**SOCIAL HAPPENINGS**

Personal Mention, News of the Societies, Meetings, Etc.

**Wolfe-Wagner.**  
 An elaborate dinner was given last evening by Mrs. S. M. Wolfe at her home, in honor of Miss Wilmer Wolfe, whose marriage to Dr. J. H. Wagner takes place this evening at 8:30 o'clock. Mrs. Wolfe's dinner guests included 18 of her friends and the affair was given for Miss Wolfe in place of the usual wedding reception after the ceremony, as the bride couple will leave immediately after the wedding, being just time to catch the westbound train. Mrs. Wolfe's home was beautifully decorated for the dinner and the following menu was served: Baked fish, baked turkey with nut dressing, potato salad on lettuce with olives and pickles, hot rolls and butter, fruit salad, ice cream, ribbon cake and coffee.

The ceremony will take place this evening in the reception room of Mr. and Mrs. Wolfe's residence under an arch of golden rods, supported by masses of ferns, the entire room being gracefully arranged in golden red and ferns. The bride, whose only attendant will be the matron of honor, Mrs. S. M. Wolfe, will enter on the arm of her brother, and will be met at the altar by Dr. Wagner, the ceremony being performed by L. Byrd. The bride will be gowned in a traveling suit of dark blue of the new wave diagonally shot with a blue of a lighter shade and trimmed in old gold, and will wear a picture hat of blue to match with ostrich plumes of old gold. The matron of honor will be gowned in pink chamoisee with crystal trimming. Dr. Wagner will have no best man. Immediately after the ceremony, Dr. and Mrs. Wagner will leave for Nashville and New Orleans, going from the latter place by water to Miami, Fla., and then to Arizona, where they will visit Dr. Wagner's sister. After this visit Dr. and Mrs. Wagner will go to California where they will make their future home. Miss Wolfe has many friends and is a young lady of much accomplishment, having been graduated from the following colleges: Washington college in Tennessee, Sullins college in Bristol, Southern Female college of Petersburg, Va., and studied elocution under the instruction of Mr. Chartrand of the Cummock school of expression of Los Angeles, afterward teaching elocution for two years in Weaverville college. Miss Wolfe has received many handsome bridal gifts of silver, cut glass, hand painted china and linen, among the handsomest of her gifts being a cedar chest.

**Credible Presentation.**  
 "Nantippe the Witch", the play given last evening at the Auditorium under the auspices of the U. D. C., was presented by Asheville's local talent in a manner worthy of the play as a historic production. The decoration of the Auditorium in regalia symbolic of the organization under whose auspices the event took place and the staging of the play, including the scenery, moonlight effects, and clever introduction of the fairy scene in the first act were excellent, as was the more than unusually good part interpretation by the performers. The role of witch was cleverly carried out by Miss Kathleen Ware, whose amateur talent is well known to the Asheville public; and the witch's daughter, Zan, was well interpreted, as was confidently expected, Miss Ida Hamilton, the only professional of the cast. The audience was enthusiastic in their praise of Student Rabbi Morris Lazzaron's work, as shown in his dramatic force and clear and pleasing voice. Mrs. Charles M. Platt as Mrs. Ward, John Staley Hurney as Berton Carroll, C. T. Carr as David Ward, Dr. J. A. Sinclair as Thomas Patterson, Cassius Gudgeon as Ezra Carrington and John Jordan, Jr., as Toke, the lady servant, were all good, as were also the pretty little fairies in their short scene. There were several theater parties to witness the play, and much interest was manifested in the cast by their many personal friends.

**Handicap Tournament.**  
 The playing in the handicap golf tournament in progress at the Country club resulted, yesterday, as follows: In the first flight of the gentlemen's

Allan Ames and Mrs. Ames, who previous to her marriage was Miss Mary Penhman of this city. While a resident of this city, Miss Ames has made many friends and has been highly esteemed in her business connections. Miss Ames will not reside in New York city but in the immediate vicinity and will continue in her business pursuits. Miss Ames' brother is a newspaper man of importance, having been in responsible position for a number of years with the Associated Press in the east.

Miss Marguerite Canaday leaves this evening for Danville, Ill., where she will enter school for the winter. Miss Canaday will study vocal music, receiving instruction in this branch in Chicago.

Miss Fay Baumgardner has returned to the city from Bristol, where she has been visiting friends.

Mrs. Talbot Penhman is spending two weeks with her sister, Mrs. Ralph H. Johnston in Chery, S. C.

Mrs. Emile Passalaigne of Jacksonville, Fla., is the guest of Miss Emma B. Austin at her home, 102 S. Main street.

Mr. and Mrs. W. F. Scott and Mrs. C. B. Rhinehart of Saluda are in Asheville.

Roy Patton and his sister, Miss Ida Patton, leave this afternoon for Tampa.

Thomas Settle leaves today for Greensboro and Raleigh.

Miss Virginia Williamson left last night for New Orleans.

Frank Cox, the son of Mr. and Mrs. Tench Cox, has entered the Asheville school.

Mrs. Sarah Seibles left yesterday for New York.

Rhett Dufour has returned from a visit of two weeks to New York.

S. B. Clark, who has been spending several days in Charlotte with his sister, Mrs. B. J. Smith, left this week for Asheville, where he will join his family and return home to Monticello, Fla.

Mrs. Grace Westall has returned from a visit to Atlanta and will resume her classes.

