixon, chairman of the Bull Moose National committee, when he was asked if he really thought the colonel had a chance to win.

REFeree CALLS A HALT TO MOTORCYCLE RACE

Teams Show Such Distress that He Orders Two Hours Rest.

New York, Sept. 21.—Twenty hours riding at a speed of nearly 60 miles an hour so distressed four teams in the 24 hours motorcycle race at the Brighton beach motorodrome that the referee ordered a two hours recess today. At the end of the tenth hour John Cox collapsed from exhaustion and was carried to a hospital. Physicians forbade him re-entering the race and his place was taken by Earl Eck and his place was taken by Earl Eck and his place was taken by Earl Eck.

Robbed Morgan's Mansion

New York, Sept. 21.—Burglary of the mansion of J. P. Morgan, Jr., while Mr. Morgan and his forty servants slept, has been confessed, the police assert, by John Burdette, whom they arrested yesterday. In his possession were found seven watches, medallions, diamonds and other articles of jewelry stolen from the home.

Taft Declines Debs Debate

Beverly, Mass., Sept. 21.—An invitation to President Taft to enter into joint debate with Eugene V. Debs, the nominee of the socialist party, for president, was declined yesterday by White House officials. The invitation suggested that the senatorial encounter take place in Philadelphia on the night of September 23 and announced that Debs would accept the invitation. The president's decision was based upon the fact that he has no time to devote to such a debate.

CO-OPERATION'S WORTH THOUSANDS

One of the Greatest Assets of G. W. N. C. A., Says President W. E. Breese.

EVERYWHERE RECEIVED FRIENDLY GREETING

Impressed With the Party Organization in Ohio—Due at Sea Girt Tonight.

Harrisonburg, Sept. 21.—Governor Wilson traveled homeward through Pennsylvania today from his first real campaign trip since his nomination for the presidency—through Iowa, South Dakota, Minnesota, Michigan and Ohio. He said it was hard to view the trip objectively.

Columbus, O., Sept. 21.—Twelve hours did Governor Woodrow Wilson spend in Columbus yesterday, but in these were crowded the formal opening of the democratic campaign in Ohio, a luncheon with Governor Harrison, Representative James M. Cox, the democratic candidate for governor and state leaders and a series of speeches and receptions.

Some Concrete Results. Upon his reappointment to the position of president of the association, Mr. Breese delivered a stirring speech concerning the work done in the past and the prospects for the future. He reviewed the accomplishments for the summer tourist business and in referring to the interest that has already been aroused in industrial propositions, he said that he knows of two purchasers of property in this section, each involving more than \$15,000, that have come directly from advertisements of the association.

The following is an interesting abstract from Mr. Breese's speech: "I wish to express my hearty thanks to you for the honor you have conferred upon me, and I hope we will succeed as well in the future as we have in the past, and I want to say that this success which we most certainly have accomplished has not been due to any one man, or any few men connected with the association, but it is the result, and the only logical result that can ever occur when we have a systematic co-operative movement among any community or number of communities, and I feel that we, the officers of the association, will have in the future the same hearty spirit of co-operation that we have had in the past. I trust that you see as I do; that we have received substantial results in dollars and cents, and not, as Mr. Hardwick has truly stated, simply in the fact of our meeting from time to time as directors for the purpose of throwing bouquets at one another instead of getting results, and actual results to the benefit of our citizens—to the hotels and boarding houses and real estate dealers of the section. We are now in a position to do work, and we are able and can accomplish more in the future than we have in the past. I feel sure (and would not feel sure) that I am to have the hearty and earnest support and the organization is to have it of the men who compose the association.

"We have to stick together; the board of trade of Asheville has not to be one of the large federations to the Greater Western North Carolina association; there never can be any feeling of friction between us, and it is entirely ulterior to the idea of this association that there could be any rivalry between these organizations. They work harmoniously side by side, and the success of one is that of the other. The Asheville board of trade is not as big as the combined boards of trade of the seven counties in the Greater Western North Carolina association, nor is the association big enough to be able to do without the co-operation and assistance of the Asheville board of trade. United we stand; divided we fall, but working in harmony I sincerely hope our future success will far exceed that success which has marked our efforts during the past six months. I am giving my best efforts to further the interests of this association, and I will do anything and everything that you may ask me to do to forward its purpose and to make it the greatest advertising medium in the south, if not in the United States, and I want to say that one of the greatest assets we have, and that brings it more closely to the attention of the investor, is our co-operation. I have noticed that money will not flow into our section unless we are united."

PROGRESSIVES FILL TICKET VACANCIES

Lotspeich, Brown and Watkins Named by Executive Committee.