**Masseuet and Saint-Saens.**  
 (By CARYL FLORIO.)

Last August France lost two of her greatest musicians, each of whom has left a gap which cannot be filled by any French musician now living. These two were Jules Emile Ferdinand Masseuet (usually spoken of as Jules Masseuet), who was born at Mouches, May 12, 1842, and Charles Camille Saint-Saens (generally known as Camille Saint-Saens, who was born in Paris, October 9, 1835. Masseuet was a successful composer in many forms; he wrote operas, cantatas and orchestral works. His compositions were noteworthy on account of his flow of exquisite melody, his careful and detailed finish and his thorough acquaintance with orchestral effects. Of his operas his greatest success was "Mamon," though his "Herediade" ran it close; among his cantatas it is difficult to choose; of his purely orchestral works his music to the tragedy of "Les Erinnyes" had probably the greatest general success. Saint-Saens was a great pianist, a great composer on various lines and, according to von Buelow (who, as a German, was none too anxious to assign to a Frenchman so exalted a position) "the greatest living all-round musician." This opinion of von Buelow's was founded upon the following incident: Von Buelow and Saint-Saens had gone together to call upon Wagner. Von Buelow and Wagner got talking together in German, which language Saint-Saens did not speak. While they were talking Saint-Saens noticed on the piano part of the manuscript orchestral score of "Siegfried," on which Wagner was at that time at work, and he stood it up on the instrument and began playing from it. In a very few minutes Wagner's attention was attracted and he came and began turning the leaves as Saint-Saens played. Von Buelow, in relating this fact afterwards, said, "many musicians can play from score; I can myself; but no other musician could do what Saint-Saens did then. Not an effect was overlooked or lost; all that was in the complicated

**LESSON IN SCIENTIFIC COMPLEXION RENEWING.**

(From The Family Physician.)  
 Everyone has a beautiful skin underneath the one exposed to view. Fear that in mind and it will be easier to understand the correct principle in acquiring a lovely complexion. Nature is constantly shedding the top skin in flaky particles like dandruff, only much smaller in size. In abnormal conditions, or in advancing age, these particles are not shed as rapidly as in robust youth. The longer they remain—that's the immediate cause of a "bad complexion."

It has been discovered that ordinary mercolized wax, to be had at any drug store, will absorb these worn-out particles. The absorption, while hastening Nature's work, goes on gradually enough to cause no inconvenience. In a week or two the transformation is complete. The fresh, healthy-hued, youthful underskin is then wholly in evidence. You who are not satisfied with your complexion should get an ounce of mercolized wax and try this treatment. Use the wax nightly, like cold cream, washing it off mornings.

**Negro Slayer Lynched.**  
 Shreveport, Sept. 25.—Fifty masked men, armed, overpowered two deputies last night and took Sam Johnson, the half-witted negro who killed Percy Alexander, a lawyer, last August and carried him into the woods where it is believed he was lynched. The body has not been found.

**MR. LYNCH KEEPS BUSY BUYING, SELLING DIRT**  
 S. A. Lynch continues to keep the real estate market lively. He has just completed a deal for the Owens property on Southside avenue, between Blanton and Adams streets, being ten lots and the Owens home place. It is understood that the consideration in this deal was \$12,500.

Mr. Lynch also consummated a trade yesterday with T. F. Roland for his property on Adams, Blanton and Bartlett streets, the consideration being \$7,500.

Mr. Lynch has bought and sold during the past two months more than \$60,000 worth of Asheville real estate. He also purchased the Lubin theater at Washington and his associates and disposed of them during the past month at a handsome profit.

**NEW BANK NOTES**  
 First Note of Smaller Size and Uniform Currency to be Issued in 1914.

Washington, Sept. 25.—The treasury department expects to issue the first note of a smaller size and a uniform currency July 1, 1914. The size will be reduced from 3.04 by 7.28 inches to 2 1-2 by 6 inches.

The present method requires 12,000 plates to print the national bank notes for the individual banks and requires \$65,000,000 worth of national bank notes a year.

The new method will not require more than two hundred plates. In addition to saving considerable money for the banks there will be an additional economy of about \$150,000 a year in the printing.

At present there are nineteen miscellaneous portraits and historical designs appearing upon the issues now in use. The secretary will probably adopt the following designs—\$1, Washington; \$2, Jefferson; \$5, Lincoln; \$10, Cleveland; \$20, Jackson; \$50, Grant; \$100, Franklin; \$500, Chase and \$1,000, Hamilton.

**No Buttons—No Facings—Just Tie the Tape**

**CASCARETS CLEANSE LIVER AND BOWELS.**

**Cascaret Users Never Have Headache, Constipation, Biliousness or Sick Stomach.**

It is more necessary that you keep your Bowels, Liver and Stomach clean, pure and fresh than it is to keep the sewer and drainage of a large city free from obstruction.

Are you keeping clean inside with Cascarets—or merely forcing a passage every few days with salts, cathartic pills or castor oil? This is important.

Cascarets immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry out of the system the constipated waste matter and poison in the intestines and bowels.

No odds how badly and upset you feel, a Cascaret tonight will straighten you out by morning. They work while you sleep. A 10-cent box from your druggist will keep your head clear, stomach sweet and your liver and bowels regular for months. Don't forget these children—their little insides need a good, gentle cleansing, too.

**Best \$2.50 Ladies' Shoes**  
 Comfort makes the foot go, but if you spare the fit you spoil the foot. See our \$2.50 and \$3 button shoes in kid and dull calf. They are a marvel of the shoemakers' art. The cash saving is noticeable on every pair. We do repairing.