The Buncombe county bull moose executive committee met today just before 1 o'clock at the court house for the purpose of filling the vacancies on the county ticket made by the failure of J. A. Nichols to run for tax collector, Charles G. Lee for the general assembly, and James Greenwood for sheriff. J. B. Lotspeich, formerly a democrat of Weaverville was named for tax collector, Homer Brown of West Asheville was chosen for the house, and P. J. Watkins of this city was named for sheriff.

The selection of J. B. Lotspeich for the position of tax collector will create much surprise. He has always been considered a strong democrat, but he made a speech in which he said that he was glad to make the race. No definite action was taken with reference to making the ticket progressive, but it seemed to be understood that it will be. It was a very harmonious and enthusiastic meeting.

The meeting was presided over by J. M. Patterson, recently chosen progressive chairman, and J. F. Barrett acted as secretary. After the secretary had read the call, Col. Lusk put Mr. Lotspeich in nomination and paid high tribute to his abilities. Col. Lusk said that they were all progressives, that he thought he was a republican until he went to Charlotte, when the regulars would not even let him enter the bar room. The nomination was seconded by J. M. Morgan, after which nominations were closed and Mr. Lotspeich was nominated by acclamation. His selection seemed to please all present. It was stated that he was the only man in the county who would be as strong as J. A. Nichols. In fact the members seemed to be immensely pleased with the whole day's work.

In a short speech Mr. Lotspeich said that he had been an independent democrat for the past 15 years, during which time he had never voted a straight democratic ticket; that there were some democrats "in the deep woods" who were hoping for another party that he had rebelled against conditions existing in the county; that there were hundreds of democrats who felt the same way. He said that he expected to tell the people a few things and that he would welcome a joint campaign.

Col. Lusk then nominated Homer Brown, aged 22, son of H. A. Brown of West Asheville, for the general assembly, and that nomination was made by acclamation. J. M. Morgan then stated that James Greenwood had left word that he would not make the race for sheriff. He said he did not understand it. He had tried to get Mr. Greenwood to come to the meeting, but he refused to do so, although he was at the court house. P. J. Watkins was then nominated. At first he said that he could not accept, but after the adjournment, the committee prevailed on him to run.

GLAD WOOD LOST

Boston Americans Think Breaking of His Long Streak Will Help Them in October.

Detroit, Sept. 21.—When Joe Wood, star pitcher of the Boston Americans, had a winning streak of 16 straight games, broken by Detroit here yesterday, more than one team mate breathed a sigh of relief. Players who fought desperately to help Wood surpass the league record for consecutive wins, now held jointly by Wood and Walter Johnson of Washington, were ready to admit after yesterday's game that the defeat brightened their chances for the world's championship games, as the strain of trying to keep up the winning streak was continually argued with umpires.

Chicago, Ill., Sept. 21.—Mrs. A. A. Sprague, 24, of Lake Forest, lost a pearl necklace valued at \$12,000 journeying on the Twentieth Century Limited train of the New York Central between Boston and this city. She has offered a reward of \$500 for its return, and detectives are at work on the case.

The jewels, which include 59 pearls graduated in size from four to ten grains, and a diamond clasp, disappeared from a small linen bag which Mrs. Sprague was suspended from her neck. She had been traveling with a nurse and child and had occupied a drawing room on the train.

Divorce for Fritz Schoff?

New York, Sept. 21.—A rumor is current that Fritz Schoff, the light opera star, will sue her husband, John Fox, Jr., the author, for divorce. The rumor could not be confirmed. When Fritz Schoff was asked in Baltimore if the rumor was true she declined to give a direct answer. "Why should I discuss my private affairs with the public?" she said. John Fox could not be found. His brother, Rector E. Fox of Mount Kisco, said that he had not heard that Fritz would be brought back that he had no information on the subject to be of any value.

BLEASE LOSES IN RHAME CASE

State Supreme Court Upholds Bank Examiner who Refused to Vacate His Position.

SAYS THE GOVERNOR EXCEEDED POWERS

And Holds that He Has no Prerogative Control Over Officers—Two Justices Dissent.

Columbia, Sept. 21.—The Supreme court today handed down a decision in the famous bank examiner case, deciding that Governor Blease had no authority in law for his act in ousting Bank Examiner R. J. Rhame, Rhame was ousted last April and H. W. Fraser put in his place, complaining the situation as the banks did not know to whom reports were to be sent. They put it up to the postmasters by directing envelopes to the "State Bank Examiner."

The Supreme court, handled the case en banc, with the chief and ten associate justices sitting. There were two dissenting opinions. Blease declared Rhame's office vacated, Rhame refused to vacate and action was brought to test the governor's order. The substance of the decision was that the "law does not provide for the removal of a bank examiner as it does in the case of a magistrate." The decision included criticism of the governor's action in the words: "The governor, as chief executive, has no prerogative control over officers such as is held by the king of England."
